Welcome to Fae Cafe - Jennifer Kropf 2023

There are ten golden rules to follow if you want to survive an encounter with a fae: 1) Don't ask their name.2) If they ask you what your name is, lie.3) Avoid looking directly into their eyes.4) Don't invite them to your book club.5) Don't instigate a snowball fight.6) Never let them burn their mouth on coffee.7) Don't ask them where they're from.8) Don't tell them where you live.9) Never mention their queen.10) Don't try to kill them with an ordinary human gun. If you fail to do any of these things, enslave them immediately. On a cozy fall morning, Kate Kole is nestled in a coffee shop in the city of Toronto reading her favourite novel when she accidentally kills a guy who's being rude to the coffee shop's cashier. Unfortunately for Kate, the person she killed was a fae assassin of the North Corner of Ever, visiting the human realm in secret. From there, four deadly fae assassins come to the human realm to hunt her down for breaking a fairy law and killing one of their own. Leading them is Prince Cressica Alabastian, the most feared and deadly fae assassin of the North and heir to the North Corner of Ever. After the assassins arrive in the human realm, things go terribly wrong. To Prince Cressica's horror, his assassins unwittingly get roped into running a cozy café on Kate Kole's behalf. To blend in, the fae assassins are forced to learn how to do basic human activities like cleaning up after themselves, driving without road rage, reading popular fantasy books at book club without getting into alpha male fights over what they're reading, and in general, be nice, all to blend into regular human society. With a temper like no other, and deadly power that's unmatched, Prince Cressica seeks to get revenge on Kate Kole. But as he aims to strike where it will hurt her the most, the Prince finds himself enchanted by his human target in more ways than one. And when the darkness of the Ever Corners comes knocking at the human realm's door, he needs to make a choice that could cost him everything. WELCOME TO FAE CAFÉ is like Holly Black's tricky FOLK OF THE AIR schemes meeting your grandmother's freshly baked chocolate chip cookies. With a sweet, comical romance and relatable slice-of-life moments colliding with manipulative fairy games and deathmatches, this book puts a spin on the typical fae stories readers know and love and aims to be the coziest rom-com fae book of all time. This book may leave you with answers to questions you never know you wanted to ask, such as, "How many fae assassins does it take to screw in a lightbulb?" With coziness for days, WELCOME TO FAE CAFÉ is a new spin on some of the most popular fae fantasy tropes, in a setting where fae most definitely don't belong. If you liked

BAD BOYS AND NICE GUYS AMONG US! - KUKUH B I

There are three major warnings before you read this book: 1. This is not a PUA book. This book is very short since this is not a romance. This is not a best selling book. This book is cheesy. This book can not transform you into a bad boy who always gets the woman of his dream. This book is not about how to maintain a happy relationship. This book will not make you a playboy. This book can not make a woman falls in love with you. 2. Plain simple and doable manual on how to date for a shy guy or nice guy. No coach required. You will date a woman before finishing this book. You don't have to be a bad guy or a bad boy, whatever. You will be addicted to talk to women. You will be a good lover. 3. You will thank me. You will be my cult follower. There will be no sequel. Read it and you'll be lonely no more!

God in a Cup - Michael Weissman 2011-06-01

Follow the ultimate coffee geeks on their worldwide hunt for the best beans. Can a cup of coffee reveal the face of God? Can it become the holy grail of modern-day knights errant who brave hardship and peril in a relentless quest for perfection? Can it change the world? These questions are not rhetorical. When highly

prized coffee beans sell at auction for \$50, \$100, or \$150 a pound wholesale (and potentially twice that at retail), anything can happen. In God in a Cup, journalist and late-blooming adventurer Michaele Weissman treks into an exotic and paradoxical realm of specialty coffee where the successful traveler must be part passionate coffee connoisseur, part ambitious entrepreneur, part activist, and part Indiana Jones. Her guides on the journey are the nation's most heralded coffee business hotshots: Counter Culture's Peter Giuliano, Intelligentsia's Geoff Watts, and Stumptown's Duane Sorenson. With their obsessive standards and fiercely competitive baristas, these roasters are creating a new culture of coffee connoisseurship in America—a culture in which \$10 lattes are both a purist's pleasure and a way to improve the lives of third-world farmers. If you love a good cup of coffee—or a great adventure story—you'll love this unprecedented up-close look at the people and passions behind today's best beans. "Weissman illustrates how the origin, flavor compounds and socioeconomic impact of a cup of coffee are relevant now more than ever. . . . Tagging along behind the main characters in today's specialty coffee scene, [she] travels from the exotic to the expected to artfully deconstruct the connoisseur's cup of coffee." —Publishers Weekly

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Show Your Work! - Austin Kleon 2015-11-04

Kata Edgar Allan Poe, sebagian besar penulis takut jika proses berkaryanya diketahui orang lain. Sementara itu, Pablo Picasso kerap membuat orang yang berkomunikasi dengannya justru kehilangan

energi dan motivasi berkarya. Ya, keduanya memang maestro legendaris, tapi sekarang bukan saatnya lagi berkarya ala mereka. Bukan juga zamannya Mozart sang genius musik. Ini eranya kamu, siapa pun kamu, bisa berkarya! Lalu, apa kuncinya? Tunjukkan saja. Di zaman keterbukaan ini, semua orang punya kesempatan sama untuk jadi hebat. Jangan sembunyikan proses kreatifmu. Undang orang-orang untuk melihatnya. Jangan khawatir kritik, karena itu bahan pelajaran buatmu. Ide yang menurutmu tidak menarik, siapa tahu luar biasa bagi orang lain. Lebih dari itu, karyamu juga bisa menginspirasi orang lain. Jadi, tunggu apa lagi? Tak perlu ragu atau malu. Berbagi karya membuatmu kaya! " ... Semakin banyak kamu memberi, semakin banyak yang kembali kepadamu."-Paul Arden [Mizan, Noura Books, Karya, Hidup, Berkarya, Kerja, Indonesia]

The Driveway Rules - Marc Sander 2020-01-28

The Driveway Rules is my book of memoirs. It focuses on my struggles when it comes to dating but also has fun entries about various adventures in my life. This book is poignant, philosophical and humorous. Next to penicillin laughter is the best medicine.

Coffee Shop Girl - Katie Cross 2023-02-08

The First book in the Coffee Shop Series! Bethany: This coffee shop is going to kill me. Sure, it's my dad's dream. If he hadn't died eight months ago, I wouldn't be here, a college drop out, trying not to drown in debt. Nor would I be staring into the muddy eyes of a viking-sized man that's telling me everything I'm doing wrong-as if he knows so much about business in a small mountain town. Except he does. And when the biggest, most unexpected surprise of all falls in my lap, I'll have no choice but to ask for his help. Time for some power lipstick. Maverick: This girl is drowning. She might have eyes like glacier pools and hair so black it's glossy, but that doesn't mean she knows how to run a coffee shop. She's drowning in more than debt, interest, and credit card payments. She'll never make it. But I kind of want her to. Because underneath that bright lipstick and those sun dresses is a woman that I have an uncomfortable feeling is about to rock. my. world. This is a clean, contemporary romance with sizzle and spice-but no sex scenes. Guaranteed bantering and happily ever after.

Towpath - Lori De Mori 2020

A lot has changed since Towpath first rolled up its shutters 10 years ago on the Regent's Canal in Hackney

and everything but the toasted cheese sandwich was cooked from home across the bridge. And a lot hasn't. It is still as much a social experiment as a unique and beloved eatery. What happens when seasonality means you close every year in November, because England's cold, dark winters are simply inhospitable to hospitality from a little perch beside a shallow, manmade waterway that snakes through East London? What if you don't offer takeaway coffees in the hopes that people will decide to stay awhile and watch the coots skittering across the water? If you don't have a phone or a website, because you'd rather people just show up like (hungry) kids at a playground? Towpath is a collection of recipes, stories and photographs capturing the vibrant cafe's food, community and place throughout the arc of its season - beginning just before the first breath of spring, through the dog days of summer and culminating - with fireworks! - before its painted shutters are rolled down again for winter.

The Art of Asking - Amanda Palmer 2014-11-11

Rock star, crowdfunding pioneer, and TED speaker Amanda Palmer knows all about asking. Performing as a living statue in a wedding dress, she wordlessly asked thousands of passersby for their dollars. When she became a singer, songwriter, and musician, she was not afraid to ask her audience to support her as she surfed the crowd (and slept on their couches while touring). And when she left her record label to strike out on her own, she asked her fans to support her in making an album, leading to the world's most successful music Kickstarter. Even while Amanda is both celebrated and attacked for her fearlessness in asking for help, she finds that there are important things she cannot ask for-as a musician, as a friend, and as a wife. She learns that she isn't alone in this, that so many people are afraid to ask for help, and it paralyzes their lives and relationships. In this groundbreaking book, she explores these barriers in her own life and in the lives of those around her, and discovers the emotional, philosophical, and practical aspects of The Art of Asking. Part manifesto, part revelation, this is the story of an artist struggling with the new rules of exchange in the twenty-first century, both on and off the Internet. The Art of Asking will inspire readers to rethink their own ideas about asking, giving, art, and love.
