

# Romantic Things To Do In A Long Distance Relationship

**The Five Love Languages** - Gary Chapman  
2009-12-17

Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on [fivelovelanguages.com](http://fivelovelanguages.com). The Five Love Languages is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

*Bodies Apart, Hearts Together* - Lisa Hunt  
2021-06-25

The most up-to-date and comprehensive guide to successfully dealing with your long-distance romantic relationship "Is he worth the wait?" "Does he love me as I love him?" "Can this relationship really work, or am I just fooling myself?" Anyone who has ever experienced a long-distance relationship has undoubtedly asked themselves these questions. Lisa Hunt, a couples counselor with over 20 years of

professional experience, has condensed all of her knowledge - and that of her clients - on the subject into this book. By reading this comprehensive guide, you will learn: some enlightening up-to-date statistics on long-distance relationships; the most common issues that occur in these relationships and how to solve them; 7 valuable tips for rekindling the flame of passion and keeping intimacy alive when you are away from your partner; a series of new couple activities to do together even if you don't live together; 99 fun questions for your long-distance partner to keep the conversation exciting and much more! Long-distance relationships require effort. However, just because you aren't physically together 24 hours a day doesn't mean your relationship has to suffer. Yes, physical time together is still important, but with the right amount of imagination and commitment, you can keep the flame alive even if you're thousands of miles apart. You just have to know how to behave, and this book will teach you clearly and simply!

**Long Distance Relationship Guide: a Simple Guide for Christian with Tips on How to Make a Long Distance Relationship Work** - T. C. Hill  
2013-03-29

Long Distance Relationship Guide A Simple Guide for Christian with Tips on How to Make A Long Distance Relationship Work This guide will be simple in that it intends to provide practical, understandable advice for those particular Christian (or curious non-Christian) couples who choose to (or are forced to) maintain a long-distance romantic relationship. However, maintaining a thriving romantic relationship of any sort is anything but easy or simple. It takes work. It asks that two people swallow a greater part of their selves in order to contribute to the well-being and functioning of the whole bond. The first half of this guide all about the habits of successful Christian couples. It's about attitudes and behaving in a way that promotes the

longevity of the relationship, whether newly formed or bonded for years and years. You might be searching particularly for some ideas on what you can do with your significant other while in a long-distance relationship. For example, practical and creative ways of bonding. You will find those tidbits in the second half of the guide. This guide, while written specifically for the Christian audience, is still inclusive for any other audience that might read it. While much of the information presented here come from and are reasoned with the Christian perspective, the advice is nonetheless practical whether you subscribe to the Christian faith or not. I invite you to stick around, for there might be something useful for you.

If you want to make your long distance relationship work, then get this step by step guide by someone who has that EXACT experience in real life. As with any relationship, a long distance relationship involves more than just the two people trying to make it in a difficult and strenuous relationship. It involves family, friends and all people who care about us. Because long distance relationships can be especially stressful, I offer a step-by-step guide to negotiating different aspects of the relationship. In my book, I discuss tips and guidelines that will help with each phase of the relationship from meeting to courtship. I interject personal stories and asides regarding my UK to US romance in a way that showcases the human side of the advice that is always easier to offer than to truly apply. Advice includes:

- What to consider entering a long distance relationship.
- How to find love and decide whether or not a connection is worth fighting for as it is maintained through a long distance relationship.
- Establishing the objectives and logistics involved in seeing through an online relationship to a successful outcome.
- How to trust and rely on a partner you are not with in the flesh. What to consider before committing to an online relationship and how to tackle feelings of mistrust and insecurity.
- Modern courtship and how to negotiate meeting the family and courting a long distance partner in an already difficult situation.
- Coping with the distance and loneliness involved in a long distance relationship.
- Preparing for the

big day and changes that lie after working to be together with a long distance partner at last. As a long distance relationship forms and progresses, there are many obstacles, which require being addressed. My guide describes the stages of the relationship and the stages of planning a long distance relationship must undergo in order to succeed. About the Expert Having been in a long distance relationship more than once, I am all too familiar with the obstacles and concerns of everyone involved. Long distance relationships are something my family had to cope with as being part of a wave of the future. The ease of communication in the modern age also makes it easier to develop strong emotional attachment to people you can't see since. My behavior initially made my family confused when I began expressing myself through online communication and relationships. While I did not expect to find love, let alone fight for it as I did, it was worth it in the end to see it succeed. HowExpert publishes quick 'how to' guides on all topics from A to Z by everyday experts.

[Finding True Love](#) - Daine Broz 2021-03-23

As our lives continue to move forward, it's common for (some of) the relationships in them to be left behind. While we can't necessarily change these natural transitions, we might meet special people who wish to grow with us - regardless of the fact that they'll physically be apart from us. In reality, the things that are worth it never come easy, and long-distance relationships are no exception. Even though these relationships come with challenges, the commitment needed to maintain one is why the strongest bonds often come from these successful long-distance stories. You are together with the most wonderful person - with eyes so deep you tumble into them, and an electric touch that sends goosebumps across your skin. However, there is just one little problem... You are up at weird hours of the night trying to calculate time zone differences hoping the internet sharks do not break your Skype connection, and somewhere along the line, the sparks began to fizzle. You want to make it work, but is all this trouble worth it? In this practical and soulful guidebook, the author with nine years of first-hand long-distance relationship experience - will help you not only survive but

thrive in your long-distance romantic relationship (LDR). In this book, you will find: Real stories that touch your heart and help you believe in love Inspiration to overcome all challenges and to create your dream relationship despite the distance Insights on how to transform your relationship from distance to closeness, loneliness to connection, and uncertainty to confidence. **Super Commuter Couples** - Ma Lmft  
2013-10-21

How does a couple stay connected when living apart is their norm? A super commuter is a person whose job is far enough away from home that they must live apart from their family for days or weeks at a time. During the past several years the number of super commuters in both the United States and abroad has risen exponentially. Through interviews with people from around the world as well as the author's personal experience as the wife of a super commuter and professional knowledge as a licensed therapist specializing in supporting super commuter couples, this book takes the reader behind the scenes of this lifestyle where they will find tips for strengthening relationships, insights on how to decide if super commuting is right for them, practical advice on how best to navigate a super commuter relationship, and six steps to help super commuter families cope with ambiguous loss.

[Love at the Speed of Email](#) - Lisa McKay

2012-06-01

Lisa looks as if she has it made. She has turned her nomadic childhood and forensic psychology training into a successful career as a stress management trainer for humanitarian aid workers. She lives in Los Angeles, travels the world, and her first novel has just been published to some acclaim. But as she turns 31, Lisa realizes that she is still single, constantly on airplanes, and increasingly wondering where home is and what it really means to commit to a person, place, or career. When an intriguing stranger living on the other side of the world emails her out of the blue, she must decide whether she will risk trying to answer those questions. Her decision will change her life.

*How to Maintain a Long Distance Relationship* - Claire Robin

Long-distance relationship tends to be a challenge for most couples. Keeping the trust, affection, and commitment in place when the person is not actually around takes a lot of effort from both parties. This courage has to be targeted toward building sustaining emotional intimacy. For this to be achieved, both couples must have the knowledge of the important things they have to do in order to keep the love passionate and alive. Feelings may get faded naturally if one or both do not take the necessary steps to reignite the necessary passion for one another. This book is dedicated to couples who don't think long-distance relationships could ever work. Tips and tricks to turn a lack of touch into increased desire and affection towards each other have been elaborated and strategically stated. You will

learn several ways to turn your loneliness into satisfaction. The anxiousness about the absence of your significant other will turn into passion and an opportunity to prove love. You will create a balance between actually keeping in touch, and the desire to see each other in person. And when the opportunity to see each other brought itself, you will cherish each and every moment, being glad that you've waited for the right time

You are also going to learn:

- Best ways to show love in a long-distance relationship
- How to stay romantic and satisfied
- Questions to ask each other, and when to ask those questions
- The Dos and Don'ts of a long-distance relationship
- Measuring your love and knowing your position
- How to make the best use of the short time you get to spend together

If you are in a long-distance relationship and want to make it work, dealing with problems and improving intimacy, this book is for you! So what are you waiting for? Scroll up and click on that BUY button NOW! You won't regret you did.

*Maintaining Relationships Through Communication* - Daniel J. Canary 2003-01-30

Relational maintenance provides a rallying point for those seeking to discover the behaviors that individuals utilize to sustain their personal relationships. Theoretical models, research programs, and specific studies have examined how people in a variety of close relationships choose to define and maintain those relationships. In addition, relational maintenance turns our attention to communicative processes that help people sustain their close relationships. In this collection, editors Daniel J. Canary and Marianne Dainton focus on the communicative processes critical to the maintenance and enhancement of personal relationships. The volume considers variations in maintaining different types of personal relationships; structural constraints on relationship maintenance; and cultural variations in

relational maintenance. Contributions to the volume cover a broad range of relational types, including romantic relationships, family relationships, long-distance relationships, workplace relationships, and Gay and Lesbian relationships, among others. **Maintaining Relationships Through Communication: Relational, Contextual, and Cultural Variations** synthesizes current research in relationship maintenance, emphasizes the ways that behaviors vary in their maintenance functions across relational contexts, discusses alternative explanations for maintaining relationships, and presents avenues for future research. As such, it is intended for students and scholars studying interpersonal communication and personal relationships.

**Loving... and Leaving** - Ernest Gikuma  
2018-07-19

Surprising fact or encouraging statement about LDR (Use bold, not larger font that costs you room on the main book page) In **Loving... and Leaving**, author Ernest Gikuma draws on over 20 years as a life coach and relationship counsellor to offer proven methods that any couple can use while involved in long-distance relationships to avoid separation anxiety and even strengthen your relationship during difficult lengths of time and distance away from a romantic partner. The author's personal experience and interviews with experienced couples involved in long-distance love allowed him to understand the underlying reasons why some couples fail and others succeed in their love relationships. This study was used to develop a simple but powerful set of long distance relationship strategies that can teach couples communication skills and relationship building techniques to overcome relationship anxiety and jealousy often associated with time away. Included in this vital relationship guide are essential advice for: -How to have strong Military relationships and College relationships while apart -How to establish a communication plan and effectively use technology -Virtual activities that can cure loneliness -How to avoid the fears of infidelity and dwindling attraction -Understanding your partner - everybody reacts to separation differently -How to make the most of brief romantic visits and maximize their effect for your relationship This book should be your

stronghold. You can enjoy a special relationship despite the lack of physical contact or closeness. Many have done it, it's your turn & you can do it!!!

**Eight Dates** - John Gottman 2019-02-05  
Strengthen and deepen your love with a fun, ingenious program of eight life-changing conversations—on essential topics such as money, sex, and trust—from two of the world's leading marriage researchers and clinicians. Navigating the challenges of long-term commitment takes effort—and it just got simpler, with this empowering, step-by-step guide to communicating about the things that matter most to you and your partner. Drawing on forty years of research from their world-famous Love Lab, Dr. John Gottman and Dr. Julie Schwartz Gottman invite couples on eight fun, easy, and profoundly rewarding dates, each one focused on a make-or-break issue: trust, conflict, sex, money, family, adventure, spirituality, and dreams. Interactive activities and prompts provide motivation to stay open, stay curious, and, most of all, stay talking to each other. And the range—from the four skills you need for intimate conversation (including Put Into Words What You Are Feeling) to tips on being honest about your needs, while also validating your partner's own emotions—will resonate, whether you're newly together or a longtime couple looking to fortify your bond. You will discover (or rediscover) your partner like never before—and be able to realize your hopes and dreams for the love you desire and deserve.
