Ponderosa Resort Volume 1: Books 1-3 Tawna Fenske 2023-09-13 The Ponderosa Resort Romantic Comedy Series invites you to small-town Central Oregon where two sisters work to get their reindeer ranch up and running while the siblings down the road transform their late father's ranch into a luxury resort (all while getting to know each other because they grew up with different moms. Er, Dad got around). Fans of laughter, tears, and tingly bits will love this series from a USA Today bestselling author. This boxed set contains books 1-3 in the Ponderosa Resort series. About Studmuffin Santa (book 1) Ugh, Christmas. Not a fan. So why am I wearing a Santa suit and letting frisky moms paw me at a reindeer ranch? It might have something to do with the family crisis that drew me home between tours as a career Marine. Or maybe it's my urge to cozy up with the prickly reindeer rancher whose curves give me visions of something way hotter than sugarplums. Jade King isn't thrilled I'm here, and she'd be less thrilled to know her sister hired me to keep an eye on things. Someone's set on sabotaging the ranch, so I've got a built-in excuse to get close to Jade. I could swear the attraction's mutual, but something's holding her back. Some secret in her past that has her pushing me away like a bad batch of eggnog. It's almost as baffling as all these accidents at the King sisters' place. Seriously, who'd screw with a reindeer ranch? Between sexy Santa suit malfunctions and risqué Christmas cookies, Jade and I keep ending up under the mistletoe together. Is there any chance we can mesh our Christmas wish lists, or will it all crash down like a fat man in an iron sleigh? About Chef Sugarlips (book 2) I've loved Amber since I wore Batman Underoos, but she doesn't know I exist. Not until she knocks me unconscious with a dead turkey. Now I can't stay away, and it's only a matter of time 'til she learns my big secret. Not my recipe for beef bourguignon, but the secret one no one knows. Not even my siblings who've spent endless hours with me dreaming up our new luxury resort and oh yeah, getting to know each other since we grew up with different moms. But the more I'm with Amber, the surer I am she's my dream girl. Brains, beauty, and the business smarts to turn a reindeer ranch into a quirky wedding venue. Did I mention she's perfect? Then my mom shows up stewing like a pot set to boil over, and suddenly I'm not sure I can keep a lid on things. Can the guy in the white chef's hat be the hero who gets the girl and saves the day, or will it all fall flatter than a burnt soufflé? About Sergeant Sexypants (book 3) A 2019 RITA AWARD FINALIST! Bree Bracelyn doesn't date cops. That's a problem, since I am one. Also, I might be in love with her. But Bree's got a secret I can't figure out. Most folks lace up their goody two-shoes around cops, but Bree's don't fit quite right. There's a story there, but she's guarding it like a tiger with a pet zebra. And yeah, I know the guy jockeying for police chief should steer clear of a woman with skeletons in her closet, but I can't stay away. I'll find any excuse to visit the resort she owns with her siblings, even trotting out my charming pup, Virginia Woof. I'm not proud. Between hot springs hookups and grope-fests in my car, Bree's breaking her no-cops rule six ways to Sunday, and I'm grateful. But what'll it take to coax out her secret and convince her I'm not here to slap the cuffs on her? Not unless she asks me to.

Temporarily Disconnected Kelly Jackson 2006-11 Where is the love in the black community? Why can't our men and women get along anymore? What's really going on with our children? Have our parenting skills fallen to an all-time low? Have black music and movies begun to corrupt our children, who think so highly of these entertainers and look up to them? And if all of these things are true, what do we do now? The book *Temporarily Disconnected* offers a perspective on all of these things that will no doubt spark discussion, and may change the way some of us view these often difficult to understand issues. This book will give you an idea of how one man, still caught in the emotional and physical struggles of the black community, views the relationship and parental issues that we as blacks find ourselves facing on a day-to-day basis. There's no love like black love, and yet we have become so reluctant to give it. And when we do have it, it's so hard to hold on to. Our villages are still raising our children, but our villages are so corrupt now. From the perspective of one man, *Temporarily Disconnected* attempts to answer an unyielding question: Where do we go from here?

Choices Sonya D. Coe 2013-11-14 As Christian's, even after we are saved, sanctified and filled with the Holy Spirit, God continues to give us free will and the ability to make choices. Some of the choices we make are minor, others are major. Some of the choices we make are in response to a situation another person created and some of the choices we made in our past created the situation we are in right now. Whatever the situation, whatever the cause, the consequences of our choices are real. In the coming pages, you will walk through the lives of several people who are saved, sanctified and filled with the Holy Spirit yet still presented with everyday choices. They are destined for eternal life in heaven, but are still experiencing a metaphoric hell on earth because of the choices they are making. How will Christians respond to the pressures of life? How will they deal with everyday situations? Will they put their trust in God, in themselves or in other people? And will the consequences of their choices bring life or death, blessing or cursing?
