**Sara of Sumatra the Virgin Slave Girl of Cannibal Island** - Cal Pflugrath 2017-11-30

Talk about having a bad day. I'm kidnapped by rebels and sold to cannibals, for their full moon virgin sacrifice. Heading towards this dismal prospect, I discover my capture is no accident. These cannibals selected me, due to an incident ten years earlier, when my mother was brutally murdered. To save myself and others from the roasting grotto and butcher's block, I must solve this mystery.

*Losing It* - Kate Monro 2013-04-04

In an increasingly sexualised world, how we lose our virginity remains an untold story. Inspired by her Cosmopolitan award-nominated blog, The Virginity Project, Kate Monro sets out to ask men and women from every walk of life, how did it happen for you? *Losing It* brings together an astonishing collection of stories. From the experiences of Edna, who lost her virginity in 1940 aged 25, to Charlie, a young, disabled punk rocker whose first-time experience many able-bodied people would envy, Kate reveals the poignant, funny and often surprising truth about other people's most intimate sexual stories.

**The Virgin Girl** - Sabah Naji 2019-06-01

This is a message from the Virgin Girl: From here, I will start my life. From here, I will build a bridge, walk on it, go up to the top of the ranks that many people dream of, break all the barriers that stand in my way, and walk on it and then rise to the top and raise my head. I dream of a prosperous future a lot—one that can fill my life with joy and happiness and raise the reputation of my family. Yes, I was born to a low-income but respectable family, and I was subjected to the worst methods of persecution. I have received tempting offers from senior people in businesses about selling my beautiful body to them so they could relish it on quiet music strings and piano tones. I didn't care about the palaces filled with bliss I couldn't get, and I turned down all these offers and walked with a clean, pure, and flawless face to confront a bitter and difficult life. But I promised myself to strike hard at the one who hurt my family and me, who distorted my good reputation. I have a hellish internal power. I'm not going to show it right now, but I will unleash it in front of the one who thinks he can buy me with money. I lost my family, and I stayed alone and had no one in my life, but I will take revenge on the one who destroyed my life. I will raise the flag of triumph in the end. **Technical Virgin** - Hayley DiMarco 2006-07-01

Every teenage girl craves male attention. But how does she know when and where to draw the line? What if she's already stepped over that line? And how can she find her way back? In a culture where hookups and friends-with-benefits are commonplace, how far is too far when it comes to the physical? The technical virgin, a term becoming all too familiar with Christian teens, is someone who believes in abstinence but allows loopholes in their physical relationships, thereby compromising true purity. In this new book, Hayley DiMarco takes a look at what purity really is. With her straightforward, in-your-face writing, she shows girls - what they are really saying about themselves through their sexy actions - what happens when purity is reduced to a technicality - what words like abstinence and commitment really mean - what God says on the subject of purity With candid advice, personal insight, and tough truth from God's Word, Hayley DiMarco will help teen girls understand who they are so they can make informed, godly decisions about purity and sex.

A Virgin Heart - Remy de Gourmont 1925

*The Dilemma of an African Virgin* - Georges Kabongo-Mubalamate 2012-11

A compelling novel imbued with delicate sociocultural, psychological, philosophical and anthropological themes, *The Dilemma of an African Virgin* tells the story of two young African girls who rebel against the sexually oppressive traditions they are born into. Mishiyayi is a young girl who refuses to succumb to the temptations of premarital sex. Instead she maintains her faith in virtue, preserving her virginity like a precious bouquet she hopes to present to her husband one day. However as time passes and the tender man she has patiently waited for fails to materialize, Mishiyayi begins to despair both physically and emotionally. Odila is another girl who defies the sexually oppressive status quo of her station in life. At the age of 10 she runs away from her native village and its tradition of female circumcision, eventually taking refuge in Tshijimba. But while living amongst the Tshijimban women she discovers that they are silently enduring a different kind of traditional drama, one that she refuses to ignore. *The Dilemma of an African Virgin* is a captivating novel that exposes the deep-seated attitudes towards female sexuality in Africa and how they vary from tribe to tribe, village to village and clan to clan. Author Georges Kabongo-Mubalamate is a native of Africa who came to the U.S. in 1995 as a political refugee through the UNHCR. Currently a resident of South Portland, Maine, Georges is a scientist who works in biotechnology. Having spent more than 25 years writing this book, first in French, then in English, he's now working on a new novel dealing with the ordeal of American and European hostages in Africa. **Trends in Teenage Talk** - Anna-Brita Stenström 2002-01-01

Teenage talk is fascinating, though so far teenage language has not been given the attention in linguistic research that it merits. The dearth of investigations into teenage language is due in part to under representation in language corpora. With the Bergen Corpus of London Teenage Language (COLT) a large corpus of teenage language has become available for research. The first part of *Trends in Teenage Talk* gives a description how the COLT corpus was collected and processed; the speakers are presented with special emphasis on the recruits and their various backgrounds; ending with a description what the COLT teenagers talk about and how they do it. The second part of the book is devoted to the most prominent features of the teenagers' talk: 'slanguage'; how reported speech is manifested; a survey of non-standard grammatical features; the use of intensifiers; tags; and interactional behaviour in terms of conflict talk.

Six Reasons to Stay a Virgin - Louise Harwood 2003

They just need the ideal situation in which to get them together. But is he Nell's Mr Right, or someone else's? And what if they've got him wrong? Should Nell's virginity be lost, or should it be protected in a world obsessed with greedy gratification?

**The Consummate Virgin** - Jodi McAlister 2020-08-25

This book is a study of female virginity loss and its representations in popular Anglophone literatures. It explores dominant cultural narratives around what makes a “good” female virginity loss experience by examining two key forms of popular literature: autobiographical virginity loss stories and popular romance fiction. In particular, this book focuses on how female sexual desire and romantic love have become entangled in the contemporary cultural imagination, leading to the emergence of a dominant paradigm which dictates that for women, sexual desire and love are and should be intrinsically linked together: something which has greatly affected cultural scripts for virginity loss. This book examines the ways in which this paradigm has been negotiated, upheld, subverted, and resisted in depictions of virginity loss in popular literatures, unpacking the romanticisation of the idea of “the right one” and “the right time”.
