

How Do U Satisfy A Woman Sexually

Female Sexual Function and Dysfunction - Elisabetta

Costantini 2017-06-19

This book discusses all aspects of sexuality in women and in particular explores sexual function and dysfunction in a variety of settings, including the different stages of life and a wide range of major diseases and local conditions. The aim is to refocus attention on the needs and sexual realities of women, providing a fresh point of view that will assist gynecologists, sexual medicine physicians, and urologists in delivery of high-quality care and help women themselves to understand and address sexual problems relating to desire, arousal, orgasm, and sexual pain. Psychological aspects of female sexuality and the impacts of the aging process, pregnancy, and childbirth are

carefully examined. Extensive consideration is then given to the effects on sexual function of such conditions as cardiovascular disease, cancer, diabetes, neurological disease, endometriosis, pelvic organ prolapse, urinary incontinence, reproductive disorders, sexual abuse, and drug abuse. Issues of sexual identity and female dysmorphophobias are also considered. The authors are all experts in the field and have a deep understanding of the complexities of female sexuality.

The Pleasure Gap - Katherine Rowland 2020-02-04

American culture is more sexually liberal than ever. But compared to men, women's sexual pleasure has not grown: Up to 40 percent of American women experience the sexual malaise clinically known as low

sexual desire. Between this low desire, muted pleasure, and experiencing sex in terms of labor rather than of lust, women by the millions are dissatisfied with their erotic lives. For too long, this deficit has been explained in terms of women's biology, stress, and age. In *The Pleasure Gap*, Katherine Rowland rejects the idea that women should settle for diminished pleasure; instead, she argues women should take inequality in the bedroom as seriously as we take it in the workplace and understand its causes and effects. Drawing on extensive research and interviews with more than one hundred women and dozens of sexual health professionals, Rowland shows that the pleasure gap is neither medical malady nor psychological condition but rather a result of our culture's troubled relationship with women's sexual expression. This provocative exploration of modern sexuality makes a case for closing the gap for good. *Secrets of Better Sex* - Joel D. Block 2001-11-01

Organized in a convenient A-to-Z format, 'Secrets of better sex' gives concise prescriptions for solving problems and improving the quality of your lovemaking; how to increase and sustain arousal, enjoy longer orgasms, talk to your partner about sensitive issues, and much more. Discover thirteen attitudes for Super Sex; five tips for overcoming performance anxiety, whether you're a man or a woman; twelve entertaining fantasies to spice up a too-routine sex life (sexy and fun at any time of the day); and advice for keeping the sexual fires burning after menopause, surgery, or through chronic illness.

Jewish Explorations of Sexuality - Jonathan Magonet 1995

Every religious community has been affected by the "sexual revolution". The conflict between contemporary attitudes and traditional practices has led to major divisions and controversies, particularly when focused on issues such as homosexuality.

This is the first attempt to take

Downloaded from
legacy.opendemocracy.net
on 2023-06-14 by guest

abroad look at both the Jewish pioneers of modern sexual thought and the impact of the revolution on our understanding of past Jewish practices and culture. For the first time the writings of leading scholars in the field from the United States and the United Kingdom have been brought together to explore these topics, and the book is essential reading for those academically or professionally engaged in areas ranging from counseling and pastoral work, to religious and social studies.

Men in Love - Nancy Friday
2010-09-01

An extraordinary, explicitly masculine journey, *Men In Love* develops a startlingly honest portrayal of what it means to be a man in contemporary America. Here are the unexpurgated dreams, fantasies and fetishes that excite and obsess men today. In creating this historic study, Nancy Friday listened--without disapproval, apology or censorship--to the candid responses of thousands of men aged fourteen through sixty.

She gave them a legitimate arena where they could share their "secret gardens"--the hidden and forbidden but nonetheless real and true. Much more than a litany of erotica, this unique volume doesn't tell us how men should love. It tells us how men do love--a stunning insight into the desires that dwell within men's psyches... and their hearts.

Exploring the Dimensions of Human Sexuality - Jerrold S. Greenberg 2007

Exploring The Dimensions Of Human Sexuality, Third Edition, Has Been Extensively Updated To Include Information And Statistics About Recent Developments. This Text Continues To Encourage Students To Explore The Varied Dimensions Of Sexuality And To See How Each Affects Their Personal Sexuality, Sexual Health, And Sexual Responsibility. All Aspects Of Sexuality-- Biological, Spiritual, Psychological, And Sociocultural--Are Presented Factually And Impartially. What Do Women Want? -

Daniel Bergner 2013-06-20
In this headline-making book, Daniel Bergner turns everything we thought we knew about women's desire on its head. Drawing on extensive research and interviews with renowned behavioural scientists, sexologists, psychologists and everyday women, Daniel Bergner asks: - Do women really crave intimacy and emotional connection? - Are women more disposed to sex with strangers or multiple partners than either science or society have ever let on? - And is 'the fairer sex' actually more sexually aggressive and anarchic than men?

How to Blow His Mind in Bed - Siski Green 2010

How to Blow His Mind in Bed' is written by 'Men's Health' magazine's resident sexpert, Siski Green. In her refreshingly honest new book, she will debunk the myth that a man only cares about his own orgasm, and give the inside knowledge on what they really want in the bedroom. Siski has had unrivalled access to the

innermost thoughts of men through her work, and has a unique insight into their worries, desires and needs. But she has also dealt with many women's queries from the 'Men's Health' website, so she understands exactly what they really want to know about how men think. HOW TO BLOW HIS MIND IN BED will offer women inside knowledge on how to make a man excited, what his erogenous zones are, his feelings and concerns, and improving his orgasms and your techniques. It is a must-read for every woman who wants to improve and enhance what they already know, to have even better sex.

The Case of the Female Orgasm - Elisabeth Anne Lloyd 2009-07

Why women evolved to have orgasms--when most of their primate relatives don't--is a persistent mystery among evolutionary biologists. In pursuing this mystery, Elisabeth Lloyd arrives at another: How could anything as inadequate as the evolutionary explanations of

*Downloaded from
legacy.opendemocracy.net
on 2023-06-14 by guest*

the female orgasm have passed muster as science? A judicious and revealing look at all twenty evolutionary accounts of the trait of human female orgasm, Lloyd's book is at the same time a case study of how certain biases steer science astray. Over the past fifteen years, the effect of sexist or male-centered approaches to science has been hotly debated. Drawing especially on data from nonhuman primates and human sexology over eighty years, Lloyd shows what damage such bias does in the study of female orgasm. She also exposes a second pernicious form of bias that permeates the literature on female orgasms: a bias toward adaptationism. Here Lloyd's critique comes alive, demonstrating how most of the evolutionary accounts either are in conflict with, or lack, certain types of evidence necessary to make their cases--how they simply assume that female orgasm must exist because it helped females in the past reproduce. As she weighs the evidence, Lloyd

takes on nearly everyone who has written on the subject: evolutionists, animal behaviorists, and feminists alike. Her clearly and cogently written book is at once a convincing case study of bias in science and a sweeping summary and analysis of what is known about the evolution of the intriguing trait of female orgasm.

Female Intimacies in Seventeenth-Century French Literature - Marianne Legault
2016-04-15

Examining literary discourses on female friendship and intimacy in seventeenth-century France, this study takes as its premise the view that, unlike men, women have been denied for centuries the possibility of same sex friendship. The author explores the effect of this homosocial and homoprivileged heritage on the deployment and constructions of female friendship and homoerotic relationships as thematic narratives in works by male and female writers in seventeenth-century France.

*Downloaded from
legacy.opendemocracy.net
on 2023-06-14 by guest*

The book consists of three parts: the first surveys the history of male thinkers' denial of female friendship, concluding with a synopsis of the cultural representations of female same-sex practices. The second analyzes female intimacy and homoeroticism as imagined, appropriated and finally repudiated by Honoré d'Urfé's pastoral novel, *L'Astrée*, and Isaac de Benserade's seemingly lesbian-friendly comedy, *Iphis et Iante*. The third turns to unprecedented depictions of female intimate and homoerotic bonds in Madeleine de Scudéry's novel *Mathilde* and Charlotte-Rose de Caumont de La Force's fairy tale *Plus Belle que Fée*. This study reveals a female literary genealogy of intimacies between women in seventeenth-century France, and adds to the research in lesbian and queer studies, fields in which pre-eighteenth-century French literary texts are rare.

Lick by Lick - How to Go Down on a Woman and Have Her

Begging for More - Michael Webb 2017-09-16

It can assist you to prevent break-ups due to sex related issues. This eBook will let your girl experience multiple orgasms, full satisfaction and blissful climax. The lick by lick is a tailored step by step method that will surely assist you in giving your girl the most satisfying cunnilingus ever.

The Technology of Orgasm - Rachel P. Maines 2001-06-15

The author explores hysteria in Western medicine throughout the ages and examines the characterization of female sexuality as a disease requiring treatment. Medical authorities, she writes, were able to defend and justify the clinical production of orgasm in women as necessary to maintain the dominant view of sexuality, which defined sex as penetration to male orgasm - a practice that consistently fails to produce orgasm in a majority of the female population. This male-centered definition of satisfying and healthy coitus shaped not only the development of concepts of

female sexual pathology but also the instrumentation designed to cope with them.

What Men Really Want In Bed -

Cynthia W. Gentry 2010-04-01

What do men wish women knew about sex? The answer's not as simple as you think! In *What Men Really Want in Bed*, 200 men from all backgrounds and walks of life reveal frank, surprising truths about sex and what really turns them on (and off), including: The most exciting thing a lover has ever done to them in bed; What kinds of things their partners do that make them feel special and appreciated; How they really feel about oral sex; What they wish their wives and girlfriends knew about seduction, foreplay, masturbation, intercourse, sexual positions, body image, and more.

Women in the New Taiwan: Gender Roles and Gender Consciousness in a Changing Society - Catherine Farris 2020-08-26

Taiwan's rapid socio-economic and political transformation has given rise to a gender-

conscious middle class that is attempting to redefine the roles of women in society, to restructure relationship patterns, and to organize in groups outside the family unit. This book examines internal psychological processes and external societal processes as the feminist movement in Taiwan expands and new gender roles are explored. The contributors represent a cross section of different disciplines - history, anthropology, and sociology - and different generations of China/Taiwan scholars. They place the issues facing Taiwan's women's movement in social, political, and economic contexts. The book examines gender relations, the role of women in Chinese society, and issues related to women in China throughout history. Feminism and gender relations are also viewed from the context of film and literature. The authors look at the contemporary roles that women play in Taiwan's work force today, how the sexes perceive each other in the workplace, and more.

My Secret Garden - Nancy Friday 2013-11-18

The #1 New York Times–bestselling author’s “groundbreaking” work on women’s sexual fantasies (Publishers Weekly). First published in 1973, *My Secret Garden* ignited a firestorm of reactions across the nation—from outrage to enthusiastic support. Collected from detailed personal interviews with hundreds of women from diverse backgrounds, this book presents a bracingly honest account of women’s inner sexual fantasy lives. In its time, this book shattered taboos and opened up a conversation about the landscape of feminine desire in a way that was unprecedented. Today, *My Secret Garden* remains one of the most iconic works of feminist literature of our time—and is still relevant to millions of women throughout the world. “The author whose books about gender politics helped redefine American women’s sexuality.” —The New York Times

She Comes First - Ian Kerner 2019-10-10

Did you know that the clitoris has 8000 nerve endings, twice as many as the penis? Here is everything you’ve wondered about the female orgasm and how to make it happen. A witty, well-researched and revealing guide to giving your lover an orgasm every time. More than just foreplay, Ian Kerner argues that oral sex is the key to a great sex life for both partners. Short sections cover philosophy, technique, step-by-step instructions and detailed anatomical information, essential to both beginners and experienced lovers. 'It's time to close the sex gap and create a level playing field in the exchange of pleasure, and cunnilingus is far more than just a means for achieving this noble end; it's the cornerstone of a new sexual paradigm, one that exuberantly extols a shared experience of pleasure, intimacy, respect and contentment. It's also one of the greatest gifts of love a man can bestow upon a woman.' Ian Kerner

Why Women Have Better Sex Under Socialism - Kristen Ghodsee 2018-11-01

'Funny, angry, urgent. Ghodsee is going to start a revolution' Daisy Buchanan, author of *The Sisterhood* A witty, fiercely intelligent exploration of why capitalism is rigged against women and what we can do about it. Unregulated capitalism is bad for women. Socialism, if done properly, leads to economic independence, better labour conditions, better work/family balance and, yes, even better sex. If you like the idea of such outcomes, then come along for an exploration of how we can change women's lives for the better.

Exploring the Biological Contributions to Human Health - Institute of Medicine 2001-07-02

It's obvious why only men develop prostate cancer and why only women get ovarian cancer. But it is not obvious why women are more likely to recover language ability after a stroke than men or why women are more apt to develop

autoimmune diseases such as lupus. Sex differences in health throughout the lifespan have been documented. Exploring the *Biological Contributions to Human Health* begins to snap the pieces of the puzzle into place so that this knowledge can be used to improve health for both sexes. From behavior and cognition to metabolism and response to chemicals and infectious organisms, this book explores the health impact of sex (being male or female, according to reproductive organs and chromosomes) and gender (one's sense of self as male or female in society). Exploring the *Biological Contributions to Human Health* discusses basic biochemical differences in the cells of males and females and health variability between the sexes from conception throughout life. The book identifies key research needs and opportunities and addresses barriers to research. Exploring the *Biological Contributions to Human Health* will be important to health policy makers, basic, applied, and

clinical researchers, educators, providers, and journalists-while being very accessible to interested lay readers.

The Kama Sutra of Vatsyayana - Vatsyayana 2021-08-29

The Kama Sutra of Vatsyayana Vatsyayana - The Kama Sutra of Vatsyayana by Richard Francis Burton is an edition of the ancient Indian text on sexuality and emotional needs. Vatsyayana was an ancient Indian philosopher who lived during the second or third century. Although it is often thought of as a sex manual, it is much more, with guides on living well, the nature of love, and finding a partner. Indeed, Vatsyayana says himself: 'This work is not to be used merely as an instrument for satisfying our desires'. Burton did not in fact translate the Kama Sutra - it was translated by the Indian scholar Bhagwan Lal Indraji. It was edited by Burton to suit prevailing British attitudes to sex, but was still banned in England and the United States until 1962. Other criticisms levelled at Burton's translation

is that instead of using English words for the sex organs, he uses the words 'lingam' and 'yoni', despite those words not appearing in the original work. This was seen as an attempt to distance them and make them 'other', rather than about English people's sexual organs. He also removes the agency of women, and where in the original, women's words are direct quotes, in the Burton translation, women's words are removed and put into the passive state (i.e., A woman saying 'Stop!' becomes 'She continually utters words expressive of prohibition'). Despite all this, it has been such an influential translation that even modern editions in the Hindi language are re-translations of the Burton version. The Kama Sutra is an ancient Indian Hindu text widely considered to be the standard work on human sexual behavior in Sanskrit literature written by Vatsyayana. A portion of the work consists of practical advice on sexual intercourse. It is largely in prose, with many

*Downloaded from

inserted anustubh poetry verses. "Kama" which is one of the four goals of Hindu life, means desire including sexual desire the latter being the subject of the textbook, and "sutra" literally means a thread or line that holds things together, and more metaphorically refers to an aphorism (or line, rule, formula), or a collection of such aphorisms in the form of a manual. Contrary to popular perception, especially in the western world, Kama sutra is not exclusively a sex manual; it presents itself as a guide to a virtuous and gracious living that discusses the nature of love, family life and other aspects pertaining to pleasure oriented faculties of human life.

The Five Love Languages - Gary Chapman 2009-12-17
Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and

speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on fivelovelanguages.com. The Five Love Languages is a consistent New York Times
