[Nellie from Newport](#) - Nora Nolan 2021-05-17
Nellie Lancaster has been raised by her over-indulgent widowed father and it shows. She is known to be rude, arrogant, and so spoiled that no man within fifty miles is interested in courting her, much less marrying her. When her father grows terminally ill, he has to face the fact that it was his fault she turned out that way and it's up to him to remedy the situation before he dies. He calls upon an old friend and business advisor from Big Rock to come help him liquidate his estate. He also wants Philip to take Nellie back to Big Rock with him and find a husband for her. They all know any man set on

marrying Nellie has his work cut out for him. Wes Hollicker has been in Big Rock less than two years, but it's been long enough to build a successful cattle ranch. It is so successful that he has detailed plans of how to expand and nearly triple the size of his business within three years. He only lacks one thing to make his life happy: a wife. The first time Wes hears about Nellie, he sets his sights on her. So what if she has more spirit and fire than other men are willing to handle? Wes likes fire. He likes it a lot. Publisher's Note: This historical western romance contains a theme of power exchange as Nellie and Wes get to know one another.

Heavenly Wisdom - Dragan P. Bogunovic
2013-07-08

In this book it is not my intention to teach anyone but only to incite everyone to think about, to speak about and to recommend in order improving life for entire humanity independent, of race, color, ethnicity, languages or religion for everyone to become in agreement according to its given gift, which is powerful Spirit of love, what we call talent. It is not my idea that proves that, but myriad of humans as modern prophets that by their work witnessed for real life directed by the powerful Spirit of love call talent is only one way only one direction toward goodness for entire humanity, which pleases only One whom we call Great Creator. We may call it as universal secular religion or secular ideology as you wish which is universal and founded on free gift, given talent and responsibility while divine religion is religion of

individuals gathered in the congregation founded on faith and obedience, while both are blessed with the power of love. It is true and is easy to understand that life that is directed by the given talent as a life purpose for the love toward One who sent you to do it and for devoted love for entire humanity as a fulfillment of first law to love your Great Creator and not only your neighbor but entire humanity to be like sun that shine from above for all and rain that comes for above for all as a HEAVENLY WISDOM An end I would like to hear from you about your opinion and suggestion in order to further improve that given program suggested from many and for goodness for entire humanity.

ALPHA MALE DATING the Essential

Playbook - Sean WAYNE 2021-05-15

□ There's no reason in the world why you can't have that fine woman on the other side of the room. If you were aware of her body language and had you been prepared mentally, you'd know exactly how to seduce her □ If you had read Alpha Male Dating The Essential Playbook, you wouldn't be across the room right now, not way over there, staring at her like an imbecile. You'd know exactly what to do and you'd have all the confidence to turn a lonely night into an exciting evening or a long-term relationship. No woman

is too good for you. You've watched her, observed her moves and know exactly what to do. Now she's in your sights. What's more, she's unaware that you're about to sweep her off her feet. You know all these things because you've been reading her body language, and you're aware she's into you because you've been reading her like a book. Here's just an excerpt of what you'll discover inside: □ There's no mystery how you're going to make initial contact, scoop her up and take her to the night of her dreams. □ You carry yourself like a man, like an Alpha Male, confident, assured and with purpose. □ There's no stutter step or miscue. She's simply astonished at how you came into her presence and maneuvered your way expertly into her full attention. □ You speak eloquently and you're respectful through and through. □ You're dressed well, full of interesting things to say. □ She's never met a man like you, a man who listens with intent and responds smartly. □ Moreover, you're respectful, know your

The Art of Deception - Kevin D. Mitnick
2003-10-17

The world's most infamous hacker offers an

insider's view of the low-tech threats to high-tech security Kevin Mitnick's exploits as a cyber-desperado and fugitive form one of the most exhaustive FBI manhunts in history and have spawned dozens of articles, books, films, and documentaries. Since his release from federal prison, in 1998, Mitnick has turned his life around and established himself as one of the most sought-after computer security experts worldwide. Now, in *The Art of Deception*, the world's most notorious hacker gives new meaning to the old adage, "It takes a thief to catch a thief." Focusing on the human factors involved with information security, Mitnick explains why all the firewalls and encryption protocols in the world will never be enough to stop a savvy grifter intent on rifling a corporate database or an irate employee determined to crash a system. With the help of many fascinating true stories of successful attacks on business and government, he illustrates just how susceptible even the most locked-down

information systems are to a slick con artist impersonating an IRS agent. Narrating from the points of view of both the attacker and the victims, he explains why each attack was so successful and how it could have been prevented in an engaging and highly readable style reminiscent of a true-crime novel. And, perhaps most importantly, Mitnick offers advice for preventing these types of social engineering hacks through security protocols, training programs, and manuals that address the human element of security.

Wild Times - David Bridger 2021-06-21

Magic is a marriage of hope and rebellion. It's everywhere in the world. Always has been. But in most of the world, it's unknown. People stopped using it, believing in it even, thousands of years ago, and hundreds of years ago, and tens of years ago. It seems that each culture and each generation rejects magic a bit more than the one before. Some cultures more or less than others, but the general trend is to ignore magic and eventually to forget it. In every culture, though, in every generation, there are people who don't ignore it. Some of them stick around in the normal world, and they are often

persecuted because of what they know, what they practise. But many don't stick around. They go into the Wild. A socialist hopepunk novel from a socialist author and a socialist publisher. A novel of hope for our times.

Ill Will - Anne Hutcheson 2012-11

For the last nine years, Penney Divan visited her gynecologist, received an "all's well" diagnosis, and was told to come back next year. But this year is different for this well-respected and busy high school principal who loves her work and lives an active lifestyle. This year, she learns she has breast cancer. The diagnosis places her, her family, and her friends on a roller coaster ride of questions, doubts, and emotions. Strong and independent, Penney finds herself facing the formidable throes of guarded diagnoses, treatment protocol dictates, and misguided concern. Her world teetering, Penney must grasp a newfound courage to discover she is her own best resource, supporter, and advocate. Diagnosed with a rare form of breast cancer,

Penney looks deep into her spirit to overcome her mounting terror and build a tenacity that can get her through biopsies, surgery, scans, treatment, her work, and her daily life. As she fights to maintain this spirit, those around her often take a surprising step back. In this first installment of three in the Cancer Chronicles, Penney emerges with a stronger sense than ever of who and what she is all about. *Ill Will* is geared toward cancer patients and others suffering from serious illness, their caregivers, both professional and nonprofessional, and by anyone who has ever asked, "What should I say and how should I act now that she has cancer?"

Retail Therapy - Amanda Ford 2002-09-15
Amanda Ford, the bestselling author of *Be True to Yourself*, now presents *Retail Therapy*, the ultimate guide to life -- through shopping! *Retail Therapy* is a playful yet wise look at the pleasures of shopping. Amanda Ford loves to shop, and she exuberantly shares the stories of her most memorable finds -- the perfect pink

sweater, a set of precious porcelain dishes, a dusty yet valuable antique. But she also shows how shopping allows us to examine deeper truths about our lives and what is really going on when money is spent. Chapters include "The Best Trends to Follow Are the Ones You Set Yourself," "We Never Know How Things Will Turn Out," "Be Thankful for What You Have," and "Some Places We Have to Go to Alone." Blending tales about her own experiences with life lessons, quotes, and advice, her message is ultimately about discovering your passions, taking care of yourself, and being conscious about decisions.

Chelsea and Rob are both looking for something, and if they can overcome the distances between them, unexpected tragedy and their own fears, they might just find a way to cherish their happily ever after in this sweep-you-off-your-feet romance. Author Lisa Renee Faust is a divorced mother from Mays Landing, New Jersey. With half of her family living in Mountain View, Missouri, that has always been a second home to her. Lisa enjoys spending time with her children and is busy at work on her second book. A romantic at heart, Lisa believes that true love is out there for everyone, if they are just willing to take a chance and find it.

Except on Sunday - Regena Bryant 2011-09-01
The Rev. Dr. Finus Gideon Gates is the charismatic, intelligent, wealthy and decidedly single favorite son of his denomination, the

Baptist Methodist Assembly, where it is a "truth universally acknowledged" by the senior choir that he needs a wife. He thinks his reasons for not dating are a closely held secret. But every single woman in the Assembly and her mother know why he's not dating, and they are working overtime to get him to change his mind. When Dr. Cassandra Brownley, a shy, sensible high school principal, accepts a consulting project with the BMA, she is caught between two opinions regarding the project's leader. The Rev. Dr. Gates is pompous and condescending from the pulpit and she can't stand him. Away from church he's witty, warm and wonderful. Can she love him-except on Sunday?

Happily Ever After - Gary Chapman 2011-12-09
"My husband and I can't seem to agree on anything!" "You spent how much!?!?" "My wife's parents are driving me crazy!" "You never listen to me!" Let's face it—even the best of marriages hit an occasional bump in the road now and then. The secret to marital bliss lies in how you

and your spouse handle those bumps. In *Happily Ever After*, Gary Chapman, the man “who wrote the book” on how to communicate with your spouse, shows couples how to successfully navigate the six most common problems that couples face: fighting fair, negotiating change, managing money, getting along with your in-laws, raising kids, and maintaining a healthy sex life. Drawing on more than 30 years of counseling experience, Dr. Chapman provides real-world examples and practical, battle-tested advice that will help you and your spouse better understand and communicate with each other as well as grow as a couple for many years to come.

Insane Circumstances - Brenda Smith

2012-03-02

Brandi L. Brown hears the fate of a college student who experiences hazing and is leaving the college because it is more than she can bear. Images of the distraught young lady evoke memories of her own college days, ones that had lain dormant for a couple of decades. She leaves

work with the intent of writing a letter of consolation to the university student who is returning home. Under the watchful eye of her husband, she begins to tell her own story. The protagonist's own story takes place during early integration, and she is among the first colored students to get a scholarship to Claxville University. Her parents do not want her to attend, but she does. While at the university she does experience some hazing and other acts that support her parents' arguments about her being unable to succeed at the college. There are also wonderful experiences and good friends to be had, an interracial relationship with a fellow university student (one that is brief, but poignant, passionate, and one that she cannot tell her parents about.) Brandi also has a chance meeting with a taxi driver who proves to be more than that. Thaddeus Jerome Pennington becomes her friend, that listening ear that she needs, and soon is the love interest and support she needs to continue at the school. The story

has chapters like the Bus Ride, which tells of her trip to the school; Wash Day Folly in which some girls in the dorm steals her underwear from the laundry room; Cross Cultural Comparison Class (CCCC) which starts out comparing romance languages and culture, but soon turns to a comparison of Brandis culture with that of her classmates; and Flo, which helps the reader know who Taxi really is. Insane Circumstances has twenty-two chapters which aid the reader in knowing Brandis story and comprehending how it would serve to help the injured girl. Each action causes a reaction; some that she is proud of and some that she is not so proud of. When the story begins, it is Brandi Leigh Browns story. As events happen, the male character (Taxi) frequently appears. Soon, the novel becomes her story, his story, and their story. In spite of the acts of hazing, etc., she does succeed. She does graduate, and marry this man who becomes her friend for a lifetime. And Thaddeus is there to support her when she writes the letter to the girl

she had seen on television, the one who enacted all the memories that lay dormant for so long. Insane Circumstances starts with the desire to write a letter of support to the girl who experienced hazing, and ends with the actual letter.

Wisdom - Jesse J. Thoma 2021-12-14

Wisdom is knowing which battles are worth fighting. Sophia Lamont is the youngest representative her state has ever seen. She's determined to leave her mark on day one. Old school politics won't dare stand in her way. As a prison guard, Reggie Northrup has seen the system fail to provide healing for families or rehabilitation for offenders. She closes herself off emotionally to do her job, but it costs her more than she knows. When Sophia and Reggie are chosen for the governor's new community design team and tasked with tackling substance use and mental health issues, battle lines are drawn even as sparks fly. that she had denied. Forced to now confront issues related to her forgotten sexuality, jealousy and the complicated relationships with her best friend, Ziya and husband, Kumar, Nidhi begins to see herself in a new light. As illusions start to fade, she is keen to live a more authentic life and become a better version of herself, while equally embracing her flaws and vulnerabilities, knowing none of these define her. The question remains- Will she make it alive to life differently? The Hangover of Choices is an engaging story, which will surely make the readers ask- If I was on my deathbed, what would I see?

"Debut novel about a wealthy man who has reached a crossroads after a lifetime of repression and denial, sending him--and his family--into a slow spiral towards a total breakdown"--

Computational and Corpus-Based Phraseology - Gloria Corpas Pastor 2019-09-18

This book constitutes the refereed proceedings of the Third International Conference on Computational and Corpus-Based Phraseology, Europhras 2019, held in Malaga, Spain, in September 2019. The 31 full papers presented in this book were carefully reviewed and selected from 116 submissions. The papers in this volume cover a number of topics including general corpus-based approaches to phraseology, phraseology in translation and cross-linguistic studies, phraseology in language teaching and learning, phraseology in specialized languages, phraseology in lexicography, cognitive approaches to phraseology, the computational treatment of multiword expressions, and the development, annotation, and exploitation of corpora for phraseological studies.
