Kissed the Girls and Made Them Cry - Lisa Bevere 2002-04-14

How far can I go? It's the question of a generation wanting straight answers. Often the very questions we ask reveal our hearts better than anything else. In *Kissed the Girls and Made Them Cry*, Lisa Bevere tackles these tough issues by moving us from rules to relationship. There is no question we need a renewal of purity, but what we're doing is not working. How far can you go? Ask yourself: What do you ultimately want? Immediate and temporary gratification that wanes with the passage of time? Or passion and exclusive intimacy that endures and intensifies? God wants to move us beyond the restraint of the law (which arouses sin) and plant us into a garden of longing -- where our sexuality and passion is carefully guarded and cultivated until the time for its awakening. This is a book for every daughter in waiting and every woman who has never known desire in her life and marriage.
