Ho Tactics (Uncut Edition) G L Lambert 2014-08-06 This is the book that no man wants you to read... Countless women play by the bias male rules of dating and relationships, one that keeps them in a constant state of stress and worry. Victims of romance instead of masters of love, today's women settle for cheap dates and cheaper talk. Why are you splitting the bill with a man that should be spoiling you? Why are you preparing home cooked meals for a man that can't provide you a home? Why are you having sex with a man that promises the world, but refuses to give you his heart? Why are you playing by outdated rules in hopes that one day your kindness will be rewarded? I have discovered a group of women who refuse to be exploited, are immune to manipulation, and who never settle in the name of love. These ladies know what they want and take what they want by beating men at their own game. Utilizing the secrets exposed in this book, these women gain power, money, and status. Men call them Gold Diggers, women call them Hos, but they call themselves Winners. This is the book that society doesn't want you to read... **Ho Tactics: How To MindF**k A Man into Spending, Spoiling, and Sponsoring** lays out the practical steps to evolve from a woman that goes Dutch to a woman that gets pampered. **Ho Tactics** provides the Sex-Free blueprint on how to turn any man into your personal ATM. Stop spending nights with men that can't offer you anything but conversation, stop being understanding of men who are underachieving, stop settling and submitting, and learn how to seduce and destroy! You tried to play by their rules, now it's time to play by Ho rules.

Deeper Dating Ken Page 2014-12-30 With exercises, practical tools, and inspiring stories, **Deeper Dating** will guide you on a journey to find the love—and personal fulfillment—you long for. Lose weight. Be confident. Keep your partner guessing. At the end of the day, this soulless approach to dating doesn't lead to love but to insecurity and desperation. In **Deeper Dating**, Ken Page presents a new path to love. Out of his decades of work as a psychotherapist and his own personal struggle to find love, Page teaches that the greatest magnet for real love lies in our "Core Gifts"—the places of our deepest sensitivity, longing, and passion. **Deeper Dating** guides us to discover our own Core Gifts and empowers us to express them with courage, generosity, and discrimination in our dating life. When we do this, something miraculous happens: we begin to attract people who love us for who we are, we become more self-assured and emotionally available, and we lose our taste for relationships that chip away at our self-esteem. Without losing a pound, changing our hairstyle, or buying a single new accessory, we find healthy love moving closer . . . **Deeper Dating** integrates the best of human intimacy theory with timeless spiritual truths and translates them into a practical, step-by-step process.

People Love You Jeb Blount 2013-02-04 What you experience is what you remember. The more emotional the experience, the deeper it is branded into your memory. Experience has a massive impact on buying decisions. Every touch point, every time you or someone in your company engages a customer, it creates an experience - something they remember. When they have a negative experience, they tend to vote with their feet (and their wallets) and head straight to your competitors. When customers have positive emotional experiences, it anchors them to your brand, your product or service, and ultimately to you. In the twenty-first century, competitive advantages derived from unique products or services are short-lived because competitors are able to quickly and easily duplicate or match your offering. Likewise a focus on customer satisfaction and loyalty will no longer give you the competitive edge. Delivering a legendary customer experience has emerged as the single most important competitive advantage for companies across all industries. In *People Love You* you'll learn the real secrets of customer experience including: 7 Essential Principles of Customer Engagement 5 Levers for Creating a Legendary Customer Experience The Secret to Bridging the Experience Gap How to Leverage the Pull Strategy to become a Trusted Advisor 2 Most Important Rules for Dealing with Pissed-off Customers In a hypercompetitive, global marketplace protecting your company's customer base, the lifeblood of your business, must become your number one priority. The rubber hits the road with account managers, project managers, sales professionals, and customer service professionals—the people most connected to customers—who are on the frontlines of customer experience. They build unique and enduring emotional connections with customers that create long-term revenue and profit streams. In *People Love You*, human relationship guru, Jeb Blount, gives you a powerful playbook for interacting with customers in a way that creates deep, enduring, visceral connections that withstand relentless economic and competitive assaults.

The 48 Laws of Power Robert Greene 2000-09-01 Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

The Monsters Know What They're Doing Keith Ammann 2019-10-29 From the creator of the popular blog *The Monsters Know What They're Doing* comes a compilation of villainous battle plans for *Dungeon Masters*. In the course of a *Dungeons & Dragons* game, a *Dungeon Master* has to make one decision after another in response to player behavior—and the better the players, the more unpredictable their behavior! It's easy for even an experienced DM to get bogged down in on-the-spot decision-making or to let combat devolve into a boring slugfest, with enemies running directly at the player characters and biting, bashing, and slashing away. In *The Monsters Know What They're Doing*, Keith Ammann lightens the DM's burden by helping you understand your monsters' abilities and develop battle plans before your fifth edition D&D game session begins. Just as soldiers don't whip out their field manuals for the first time when they're already under fire, a DM shouldn't wait until the PCs have just encountered a dozen bullywugs to figure out how they advance, fight, and retreat. Easy to read and apply, *The Monsters Know What They're Doing* is essential reading for every DM.
