Gender Outlaw - Kate Bornstein 2013-04-15

Gender Outlaw is the work of a woman who has been through some changes--a former heterosexual male, a one-time Scientologist and IBM salesperson, now a lesbian woman writer and actress who makes regular rounds on the TV (so to speak) talk shows. In her book, Bornstein covers the "mechanics" of her surgery, everything you've always wanted to know about gender (but were too confused to ask) addresses the place and politics of the transgendered and interrogates the questions of those who give the subject little thought, creating questions of her own.

The Search for a Woman-centered Spirituality - Annette J. Van Dyke 1992-07

Examining the work and writings of such figures as Leslie Marmon Silko, Paula Gunn Allen, Audre Lorde, Alice Walker, Starhawk, Marion Zimmer Bradley, Sonia Johnson and Mary Daly, the author illustrates how these writers and activists outline a journey toward wholeness.

Bedside Book of Bad Girls - Chris Enss 2012

Take a step back in time with the Bedside Book of Bad Girls: Outlaw women of the Midwest. Join author Chris Enss as she digs up and reveals startling facts about some of the most fascinating renegade women of the Midwest. Meet Flora Mundis, the horse thief who disguised herself as a man; Victoria Woodhull, outspoken activist for free love, con artist, and the first female candidate for president; Ma Barker, mother of the notorious Barker Gang; Opal Long and Patricia Cherrington, trusted sisters of the Dillinger Gang; and many more. Experience history as if you were actually there. Stand witness to the trial and hanging of Elizabeth Reed, and ride the rails with Fannie and Jennie Freeman, the mother-daughter team who bilked railroad companies out of more than \$150,000. In eleven captivating profiles, Enss brings to life the stories of these fascinating pistol-packing, horse-thieving, poker-swindling outlaws.

Outlaw Women - Col. Robert Barr Smith 2015-08-03

This collection of short, action-filled stories of the Old West's most egregiously badly behaved female outlaws is a great addition to Western author Robert Barr Smith's books on the American frontier. Pulling together stories of ladies caught in the acts of mayhem, distraction, murder, and highway robbery, it includes famous names like Belle Starr and lesser known characters, and contains archival illustrations and photographs. Some famous females earned their criminal status through less-than-ladylike pursuits, making a living by capitalizing on the other sex's weaknesses of drinking, gambling, and enjoying the company of women. More than a few, like Cecilia and Edna "The Rabbit" Murray, weren't above robbing a bank or two to stay afloat for a while. Others, however, were much more sinister in their aims, earning a living by making sure others kept dying. Visitors to the homes of Kate Bender and Belle Gunness--dozens, no less--went missing over the years, only to be dug up months or years later, when suspicions were finally aroused.

Outlawed - Anna North 2022-02-15

A REESE'S BOOK CLUB PICK \* INSTANT NEW YORK TIMES BESTSELLER \* BELLETRIST BOOK CLUB PICK \* INDIE NEXT SELECTION \* LIBRARY READS SELECTION \* AMAZON EDITORS' CHOICE \* WASHINGTON POST BEST OF THE YEAR The "terrifying, wise, tender, and thrilling" (R.O. Kwon) adventure story of a fugitive girl, a mysterious gang of robbers, and their dangerous mission to transform the Wild West. In the year of our Lord 1894, I became an outlaw. The day of her wedding, 17 year old Ada's life looks good; she loves her husband, and she loves working as an apprentice to her mother, a respected midwife. But after a year of marriage and no pregnancy, in a town where barren women are routinely hanged as witches, her survival depends on leaving behind everything she knows. She joins up with the notorious Hole in the Wall Gang, a band of outlaws led by a preacher-turned-robber known to all as the Kid. Charismatic, grandiose, and mercurial, the Kid is determined to create a safe haven for outcast women. But to make this dream a reality, the Gang hatches a treacherous plan that may get them all killed. And Ada must decide whether she's willing to risk her life for the possibility of a new kind of future for them all.

Featuring an irresistibly no-nonsense, courageous, and determined heroine, Outlawed dusts off the myth of the old West and reignites the glimmering promise of the frontier with an entirely new set of feminist stakes. Anna North has crafted a pulse-racing, page-turning saga about the search for hope in the wake of death, and for truth in a climate of small-mindedness and fear.

Outlaw Woman - Roxanne Dunbar-Ortiz 2014-03-20

In 1968, Roxanne Dunbar-Ortiz helped found the Women's Liberation Movement, part of what has been called the second wave of feminism in the United States. Along with a small group of dedicated women in Boston, she produced the first women's liberation journal, No More Fun and Games. Dunbar-Ortiz was also an antiwar and anti-racist activist and organizer throughout the 1960s and early 1970s and a fiery, tireless public speaker on issues of patriarchy, capitalism, imperialism, and racism. She worked in Cuba with the Venceremos Brigade and formed associations with other revolutionaries across the spectrum of radical politics, including the Civil Rights Movement, Students for a Democratic Society, the Revolutionary Union, the African National Congress, and the American Indian Movement. Unlike most of those involved in the New Left, Dunbar-Ortiz grew up poor, female, and part-Native American in rural Oklahoma, and she often found herself at odds not only with the ruling class but also with the Left and with the women's movement. Dunbar-Ortiz's odyssey from Oklahoma poverty to the urban New Left gives a working-class, feminist perspective on a time and a movement that forever changed American society. In a new afterword, the author reflects on her fast-paced life fifty years ago, in particular as a movement activist and in relationships with men.

**Outlaw Women** - J.R. Roberts

The Outlaw's Woman - Tanya Hanson 2002

Young widow Dena Clayter is harboring a fugitive--feeding him and nursing his injuries. She is not frightened of the man, but she fears the longing he incites in her. She yearns for his touch. Now racing across the West to save him from the hangman's noose, Dena's own future and that of their baby stand in jeopardy.

A Woman-hater - Charles Reade 1887

**Bedside Book of Bad Girls: Outlaw Women of the American West** - Michael Rutter 2012-07-23

Gender Outlaw - Kate Bornstein 2013-04-15

Part coming-of-age story, part mind-altering manifesto on gender and sexuality, coming directly to you from the life experiences of a transsexual woman, Gender Outlaw breaks all the rules and leaves the reader forever changed. 26 black-and-white illustrations.

The Married Women's Property Act, 1870 - John Richard Griffith 1873

**Outlaw Women** - Susan Dewey 2019-08-06

A journey into the experiences of incarcerated women in rural areas, revealing how location can reinforce gendered violence. Incarceration is all too often depicted as an urban problem, a male problem, a problem that disproportionately affects people of color. This book, however, takes readers to the heart of the struggles of the outlaw women of the rural West, considering how poverty and gendered violence overlap to keep women literally and figuratively imprisoned. Outlaw Women examines the forces that shape women's experiences of incarceration and release from prison in the remote, predominantly white communities that many Americans still think of as "the Western frontier." Drawing on dozens of interviews with women in the state of Wyoming who were incarcerated or on parole, the authors provide an in-depth examination of

women's perceptions of their lives before, during, and after imprisonment. Considering cultural mores specific to the rural West, the authors identify the forces that consistently trap women in cycles of crime and violence in these regions: felony-related discrimination, the geographic isolation that traps women in abusive relationships, and cultural stigmas surrounding addiction, poverty, and precarious interpersonal relationships. Following incarceration, women in these areas face additional, region-specific obstacles as they attempt to reintegrate into society, including limited social services, significant gender wage gaps, and even severe weather conditions that restrict travel. The book ultimately concludes with new, evidence-based recommendations for addressing the challenges these women face.

Outlaw Women - J. R. Roberts 2016-09-30

Benbow, Kansas, is shattered by a bank robbery-by three of the strangest looking bandits the witnesses have ever laid eyes on. The deputy swears the felons are females-and rounds up a posse to catch 'em. For once, the Gunsmith decides to mind his business and leave town. But on the trail he finds a woman with a bullet hole-and no explanation. Riding her home, Clint discovers a dream come true: a town run and inhabited solely by women. But it looks like men are as welcome as rattlesnakes-and lawmen as long-lived as a rattler in a stampede....

**The Outrageous Outlaw** - Robert L. Collins 2021-02-01

Dal arrives in a new land with an old problem. Clever robbers are stealing silver from merchants and can't be caught. The trouble is that they're working near the border, and across it is the kingdom's old foe. Are the robbers clever or are they spies? And will Dal the Thief live down chasing those in his own trade?

*Outlaw Bride* - Tanya Hanson

**Wanted Women** - Mary Elizabeth Strunk 2010-09-18

The iconic photo of Bonnie Parker—cigar clenched in jaw, pistol in hand—says it all: America loves its bad girls. Now Mary Elizabeth Strunk tells us why. *Wanted Women* is a startling look at the lives—and legends—of ten female outlaws who gained notoriety during the tumultuous decades that bracketed the tenure of FBI director J. Edgar Hoover. Strunk looks at real-life events and fictional portrayals to decipher what our obsession with these women says about shifting gender roles, evolving law-enforcement practices, and American cultural attitudes in general. These women's stories reveal what it takes-and what it has meant--to be a high-profile female lawbreaker in America. Strunk introduces us to Kathryn "Mrs. Machine Gun" Kelly, Ma Barker, and Bonnie Parker from the 1930s, and, from the 1970s, we meet heiress-turned-revolutionary Patty Hearst, five other women of the Symbionese Liberation Army, and Black Panther Assata Shakur. All saw themselves as struggling against an oppressive legal system. All became "wanted" criminals and would play a part in shaping Hoover's legacy. And all spent enormous amounts of energy attempting to manipulate public opinion in their favor. Strunk argues that each woman's public persona was to some degree invented by Hoover, who saw outlaw women as an alarming threat to public morality. He went after

them with a vengeance, but in many ways his obsession only added to their reputations. Strunk shows how Hoover's repeated use of popular culture to publicize the threat of violent women initially succeeded in strengthening his FBI, but his approach became a liability by the time law enforcement was pitted against the women outlaws of the 1970s. The book chronicles the careers of these infamous outlaws both in the real world and in popular culture—film, ads, true-crime stories, autobiographies—as well as Hoover's own forays into filmmaking. It boasts 27 compelling images of movie stills, wanted posters, and other ephemera that have been assembled nowhere else, including rarely reproduced SLA artifacts. Strunk's book is the first study to define the narrow "formula" necessary for a woman to cross over from criminal to outlaw. Hitting on key notes of American culture from Black and gender studies to cinematic and legal history, *Wanted Women* sets a new benchmark for how we view women and crime as it contributes fresh insights into twentieth-century social history.

**The Outlaw's Woman** - Mark Falcon 2004-01

When eighteen-year-old Kelly was brought to trial with the two remaining members of the Bassett gang, the Federal Marshal thought she would be discharged. But ten years imprisonment was the outcome for Kelly. The outlaw leader, Hay Bassett, had not only taught Kelly to use a gun to match his best gunmen, but had also taken her for his woman. Her stepfather, the Bassett gang and now the prison wagon guards had all abused her in one way or another, but Kelly was a born fighter and would escape an unjust fate.
