**Life Manual** - Sonya Peavy 2020-09-10

Life Manual is a life-transforming book for Christians and those aspiring to live a Christian life. It outlines basic principles for living life carefree. Many times, Christians go through life, struggling in many areas once they receive salvation because unfortunately, there is lack of knowledge once you are born again into this new life that you now have. Life Manual will guide you through biblical principles that God has given us to live successfully in every area of life. In Deuteronomy 30:15-16, God says, "See, I set before you today life and prosperity, death, and destruction." He says to choose life. In the book, we discuss dating, marriage preparation, abstinence, gender confusion, and putting God

first in your life.

*Seeking Union with God for the Couples* - Maximilian Lawrence 2023-03-11

Seeking union with God as a couple is a journey towards a deeper relationship with each other and with God. It is a journey that involves putting God at the center of your relationship and seeking to grow in faith and love together. This journey is not always easy, but it is one that is filled with joy, peace, and the blessings of God. In seeking union with God, couples are called to live out their faith in a practical way. This involves prayer, scripture study, attending church, serving others, and cultivating virtues such as forgiveness, gratitude, trust, humility, patience, and perseverance. Through these practices, couples can deepen their spiritual connection with each other and with God. Scripture teaches us about the importance of seeking union with God. In Matthew 22:37-39, Jesus says, "Love the Lord your God with all your

heart, with all your soul, and with all your mind. This is the first and greatest commandment. And the second is like it: Love your neighbor as yourself." Seeking union with God helps couples to live out this commandment by putting God first and loving each other as themselves. Psalm 37:4 says, "Take delight in the Lord, and he will give you the desires of your heart." When couples seek union with God, they are putting their trust and hope in God, and He will bless them with the desires of their heart. This may not always be what they think they want, but it will be what they truly need. Seeking union with God as a couple is a journey that requires commitment, dedication, and perseverance. It is a journey that will strengthen your relationship and deepen your faith. As you embark on this journey, may you be filled with the love, joy, and peace of God.
