**Beyond the Breakup** - Andrew Aitken 2015-04-21

Written by a man with extensive experience on the topic, Beyond the

Breakup explains how men think about breakups, their ex-girlfriend, and how they perceive her behavior in the wake of a relationship's end. It

also explains the implications this has for girls who are going through a breakup: what will and won't have an emotional effect on him, how to maximize your chances of getting him back, how and when you should contact him, what you should (and shouldn't) say, how to deal with seeing him again, and much more. The list of the chapter titles below give a good overview of the content. This book is not written for women with a weak spirit. It isn't going to tell you how to mitigate the pain you feel in the wake of a breakup, and it isn't going to tell you that everything is going to be fine. And while it will tell you how to maximize your chances of getting your ex back, it isn't going to pretend that there are any 'tricks' to make that outcome likely. However, it will do something much more important: it will give you a strong insight into your ex's state of mind and male psychology in general. This will give you the foundation you need to navigate the breakup and - more importantly - propel yourself into honest and successful relationships with the men in your future. Chapter List: Introduction PART I - UNDERSTANDING WHAT HAPPENED Men Don't Fall in Love the Same Way Women Do The Analogy Between Sex and Commitment Why This Always Happens to You Changing Your Perspective Why You Didn't See It Coming Men Don't Have "Commitment Problems" The Difference Between Liking You and Liking You Enough Why Men "Fade Out" You Weren't Dating Him in the First Place The Small Things Didn't Matter Anyway Why Your Ex (Who Dumped You) Is Still Contacting You Your Ex and Guilt Your Ex and Pride Your Ex and Decisiveness Interpreting His Emotions What's Going Through His Mind PART II - HOW TO HANDLE THE BREAKUP The Importance of Silence after a Breakup No, You Can't Be "Just Friends" How to Know If You Should Cut Him Off Why It's Never Too Late Why You Should Tell Him That You Are Cutting Him Off What to Say Managing Your Expectations When You Should Fight to Save Your Relationship Exceptions to the Rule How to Know If You Should Dump Him First When He Cheats The Anatomy of Missing Him PART III - FOLLOWING THROUGH WITH THE BREAKUP Making Him Jealous Doesn't Work Seeing Him at Work Being Connected with Your Ex on Social Media Returning His Things and Getting Yours Back What to Do

**Retroactive Jealousy** - M K Kenny 2021-01-19

The purpose of this book is to inspire and help you regain control of your behavior and emotions, to abandon unwelcome thoughts, to break the vicious circle of destructive behavior, and to get rid of retroactive jealousy. On the way, I found that there was no simple solution, and there was no way to overcome retroactive jealousy overnight. "There are no miraculous solutions or 'instant therapies', although some snake oil sellers may want to tell you. Instead, it involves a lot of introspection, hard work, dedication, humility, strength, courage and desire to see you and your partner in a new and healthier way. For most individuals, "overcoming retroactive jealousy" means that they can control their behavior and emotions, rather than letting jealousy determine their thoughts and feelings and their behavior. Most individuals in relationships are at least a little jealous of their partner's past, but that doesn't change their lives. Individual will never be, 100% jealous, but got somewhere in your life obsessive problems and obsessive-compulsive thinking patterns have disappeared, and while occasionally jealous of your ex-friend's past, it has nothing to do with you. When negative thoughts come up, you look at them - they're evasive, not particularly brilliant or interesting - and change your perspective and focus your attention on them. From the perspective of heterosexuality in monogamy. However, I am more convinced that this guide can help men, women, bisexuals, people in 'open' or multiple relationships, or any kind of relationship. Anyone can have retroactive jealousy, and I think anyone can overcome it with the right tools. In my research on this subject, I found that there is an occasional difference between the retroactive

jealousy experience of a typical man and that of a typical woman. However, there are many overlaps in the solutions. This article will not be read for a long time. I try to be brief and to the point. I strongly recommend that you read this book. My messages are sometimes short and complex, so it's a good idea to read this book one more time. Before you start, you have to know that you give up jealousy and go back to your life. You have control over your brain and obsessive-compulsive questions and patterns of obsessive-compulsive thinking. You just need to know how to be your partner in the face of jealousy.
