Star Trek: Q Squared - Peter David 2012-10-30

In all of his travels Captain Jean-Luc Picard has never faced an opponent more powerful than Q, a being from another continuum that Picard encountered on his very first mission as Captain of the Starship Enterprise™. In the years since, Q has returned again and again to harass Picard and his crew. Sometimes dangerous, sometimes merely obnoxious, Q has always been mysterious and seemingly all-powerful. But this time, when Q appears, he comes to Picard for help. Apparently another member of the Q continuum has tapped into an awesome power source that makes this being more powerful than the combined might of the entire Q continuum. This renegade Q is named Trelane, also known as the Squire of Gothos, who Captain Kirk and his crew first encountered over one hundred years ago. Q explains that, armed with this incredible power, Trelane has become unspeakably dangerous. Now Picard must get involved in an awesome struggle between super beings. And this time the stakes are not just Picard's ship, or the galaxy, or even the universe, this time the stakes are all of creation.

Politics and Sex - Edna Keeble 2016-05-02

Starting with the feminist insight that “the personal is political,” this engaging text underscores the centrality of gender and sexuality to the discipline of political science and encourages inquiry into the gendered dynamics at work in contemporary politics. *Politics and Sex* problematizes the public-private distinction, arguing that the way power

is exercised over female sexuality and reproduction results in the restriction of women's public roles, allowing gender inequality to persist in many areas. With topics as diverse as body politics, the veiling of women, female genital mutilation, rape and sexual violence, pornography, and prostitution and trafficking, the text explores significant cases in the contemporary context and ultimately repositions the private as a site of power. Edna Keeble takes a much-needed feminist liberal perspective through which readers can engage with questions of gender, culture, public policy, and human rights. Each chapter is rich with pedagogical features, including lists of recommended films, video clips, websites, and additional readings. Interdisciplinary in nature, this text is a welcome resource for students and scholars interested in exploring topics in gender and sexuality not commonly covered in political science courses.

Pre-Incident Indicators of Terrorist Incidents - Brent L. Smith 2011-01

This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

Better Than I Ever Expected - Joan Price 2005-12-13

Better Than I Ever Expected is a warm, witty, and honest book that

contends with the challenges and celebrates the delights of older-life sexuality. It asserts that women over sixty are at the top of their game when it comes to enjoying sex. Joan Price's woman-to-woman straight talk transcends the self-help style of other books in this field. Yes, there are challenges to sex after menopause and beyond, says Price, but there are also creative solutions. She is on a mission to let women her age and older know that they can, in fact, have the best sex of their lives. Price gets personal and stays positive, combining her own story with candid comments, tips, and sassy tales from sexually seasoned women. She acknowledges the gritty issues that older women confront in their sexual lives, noting that it's not easy, but it certainly isn't over. At age 61, Price is newly engaged to the man she's been looking for her whole life. Her discovery of how great "well-seasoned" sex can be was the inspiration for this book. Sidebars present candid and friendly sex tips; fitness, exercise, and lifestyle information; and women's erotic vignettes (both real-life experiences and fantasies).

Magnificent Sex - Peggy J. Kleinplatz 2020-03-10

Winner of the 2021 SSTAR Consumer Book Award! What makes sex magnificent? What are the qualities of extraordinary erotic intimacy and what are the elements that help to bring it about? Is great sex the stuff that people remember nostalgically from the "honeymoon" phase of their relationships, or can sex improve over time? *Magnificent Sex* is based on the largest, in-depth interview study ever conducted with people who are having extraordinary sex. It gathers the nuggets for remarkable sex from the "experts", distilling them into an attainable blueprint for ordinary lovers who want to make erotic intimacy grow over the course of a lifetime. Looking at factors including individual and relational qualities, empathic communication and the myths and realities of magnificent sex, this book offers accessible and evidence-based guidance for lovers and therapists alike. It is replete with frank and often humorous interviews with straight and LGBTQ individuals and couples, those who are "vanilla" and "kinky", monogamous and consensually non-monogamous and healthy and chronically ill. This illuminating book explores the implications of the findings to develop a model that effectively tackles

the common problems of low desire and frequency. The "cure" for low desire is to create desirable sex!

Evvie Drake Starts Over - Linda Holmes 2019-06-25

NEW YORK TIMES BESTSELLER • Read with Jenna Book Club Pick as

Featured on Today • “Everything a romantic comedy should be: witty, relatable, and a little complicated.”—People A heartfelt debut about the unlikely relationship between a young woman who’s lost her husband and a major league pitcher who’s lost his game. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR In a sleepy seaside town in Maine, recently widowed Eveleth “Evvie” Drake rarely leaves her large, painfully empty house nearly a year after her husband’s death in a car crash. Everyone in town, even her best friend, Andy, thinks grief keeps her locked inside, and Evvie doesn’t correct them. Meanwhile, in New York City, Dean Tenney, former Major League pitcher and Andy’s childhood best friend, is wrestling with what miserable athletes living out their worst nightmares call the “yips”: he can’t throw straight anymore, and, even worse, he can’t figure out why. As the media storm heats up, an invitation from Andy to stay in Maine seems like the perfect chance to hit the reset button on Dean’s future. When he moves into an apartment at the back of Evvie’s house, the two make a deal: Dean won’t ask about

Evvie’s late husband, and Evvie won’t ask about Dean’s baseball career. Rules, though, have a funny way of being broken—and what starts as an unexpected friendship soon turns into something more. To move forward, Evvie and Dean will have to reckon with their pasts—the friendships they’ve damaged, the secrets they’ve kept—but in life, as in baseball, there’s always a chance—up until the last out. A joyful, hilarious, and hope-filled debut, *Evvie Drake Starts Over* will have you cheering for the two most unlikely comebacks of the year—and will leave you wanting more from Linda Holmes. Praise for *Evvie Drake Starts Over* “A quirky, sweet, and splendid story of a woman coming into her own.”—Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six* “Effortlessly enjoyable . . . [a] pitch-perfect . . . adult love story that is as romantic as it is real.”—USA Today “Charming, hopeful, and gently romantic . . . Evvie Drake is great company.”—Rainbow Rowell, #1 New York Times bestselling author of *Eleanor & Park*
