Kama Sutra Amelia Reid 2020-05-11 Do you find your sex life boring? Do you want to explore more positions and know the benefits Kama Sutra? If the answer is yes, then this book is the right book for you! The word Kama is one that means pleasure but can also be translated as desire or longing. There is a sexual connotation associated with the word, meaning it is more to do with sexual pleasure and desire than with the pleasures of life or desire for material goods, but that doesn't mean that the Kama Sutra as a whole is limited to only sexual pleasure. Sutra, on the other hand, translates to verse or scripture. When you put these words together, you get the translation of "Scripture of Pleasure", but there are many variations on how you can literally translate this. There are a lot of complexes, errors and false moral prohibitions on the way to sexual harmony and freedom. And this is not surprising, because we are all people of Western culture. Meanwhile, Eastern attitude to sensual love is radically different from the sexual culture of the West. In Hinduism, the body and spiritual life, sexuality and religiosity were initially considered to be the whole unit. All the ancient oriental treatises on the art of love were devoted to the spiritual side of sex, and the Kama Sutra is perhaps one of the most famous. Today, the Kama Sutra is an inspiring guide for millions of couples, helping them learn how to control their mind and body, emotions and passion, allowing them to find freedom and harmony in intimate life. In this book, we will tell you what the Kama Sutra is, what place takes love and intimacy in it. We will also look at some topics such as Foreplay and Flirting which will open to you many practical techniques for maintaining increased sensual attraction. By reading this book you will find a complete arsenal of all sexual positions presented in the Kama Sutra. This book covers: For Beginners and Advanced Easy Positions Special Sex Positions Man Dominates Positions Woman Dominates Positions Intermediate Sex Positions Sex Positions For Maximum Intimacy Advanced Sex Positions Benefits Of Kama Sutra Foreplay and Sex Orgasm ...And much more We want to introduce readers to magical sexual rituals, techniques for delaying orgasm, oral sex and other aspects of sexuality. Our goal is to convey the knowledge that is contained in the Kama Sutra, in a simple and clear language, in a form fully adapted to the perception of the person of our day. Step by step, our book examines all the natural

steps of sexual intercourse between a man and a woman - from the first kisses and lovemaking to the secrets of an incredible orgasm. The diversity of techniques and methods included in this book will not allow your relationship to turn into a routine. Vice versa, you can constantly discover more and more new sensations that have never been experienced before. It will not be too hard to master these tricks, and the outcome will exceed all your expectations. So, if you want to completely reveal your sexual potential and become a tireless, amazingly inventive lover, then this book is what you need! SCROLL UP AND BUY NOW!

Sex Bible for Women Susan Crain Bakos 2008-07-01 Most books on sexuality teach women that satisfying their partner is the key to a great sexual experience. However, for most women, great sex is predicated on understanding their own bodies and desires first. Moreover, a woman's sexual desires and preferences aren't fixed—they are greatly impacted by physical changes such as pregnancy, menopause, and hormonal fluctuations. This sensual yet practical guide provides a comprehensive overview of all the sexual options available for women throughout their lifetime. Intrepid sex journalist and expert Susan Crain Bakos shows women how to sexually satisfy themselves and their partners, through masturbation, touching, oral sex, and intercourse. Racy, full-color photographs instruct women on positions, foreplay techniques, and how to use sex toys on themselves or others. Women gain a deeper understanding of their own unique physiology, how to achieve orgasm, and how to stay healthy as they explore different sexual options.

You can be sure that this book has the details you need to know to make your sex life more vibrant and exciting. There is always the first time in doing something, and sex or intercourse is not an exception. People have assumptions that sex is about having a penis inside the vagina or in the anus, but sex is much more than penetration. The truth is that sex should come in different ways to make it more exciting and to help build the intimacy bond. You must realize that every sexual partner must be having different sexual experiences and expectations. When someone accepts to have sex with you, they are giving you a chance to provide them with a good experience because sex is one of the things that should be enjoyable. This book was written to illustrate the different sex positions that one can use to maximize the opportunity of creating

unforgettable sex. An area that seems to have some misunderstanding is that sex is a man's demand but a woman's willingness. That is a deception that needs correction because sex should be fun to both the woman and the man. Some people often find it hard to want to try something new, such as a new sex position. You must spice up your sex life by doing it differently and being curious and creative with your sexual practice. This book has been put together to help you and your partner to learn and practice the unique instructions and advice that will send you to a different world of sexual experience. Sucking Him Bella Mckenzie 2016-09-25 Sucking Him - A Woman's Guide To Giving Head (+50 Tips & Techniques To Pleasure Your Man) Grab this GREAT physical book now at a limited time discounted price! Let's face it... Men love blowjobs! The act of a beautiful feminine woman kneeling below a man while she sucks on his sacred sexual member with pure passion and joy is an absolute dream for most men. A woman that knows what she is doing while performing fellatio is able to connect with her man on a far deeper level. She can make her grown man moan, beg, and shake at his knees, all at the expense of the tricks she can perform with her mouth, tongue, and hands. A blowjob for a man is the ultimate expression of love. Having the woman of his dreams caress his genitals to the point of an intimate, sensual and mind-blowing ejaculation, is a feeling that is beyond words for any man to describe. Unfortunately, for many men, it can often be difficult to find a woman who is internally "strong" enough with a high enough level of "self-confidence" that enables her to feel comfortable performing fellatio, which many people view as a "vulnerable" act on the woman's part. A lot of women will not even perform oral sex on their partners, for various reasons: they consider it taboo, lack the confidence, fear of putting genitals in their mouth, religious reasons, etc. And for those women that are confident and comfortable giving blowjobs, unfortunately the majority have no idea what they are doing, and they don't even realize it! This is a huge problem! Not just for men that are excluded from receiving this incredible sensual experience, but also for women. Women may have trouble connecting on a deeper level with their partner, because of their insecurities around performing fellatio, or in most cases, they lack the skills to give their partner a truly enjoyable, mind-blowing blowjob. I believe this is a result of our poor sexual education in schooling systems, and the way that sex and various sexual acts are portrayed by our media, religion(s) and culture(s). Because of these negative factors, most women do not bother to further improve their oral sex skills or partake in the act at all! In this book, I will teach you how to "master" the art of fellatio. You will learn techniques that your man has never experienced from any other woman before. You will learn tricks outside the physical act of just the blowjob, such as; how to tease your man, and how to create a sexy, seductive build up to make him desperately need you! These acts alone will have your man on his hands and knees literally begging you for your blowjob while he tries to keep his erect penis hidden in his pants. Here Is What You'll Learn About... How Giving A Blowjob Leads To Better Sex Why Blowjobs Are The Ultimate Expression Of Love For Men Where And How To Touch Him Learn About His Penis And His Most Sensitive Areas For Pleasure Teasing Him Before The Blowjob 50 Techniques & Tips To Give Him The Best Sensual Blowjob He Has Never Had Learn The Art Of The Tantric Blowjob Experience How To Literally Make Him Cum Harder (Produce More Semen During Ejaculation) Than Ever Before! The Cunnilinguist includes the latest scientific research alongside firsthand advice from a woman with experience on both ends of the tongue. Edited and Foreword by sexuality educator Susan Harper, PhD Selected excerpts below: What this book has turned out to be is even more exciting that I had ever hoped. Working closely with Alex to craft a guidebook that could be used by anyone who wants to learn to give or receive good cunnilingus, regardless of gender, has been an adventure. I especially loved that this book focuses on the experience of oral sex for both the giver and the receiver. I love that with The Cunnilinguist, Alex has chosen to open up the discussion to anyone who wants to give oral sex to someone with a vulva, and anyone with a vulva who wants to receive. There's such a need for writing about sex that recognizes trans, nonbinary, and intersex people, and I think this book does an elegant (and fun) job of broadening the conversation beyond cisgender bodies. The Cunnilinguist is the kind of book I wish I'd had available to my Sociology of Sexuality students. It manages to be both informative and well-researched while also being a fun, irreverent frolic. The description of the vaginal / vulvar / clitoral anatomy is worth the cover price alone, given how many people who possess these structures don't know what they're called or how they work. This refreshingly modern guide takes the business of giving and receiving pleasure seriously, but never takes itself too seriously. It's full of orgasm-inducing tips and techniques for both giver and receiver, presented with equal doses of good humor and practical, usable information. -Susan Harper PhD The Ultimate Gift for Your Lover? Could this be the ultimate gift? Christmas, birthday or any-day gift? Man, woman, transgender; bisexual, straight, fluid; single, dating, married; polyamorous or monogamous. Regardless of gender, sexuality, relationship status or anything else, if you're someone who would like to improve your experience of giving or (and?!) receiving cunnilingus this "refreshingly modern guide" on how to please, pleasure or be pleased might just be the gift you're looking for. Enjoy!:) #TheCunnilinguist

That's what this book is about. It's about the stuff you need to know that no one bothered to tell you. It's about freeing yourself to get to that better sex and having that better sex. Exploring subjects such as exhibitionism, repression, and oral sex, *Good Sex-A Woman's Guide to Losing Inhibition* is a must-read for anyone seeking a more fulfilling, less inhibited sex life.

Art of Oral Sex Ian Denchasy 2007-11 There is no right or wrong way to have an orgasm. While some people might just think that oral sex is an extension, or precursor to intercourse, it really is an erotic art -- and therefore must have an artistic flair! The Art of Going Down will explore techniques that will give you the confidence and skills you need to become a master in the precise art of cunnilingus or fellatio. The book will explore the often misunderstood topics of the male and female genitalia, and explain why the female orgasm is a much more complicated affair than the male orgasm. The Art of Going Down will discuss topics such as oral sex props, positions, how to discuss it with your partner, as well as tips, sidebars, and testimonials from both men and women. It will also include 30 full-color photos, shot on location to imbue the book with an erotic and contemporary angle. Some people consider oral sex even more intimate than intercourse -- so the mastery of this art is essential!
