Addiction to Love - Susan Peabody 2011-04-13

Love addiction manifests in many forms, from Fatal Attraction-type obsessive lust to less extreme but nonetheless psychologically and emotionally harmful forms. The most common of these is staying in a bad relationship because of a fear of being alone-the "I hate you but don't leave me" relationship. In ADDICTION TO LOVE, recovering love addict Susan Peabody explains the variety of ways this disorder plays out, from the obsessively doting love addict to the addict who can't disentangle from an unfulfilling, dead-end relationship. Peabody provides an in-depth and easy-to-follow recovery program for those suffering from this unhealthy and often dangerous addiction and explains how to create a loving, safe, and fulfilling relationship. • A seminal work on unhealthy and obsessive

behaviors in love, and how to change behavior to have a positive relationship. This third edition includes a new introduction and revisions to the text throughout. • Some symptoms of love addiction include love at first sight, excessive fantasizing, abnormal jealousy, nagging, and accepting dishonesty. • Even relationships with parents, children, siblings, or friends may be addictive-dependency is not always related to romantic love. • Previous editions have sold more than 40,000 copies. "Love addiction is a three-headed serpent that Susan Peabody adeptly slays. This is the quintessential book for any love addict or counselor needing to fully understand this highly prevalent and complex disorder. Susan detects and dissects aspects of this condition not comprehended in other books of its kind. Recovery is possible. This book

makes it possible to take the succinct steps necessary toward a loving and reciprocal long-term intimate relationship." —Sudi Scull, M.F.T., C.N., psychotherapist and nutritionist

Craving for Love - Briar Whitehead 2003 (Foreword by Frank Worthen) A valuable resource for those recovering from relationship addiction, and for those who minister to them.

Love and Addiction - Stanton Peele 1976-05

Love First - Jeff Jay 2021-04-27

"Love First provides clear steps for families, friends, and professionals to create a loving and effective intervention plan for helping those who have an addiction. This revised and expanded twentieth-anniversary edition adds new intervention techniques for alcohol and other drug addictions, plus contemporary insights from the authors' decades of front-line work with those who are addicted and their families. Also new are tools to help families undertake the treatment journey together and transition from

intervention team to ongoing community of support for lifelong recovery"--

Women Who Love Too Much - Robin Norwood 2014-11-27

THE INTERNATIONAL NO.1 BESTSELLER HELPING MILLIONS OF WOMEN FIND HEALTHIER RELATIONSHIPS 'A life-changing book' Erica Jong Is your relationship the most important thing in your life? Are you constantly thinking and talking about your partner, or finding excuses for their bad behaviour? If you have ever found yourself obsessing over an undeserving partner, this book was written for you. Many women are repeatedly drawn into unhappy and destructive relationships, and then struggle to make these doomed relationships work. In this bestselling psychology book, leading relationship and marriage therapist Robin Norwood reveals why we get into unhealthy relationships and how powerfully addictive they are - and shares her effective framework for finding and sustaining love.

Updated edition with a new introduction What readers are saying: 'A must read for everyone, women and men alike' 'One of the best self-help books I have read' 'A life changing book - brutally honest and straightforward - yet full of love and compassion' 'Such an insightful read' 'Brilliant, life-changing'

Love and Addiction - Stanton Peele 2014-05
In *Love and Addiction*, published 40 years ago and sold as a mass-market paperback on love, Stanton Peele and Archie Brodsky laid out every major issue confronting the addiction field today. This pioneering classic, which was excerpted in *Cosmopolitan* and spawned the codependence movement, is the first-and still the definitive-book on addictive love. But it is much more than that; it is the book that explains why addiction is not what we think it is. *Love and Addiction* focuses on dependent love relationships to explore what both love and addiction really are- psychologically, socially, and culturally. Addiction is an overgrown, dependent,

destructive relationship. Love is the opposite, a sharing, growth-inspiring one. The authors' analysis makes clear that an addiction is an experience that takes on meaning and power in light of a person's needs, desires, beliefs, expectations, and fears. By showing how addiction grows out of ordinary human experience, Peele and Brodsky offer a liberating understanding of all addictions-to alcohol, drugs, tobacco, food, gambling, shopping, electronic media, sex, or love. In 1975, *Love and Addiction* boldly proposed ideas whose truth is only now being recognized: Addiction is not limited to drugs, and drugs are not necessarily addictive. AA's 12 steps are not the last word in addiction treatment. On the contrary, practically oriented addiction treatments are more effective. The goal of addiction treatment and recovery is not abstinence to the exclusion of all else, but to build a life that rules out addiction. Love is the opposite of the self-protective constriction of addiction; it is the expansion of your spirit with

Downloaded from
legacy.opendemocracy.net on 2019-07-16
by guest

another human being. Remarkably, all of these issues-the widespread application of the addiction diagnosis, the limited value of AA and its disease theory, the possibility that people can continue using but still eliminate addiction (harm reduction)-are as hotly debated today as when Peele and Brodsky first analyzed addiction forty years ago. Most remarkably of all, the answers Peele and Brodsky arrived at in *Love and Addiction* are only now being embraced by progressive thinkers in the field. "Destined to become a classic " *Psychology Today* proclaimed in 1975. Rereading *Love and Addiction* 35 years later, addiction researcher Rowdy Yates wrote that the book "still reads absolutely true as an understanding of addictive behavior." Reading today this clairvoyant analysis of the most challenging issues we face in the twenty-first century-the meaning of love and the cure for addiction-you will recognize both the current relevance and enduring value of *Love and Addiction*, now reissued with a new (2015)

Authors' Preface, the Authors' Preface written for the 1991 paperback reissue, and a brief new introduction to each chapter. Otherwise, nothing has been changed in the original book.

Is It Love Or Is It Addiction? - Brenda Schaeffer 1995-04

Offers advice & a practical guide to making relationships work

How to Break Your Addiction to a Person - Howard Halpern 2003-12-30

Are you in love--or addicted? How to know when to call it quits...and how to find the courage to call it quits. Are you unable to leave a love relationship even though it gives you more pain than joy? Your judgment and self-respect tell you to end it, but still, to your dismay, you hang on. You are addicted--to a person. Now there is an insightful, step-by-step guide to breaking that addiction--and surviving the split. Drawing on dozens of provocative case histories, psychotherapist Howard Halpern explains to you: Why you can get addicted to a person. Why

and how you may try to deceive yourself. ("He really loves me, he just doesn't know how to show it.") How you can recognize the symptoms of a bad relationship. How to deal with the power moves and guilt trips your partner uses to hold you. Why strong feelings of jealousy do not mean you are "in love." How to get through the agonizing breakup period--without going back. How not to get caught in such a painful relationship again.

Candy - Luke Davies 2011-10-31

'There is only heroin, there is only Candy, the three of us adrift on the endless sea of love. ' Candy is a love story. It is also a harrowing investigation of the raw heart of addiction; its claustrophobia and momentum. From the heady narcissism of the narrator's first days with his new lover, Candy, and the relative innocence of their shared habit, Candy charts their decline when smack becomes the total and only focus of their lives.

Is It Love Or Is It Addiction? - Brenda Schaeffer

1989-04-30

Love addiction creeps into the best of relationships, writes psychotherapist Brenda Schaeffer in this revised and expanded edition of a book that has sold more than 175,000 copies. The challenge we face is to acknowledge the addictive elements and build on the best aspects of a relationship. If there is any reason to heal an unhealthy relationship, it is so that we can be more and give more to life.

Exaholics - L. Bobby 2015

Severing a relationship is one of life's most painful experiences--and cutting those ties can feel like ending an addiction. Exaholics offers meaningful support to anyone trapped in the obsessive pain of a broken attachment. She helps the brokenhearted heal, showing them how to understand the emotional processes at work inside themselves, find the path to recovery, and free themselves of shame, injured ego, and remorse.

Sally's Baking Addiction - Sally McKenney

Sally's famous recipes include award-winning Salted Caramel Dark Chocolate Cookies, No-Bake Peanut Butter Banana Pie, delectable Dark Chocolate Butterscotch Cupcakes, and yummy Marshmallow Swirl S'mores Fudge. Find tried-and-true sweet recipes for all kinds of delicious: Breads & Muffins Breakfasts Brownies & Bars Cakes, Pies & Crisps Candy & Sweet Snacks Cookies Cupcakes Healthier Choices With tons of simple, easy-to-follow recipes, you get all of

the sweet with none of the fuss!

Love Addiction - Martha R. Bireda 1990

Love addicts are so obsessed with romance & with meeting the expectations of their partners that they completely lose their sense of self and their own legitimate needs. This book is unique because it teaches the skills you need to identify and change the circular, illogical and obsessive thoughts that fuel your addiction.

Love Smacked: How to Stop the Cycle of Relationship Addiction and Codependency to Find Everlasting Love - Sherry Gaba 2020-02-20
After Rihanna and Alanis Morissette and Amber Smith and Rachel Uchitel, we've all heard about love addiction--people who feel they can only be happy when they are deep in an all-consuming love. There are a handful of books about it (including Facing Love Addiction by Pia Melody, Women Who Love Too Much by Robin Norwood, Love Addict by Ethlie Ann Vare, and others), and many rehab and recovery centers are now advertising that they help clients with love

addictions and codependency. But no one has approached the subject of its equally damaging cousin--relationship addiction. Relationship addicts are so in love with love with love and romance and being coupled up that they continually move from one relationship to another, always on the rebound, never giving themselves time to heal and learn how to be independent. They get into relationships again and again, just to avoid feeling lonely--or worse, to avoid feeling "abnormal." Love Smacked will address all of these issues, looking at early childhood trauma and how that affects our subsequent choices in partners, and how we approach love and relationships. It will discuss the lessons we learn from our upbringing and social and cultural background--lessons that sometimes teach us what healthy relationships look like, but sometimes teach us something else: that we don't deserve any better; that a typical relationship looks turbulent and difficult. "This is an important book. Sherry Gaba clearly

identifies a common pattern in relationships and shows the negative results on relationships of self-abandonment. --Margaret Paul, PhD, Co-Creator of Inner Bonding"

Facing Love Addiction - reissue - Pia Mellody
2011-11-22

A brilliant new guide to understanding the origins of codependence and the path to recovery by a nationally recognized authority on dependency and addiction. In this fresh new look at codependence, Pia Mellody traces the origins of this illness back to childhood, describing a whole range of emotional, spiritual, intellectual, physical, and sexual abuses. Because of these earlier experiences, codependent adults often lack the skills necessary to lead mature lives and have satisfying relationships. Recovery from codependence comes from clearing up the toxic feelings left over from childhood and learning to reparent oneself by intervening on the adult symptoms of codependence. Central to Mellody's concept is the idea of the "precious child" that

Downloaded from
legacy.opendemocracy.net on 2019-07-16
by guest

needs healing within each adult. She creates a framework for identifying codependent behavior and describes an effective approach to recovery that includes both therapy and self-help processes. Designed to be used with her new workbook for codependents, *Breaking Free*, this is a powerful tool for understanding the nature of codependence.

High - April Joy Bowden 2010-03-25

HIGH - On LOVE & ADDICTION follows the relationship between two women. During the relationship, it is discovered that one of the women is addicted to crack cocaine. After years of dealing with the addiction, April runs away to another state. When tragedy occurs, it brings the two back together. The book chronicles the ups and downs of the relationship and Jeanie's struggle to get clean.

Stage II Relationships - Earnie Larsen

2013-02-26

Offers clear and practical techniques for couples and families who have faced the issue of

addiction and are now striving to bring health and vitality to their relationships.

Lesbian Love Addiction - Lauren D. Costine
2015-11-05

Everyone makes mistakes in relationships at one time or another. Sometimes they learn from those mistakes. Other times, they return to those behaviors and cycle through failed relationship after failed relationship. Sometimes those behaviors become an addiction to love that may leave a person feeling unhappy, unfulfilled, lonely, or worse. *Lesbian Love Addiction: Understanding the Urge to Merge and How to Heal When Things go Wrong* makes visible the elements of love addiction that many lesbians suffer from. Love addiction for lesbians comes in many forms. Some struggle by sexually acting out and others are serial relationship junkies, jumping from one relationship into the next. Some are addicted to the high of falling in love and once that wears off don't know how to handle the day-to-day realities of a committed

Downloaded from
legacy.opendemocracy.net on 2019-07-16
by guest

relationship. Some are even addicted to fantasy and intrigue, while others are love avoidants and sexual anorexics. Love avoidants may be able to get into a relationship but once they are fully committed, struggle with feeling smothered. Others may avoid intimate or sexual relationships all together, becoming sexually anorexic. Some may even vacillate between all of these. The underlying component and common denominator in all of these scenarios is the "Urge to Merge." Lesbian Love Addiction is designed to help ameliorate at least part of this problem. Lauren D. Costine offers insight for lesbians, bisexual women in relationships with women, queer women, and more specifically, any woman who loves women, as well as their family and friends, and health care professionals, into the psychology of lesbian love addiction. It will give those who struggle with and suffer from love addiction ways to understand, cope, and heal from this debilitating addiction. It will give those who work with this

population new tools to use to do this more effectively. Mostly, it will help lesbians understand their relationship failures and how to heal from problems associated with them, so they may grow and cultivate happier, more fulfilling connections in the future.

Is It Love or Is It Addiction - Brenda Schaeffer
2009-08-07

A fresh, updated, and expanded edition of the book that changed the way we think about romance and intimacy. Many of us confuse longing and obsession with true love. Through two previous editions, *Is It Love or Is It Addiction?* has helped countless people find their way from the trials and confusion of addictive love to the fulfillment of whole and healthy relationships. As the author reveals, we can begin to work through relationship difficulties with compassion and lasting effect by increasing our awareness of the ways that we express love. In this expanded third edition, Brenda Schaeffer draws on years of feedback and new

Downloaded from
legacy.opendemocracy.net on 2019-07-16
by guest

developments to foster an understanding of love addiction: what it is and what it is not, how to identify it, and, even more important, how to break free of it. Stories of real people struggling to develop sound relationships illustrate the characteristics of healthy love and help readers to free themselves to find real intimacy. Included is the most up-to-date information about the biological basis of addictive behaviors and the impact of technology on intimate relationships. The author also explores the influence of past abuse and trauma on the predisposition to love addiction.

Beyond Reward: Insights from Love and Addiction - Xiaochu Zhang 2017-01-19

It is an interesting topic to discuss addiction and

love in the context of reward. In this e-book, we begin with an animal study of comparison between drug and natural reward. Then, some papers aim to understand the reward system underlying behavioral addiction focusing on technology, for example Internet addiction and mobile phone dependence. The third part of this e-book addresses the topic of love. Considered as a whole, this e-book demonstrates that drug and behavioral addictions are frequently related with negative consequences, while romantic love is related with a positive consequence. That's why romantic love may be considered as a natural addiction. We think that the notion of romantic love as a positive addiction may offer a new view for future research in the field.
