National Conference on Sex Offender Registries - 1998

This document presents the proceedings of the conference. Day One of the conference focused primarily on the sex offender problem from a Federal perspective. A panel of U.S. Justice Department officials discussed various aspects of the Federal statutes and conducted an informative question-and-answer session to address the specific concerns of individual States. DayTwo began with a presentation by FBI representatives concerning preparations the Bureau is taking to assume control of registration and notification functions in States unable to establish their own effective programs.

Innovations and Advancements in Sex Offender Research - Wesley Jennings 2016-04-14

This book provides a comprehensive dissemination of theoretically grounded and empirically sound research on sex offenders and sex offending. It uses diverse methodological approaches with implications for the research of criminal justice policy and practice. The chapters derive from and focus on different geographical contexts and generate empirical evidence concerning sex offenders and sex offending including: low sex recidivism rates; a lack of sex offender specialization; little to no evidence of sex offending continuity from adolescence to adulthood; and a host of collateral consequences of sex offender registration and notification policies with limited deterrent effect or public safety benefit. This book was originally published as a special issue of the Journal of Crime & Justice.

No Easy Answers - 2007

No Easy Answers is the first comprehensive study of US sex offender registration, community notification and residency restriction laws, their public safety impact, and the effect they have on former offenders and their families. It concludes the laws are poorly crafted and misguided, failing to protect children from sex crimes but making it nearly impossible for former offenders to rebuild their lives. In many states, everyone convicted of a sex crime must register and the requirement can last for life. The requirements are overbroad in scope and overlong in duration. As a result, there are more than 600,000 registered sex offenders, including individuals convicted of sexual sex between teenagers, prostitution, and public urination, as well as those who committed their only offenses decades ago. Unfettered public access to online sex offender registries exposes registrants to harassment, ostracism, and even violence, with little evidence that this form of community notification protects anyone from sexual violence. Residency restrictions prohibit former offenders from living within a designated distance (anywhere from 500 to 2,500 feet) from places where children gather. The restrictions have the effect of banishing former offenders from entire towns, forcing them to live far from home, families, jobs, and treatment, and hindering law-enforcement supervision. The restrictions may have no impact on the likelihood of recidivism. Sex offender laws reflect public concern that children are at grave risk of sexual abuse by strangers who are repeat offenders. The real risks children face are quite different: statistics demonstrate that most sexual abuse of children is committed by family members or persons known and often trusted by the victim, and by someone who has not previously been convicted of a sex offense. The laws also reflect the widely shared but erroneous belief that sex offenders continually repeat their offenses. Authoritative studies, however, indicate that three out of four adult offenders do not reoffend.

West's Federal Practice Digest 4th - 1989

Locate federal cases decided in the U.S. Supreme Court, Court of Appeals, district courts, Claims Court, bankruptcy courts, Court of Military Appeals, the Courts of Military Review, and other federal courts. This Key Number Digest contains all headnotes, classified according to West's® Key Number System, for federal court decisions reported from 1984 to the present. The topics are listed in alphabetical order. The Key Numbers within those topics are listed in numerical order. Each topic

begins with scope notes about subjects included and subjects excluded and covered by other topics. Also, there is an outline of the topic, which includes a list of all Key Numbers in that topic. Headnotes are collected by jurisdiction or court and filed according to the West Key Number System®.

The Army Lawyer - 2009

Understanding Child Sexual Abuse - Edward L. Rowan 2009-09-18

The number of confirmed cases of child sexual abuse in the United States rose from 6,000 in 1976 to 113,000 in 1985 and rose again to 300,000 in 2000. Understanding Child Sexual Abuse explores the dynamics, effects, treatment options, and preventive measures available to both the children and the adults involved in child sexual abuse. Chapters provide emphasis and guidance on seeking counseling; pathways for victims to seek renewed, healthy, and productive lives; options available for rehabilitating abusers; personality traits common to abusers; victim responses to the trauma of abuse; outlines of work now underway to understand neurobiological aspects of disorders that may lead to abuse; appropriate treatments for victims and offenders; and an overview of recommended books, websites, and other resources for further reading.

Victimology - William G. Doerner 2011-05-09

This breakthrough work provides an organizing structure for the history and current state of the field of victimology, and outlines the reasons compelling a separate focus on crime victims. Highly readable, Victimology explores the role of victimology in today's criminal justice system, examining the consequences of victimization and the various remedies now available for victims. In addition to adding the latest developments in victimology, the authors have included a new chapter on property victimization, and have enhanced and expanded the chapter on personal victimization. The text is supplemented by learning tools including chapter-by-chapter learning objectives, key terms, illustrative figures and tables, and a listing of related Internet sites. * The text provides a comprehensive overview of the origins and scope of victimology, with detailed chapters on specific types of victimization * The authors offer analysis of policy decisions and historical events, with an eye toward future developments in the field * A key chapter highlights the important global impact of restorative justice on responding to the plight of victims * The ever-changing dynamics of contemporary work and school victimization are dissected with special attention to causes and societal responses * The text is supplemented by learning tools including chapter-by-chapter learning objectives, key terms, illustrative figures and tables, and listings of related Internet sites

State Legislative Responses to Violent Juvenile Crime - Patricia M. Torbet 1998

How to Work with Sex Offenders - Rudy Flora 2013-06-19

How to Work with Sex Offenders is a cutting edge, state-of-the-art book that provides mental health professionals best practice techniques on how to clinically evaluate, interview, and treat this challenging patient population. Successful models of individual, family, and group models of psychotherapy are provided for the reader. In addition, this handbook walks the reader through the investigation, arrest, prosecution and court hearing process, from start to finish. Thoroughly revised, this new edition builds on additional research data and new information, adding advanced chapters on female offenders, Internet offenders, pornography, sexual addiction, rape and child and adolescent sexual misconduct. This is a must-read work for undergraduate and graduate students, law enforcement officers, prosecutors, judges, child protection service workers, therapists, and other professionals who work with sex offenders.

Sexual Victimization in Juvenile Correctional Facilities -

Gwendolynn Chunn 2011-04

In compliance with the Prison Rape Elimination Act of 2003, the Dept. of Justice (DoJ) Review Panel on Prison Rape conducted public hearings and gathered data based on the survey described in the Bureau of Justice Stat. report, Sexual Victimization in Juvenile Facilities Reported by Youth, 2008-09. This report provides observations and recommend. to assist practitioners and advocates in preventing sexual victimization in the nation's juvenile correctional facilities. Appendices: Overview of the Juvenile Justice System in the U.S.; Side-by-Side Matrix of Juvenile Facility Responses to Review Panel; Witness List for Review Panel Hearings on Sexual Victimization in Juvenile Correctional Facilities. Charts and tables. A print on demand pub.

Knowledge as Power - Wayne A. Logan 2009-07-21

Societies have long sought security by identifying potentially dangerous individuals in their midst. America is surely no exception. Knowledge as Power traces the evolution of a modern technique that has come to enjoy nationwide popularity—criminal registration laws. Registration, which originated in the 1930s as a means of monitoring gangsters, went largely unused for decades before experiencing a dramatic resurgence in the 1990s. Since then it has been complemented by community notification

laws which, like the "Wanted" posters of the Frontier West, publicly disclose registrants' identifying information, involving entire communities in the criminal monitoring process. Knowledge as Power provides the first in-depth history and analysis of criminal registration and community notification laws, examining the potent forces driving their rapid nationwide proliferation in the 1990s through today, as well as exploring how the laws have affected the nation's law, society, and governance. In doing so, the book provides compelling insights into the manifold ways in which registration and notification reflect and influence life in modern America.

Survey of State Criminal History Information Systems (2008, 10th Ed.) - Owen M. Greenspan 2010-08

This report is based upon the results from a survey conducted of the administrators of the State criminal history record repositories in March¿June 2009. Fifty-six jurisdictions were surveyed. Responses were received from 53 jurisdictions. It presents a snapshot as of Dec. 31, 2008. In addition, the FBI was the source for some of the information relating to criminal history records, including State participation in the Interstate Identification Index (III) system (the national criminal records exchange system) and the number of III records maintained by the FBI on behalf of the States; the number of records in the protection order file; and the number of sex offender records in the FBI National Crime Information Center files. Charts and tables.
