How to Make Him Fall in Love with You - James Kipton 2014-11-09

Keep in mind, a woman can do certain things in a relationship that actually make the difference between an engagement ring and a bad breakup. Now, while most guys won't admit it, the details that we will discuss really can make them fall head over heels in love with a woman. Of course you won't get a complete stranger to fall in love with you like this, but if you're dating a guy who's already expressed some interest in you, it will definitely help him see you in a lovable light and not want to let you go. These steps can help anyone give their man that final push from possibly falling in love to being in love and wanting to further cement their relationship into the future. Before we get started, I'd like to note that I'm not suggesting that you manipulate the guy you're dating in any way. Taking time to be honest with him and showing him every side of your personality is important. None of the recommendations in this book will suggest that you change any aspect of your natural-born personality. On the contrary, I'll explain how to show him that you are a perfect match for him exactly as you are. Let's get started!
