Mary Magdalene Beckons - Mercedes Kinkel 2012

Experience Mary Magdalene as a rising teacher in today's spiritual arena. Through 25 insightful messages, Mary focuses on issues that often aren't addressed by spiritual leaders -- uniting the Feminine and Masculine, healing body shame, the sacredness of sexuality, and emotional mastery -- explaining how these are essential for living in the heart. Mary's universal teaching, paired with the author's clarifying commentary, makes this award-winning book a treasure-trove of Feminine guidance and spiritual truths. Mary describes her partnership with Yeshua (Jesus) as loving equals, including being co-teachers for their shared work. Mary's role was to bring the Feminine aspect of their teaching, which they knew the world wouldn't be ready to receive for 2000 years. In sharing her long-hidden teaching, Mary shows us what it is to be a powerful, spiritual woman in complete union with her beloved male partner (Yeshua) and the Divine Masculine. MARY MAGDALENE BECKONS was birthed over a one month period, when Mary Magdalene came daily to author Mercedes Kinkel with her extraordinary messages. Kinkel soon realized Mary was downloading a book, chapter by chapter, with Mary and Yeshua as the inspiring models. Whether you're new to Mary Magdalene's path or a longtime admirer of hers, MARY MAGDALENE BECKONS is a gift to your soul. Womb Wisdom - Padma Aon Prakasha 2011-01-21

Tools to awaken the creative powers of the womb • Contains exercises to open the womb's energetic pathways, release toxic emotions, and harness creative potential • Reveals how the womb's energies are crucial for the spiritual shift of 2012: birthing a new civilization • Shows how the awakened womb can also bring about male spiritual transformation In the past and in present-day indigenous traditions, women have known that the womb houses the greatest power a woman possesses: the power to create on all levels. Utilized in the process of giving birth, this power of creation can also be tapped in the birth of projects, careers, personal healing, spirituality, and relationships. However, because the womb stores the energetic imprint of every intimate encounter--loving or not--the creative voice of the womb is often muffled or absent altogether, affecting the emotional, mental, and spiritual health of women and their relationships. Drawing on sacred traditions from ancient India, Tibet, Egypt, Gnostic Christianity, and Judaism, the practice of Womb Wisdom empowers women to become aware of the intuitive voice of the womb outside of pregnancy and the moon cycle to unlock this potent inner source for creativity, birthing the new conscious children, spiritual growth, and transformation not only for themselves but also for their male partners. The authors include exercises to clear the past, release toxic emotions, open the womb's energetic pathways, activate the sacred sensual self, bring balance to relationships, and harness creative potential. Including intimate, individual stories of women experiencing the opening of the womb, this book also explores the forgotten

sacred sites of the womb around the world as well as how the womb's energies are crucial to birth a new civilization in the spiritual shift of 2012.

Alchemy - Titus Burckhardt 1997

Spiritual attainment has frequently been described as a transformation whereby a human's leaden, dull nature is returned to its golden state. This wonderfully insightful volume introduces some of the metaphors useful for establishing attitudes required for the soul's advancement: trust, confidence, hope, and detachment. It is a reminder that when any substance or entity undergoes dissolution, it must eventually be resolved or re-crystallized in a new, possibly higher and more noble form.

Treatise of Sexual Alchemy - Samael Aun Weor 2012

Gnostic Mysteries of Sex - Tobias Churton 2015-08-17

An exploration of the sexual practices and doctrinal secrets of Gnosticism • Reconstructs the lost world of Gnostic spiritual-erotic experience through examination of every surviving text written by heresiologists • Investigates the sexual gnosis practices of the Barbelo Gnostics of the 2nd century and their connections to the Gnostic Aeon Sophia, the Wild Lady of Wisdom • Explains the vital significance of “the seed” as a sacrament in Gnostic practice Examining every surviving text written by heresiologists, accounts often ignored in favor of the famous Nag Hammadi Library, Tobias Churton reveals the most secret inner teaching passed down by initiated societies: the tradition of sexual gnosis--higher union with God through the sacrament of sex. Discovering actual sex practices hidden within the writings of the Church’s authorities, he reconstructs the lost world of Gnostic spiritual-erotic experience as taught by initiated masters and mistresses and practiced by Christian couples seeking spiritual freedom from the world. Churton explores the practices of the “first Gnostic,” the historical Simon Magus, and explains the vital significance of “the seed” in Gnostic practice, showing it to be the sacramental substance par excellence. He illuminates the suppressed truth of why the name “Valentine” came to be associated with ennobling erotic love and reveals profound parallels between sexual gnosis and Tantra, suggesting that gnosis lies at the root of the tantric path. Solving a millennia-old riddle regarding the identity and secret symbol of Sophia, the mysterious Gnostic “Aeon,” Churton investigates Sophia’s connections to Barbelo, also known as Pruneikos, the Wild Lady of Wisdom, and the central focus of the Barbelo Gnostics of the 2nd century, whose religious sex practices so shocked orthodox Christian contemporaries that they were condemned, their cults of spiritual gnosis and “redemption by sin” driven underground. Churton exposes the mystery of Sophia in the philosophy of the medieval Troubadours and explores William Blake’s inheritance of secret Renaissance sexual mysticism through the revolutionary English poet Andrew Marvell. Showing how Blake’s sexual and spiritual revolution connects to modern sexual magic, Churton also examines the esoteric meaning of the free-love explosion of the 1960s, revealing how sex can be raised from the realm of guilt into the highest magical sacrament of spiritual transformation.

"The teachings passed down through the priestess trainings in the Great Pyramid are being brought forth but there is a critical element that is missing - the connection with the heart and the upper chakras. In order to have a full integration of mind, body, and spirit, it is necessary to integrate not only the masculine and feminine, but to realize the full expression of these qualities in our divine blueprint. This requires healing of the wounds in the lower chakras that can be accomplished with conscious sexual union and appropriate energy practices, but it also requires an engagement of the Loving energy of the heart through the full expression of unconditional Love. It is through this door that access to the higher chakras is integrated into form Penny did not currently have a beloved in her life, but Mother Mary said he was coming to "rekindle fires left smoldering in previous lifetimes." Cool!she thought and she agreed. He showed up as promised and thus began an extraordinary adventure in the exploration of Hieros Gamos, the Sacred Union of the Divine Feminine and Divine Masculine. The Healing Power of the Sacred Woman - Christine R. Page 2012-11-16

How to enhance well-being by reconnecting to sacred womanhood • Shares ways to embody the power, wisdom, and compassion of the Great Mother • Reveals a woman’s purpose is to give birth not only to new life but also to new levels of consciousness • Shows how female illnesses represent a disconnection from our true identity as women Four thousand years ago, women were seen as living representatives of the Great Mother, whose cyclical and potent energy gave birth to all existence. Today, this sacred awareness has been lost or distorted, causing a collective amnesia among women around the world. However, there is one symbol of the Great Mother’s loving presence that has remained unchanged for tens of thousands of years: the physical body. Its curves, sensuality, softness, and monthly flow are constant reminders of this deep loving connection. When illness appears, especially within the breasts and fertility organs, a woman is being reminded to return to her pure and sacred identity, where death and birth are essential for growth and love flows without expectations. Combining more than 30 years’ experience in health care with in-depth research into the history and mythology of the divine feminine, Christine R. Page, M.D., reveals that women are the foundation of the birth of new levels of consciousness, without which the evolution of humanity will become barren and dry. Yet, such birth can occur only when women have the courage to reject the beliefs and images of the feminine imposed upon them four thousand years ago and reclaim their true identity. Through a fascinating journey into the body, Dr. Page shows the importance of self-love and self-respect and explains how sex is a natural process of unification where women take the lead, similar to

the ancient sacred priestesses. Dr. Page reminds women to reconnect to the potent and creative energy of Mother Earth, which gives power to the intuitive voice of the heart and nurtures new seeds of inspiration and enlightenment through the womb.

The Power of Divine Eros - A. H. Almaas 2013-09-17

Two innovative spiritual teachers show how to use desire and passion—eros—as a gateway to realizing our fullest potential What do desire and passion have to do with our spiritual journey? According to A. H. Almaas and Karen Johnson, they are an essential part of it. Conventional wisdom cautions that desire and passion are opposed to the spiritual path—that engaging in desire will take you more into the world, into egoic life. And for most people, that is exactly what happens. We naturally tend to experience wanting in a self-centered way. The Power of Divine Eros challenges the view that the divine and the erotic are separate. When we open to the energy, aliveness, spontaneity, and zest of erotic love, we will find it inseparable from the realm of the holy and sacred. When this is understood, desire and passion become a gateway to wholeness and to realizing our full potential. Through guided exercises, the authors reveal how our relationships become opportunities on the spiritual journey to express ourselves authentically, to relate with openness, and to discover dynamic inner realms with another person. Through embodying the energy of eros, each of us can learn to be fully real and alive in all of our interactions.

She is rising collectively now, and many women--and men--are feeling a welling up of sacred rage inside, a calling to set things right in our own lives and seek justice for those who can’t defend themselves. Offering much-needed perspective, advice, and tools for channeling the righteous energy and sacred rage of the Divine Feminine, Anaiya Sophia explains how to distinguish the Fierce Feminine from personal anger and reveals how it is not a feminist movement set to publicly condemn all that is masculine but a collective spiritual uprising for the greater good of humanity. She shares constructive practices drawn from Eastern tradition to help you embody the courage of the Fierce Feminine to heal from predatory relationships and traumatic experiences, recenter your personal power, and gain control of your sacred rage rather than allowing it to control you. She details sacred sexuality exercises, including those with a yoni egg to clear the womb after lovemaking and dispel any energetic imprint left by an ex-partner. She provides instructions to gain access to the primordial wisdom within the untapped portion of the female brain, embrace your inner Kali, and personally deal with sorrow and anger. Through this passionate step-by-step guide to comfort your spiritual anguish and dispel the helplessness of not knowing what to do, Anaiya Sophia encourages those who feel the call of the Fierce Feminine to embrace their sacred mission and allow it to rebalance the powers that govern the planet as well as harmonize our minds.
