## How to Be Human - Ruby Wax 2018-12-27

How to be Human is the only manual you need to help you upgrade your mind as much as you've upgraded your iphone. 'With this marvellous book, Ruby Wax has confirmed her position as one of the most readable, inspirational and engaging writers in the field of human mental health, happiness and fulfilment.' Stephen Fry 'It took us 4 billion years to evolve to where we are now - completely brilliant and yet, some might say, emotionally dwarfed. The question is: can our more empathetic side catch up in time to save us and the world? I've got nothing against smarts, but it's smarts without emotional awareness that got us into this position of being able to nuke each other into oblivion and rape the earth for oil.' With a little help from a monk (who tells us how our mind works) and a neuroscientist (who tells us how our brain works), Ruby Wax answers every question you've ever had about: evolution, thoughts, emotions, the body, addictions, relationships, sex, kids, the future and compassion. Filled with witty anecdotes from Ruby's own life, and backed up by smart science and practical mindfulness exercises, How to be Human is the only manual you need to help you upgrade your mind as much as you've upgraded your iphone. 'Ruby has beautifully fused neurology and spirituality and given us a means to cope with operating both a mind and a brain. If this mental upgrade works then all other books will become defunct as we repose in bliss.' Russell Brand 'How to

Be Human is, without exaggeration, a lifeline; wise, practical and funny, it is a handbook for those in despair. It is actually for everyone alive, for the curious, or disillusioned or muddled or just plain happy.' Joanna Lumley

## Girl Boner - August McLaughlin 2018-08-07

In a culture where female empowerment is used to sell everything from sex toys to soap, most sex education continues to bypass pleasure. In Girl Boner: The Good Girl's Guide to Sexual Empowerment, August McLaughlin offers an inclusive, unfiltered blend of personal narrative and practical tips on relationships, solo play, journaling, gender issues, and more. From the perks of "jilling off" to the 7 types of 'gasms, Girl Boner will "empower you to own your sexual self and enjoy ... your whole life a great deal more."

**The Mominatrix's Guide to Sex** - Kristen Chase 2009-12-18

From the Introduction: For a mother regaining her sexual self, it's less about learning the latest and greatest blow job technique and more about figuring out how to make a sexual relationship work when the batteries from your vibrator are now powering your baby monitor and the last orgasm you had was when your baby slept four hours in a row. Motherhood undoubtedly affects our sex lives, but with little opportunity to explore the new changes in our bodies and sexual beings, like many mothers we focus on making sure our kids have perfectly mashed organic bananas and fair-trade hemp organic diapers. And while their tummies and asses are pesticide-free, we're wishing someone cared about ours (or at least our asses) just as much. This guide gives moms everywhere permission to exchange their mommy jeans for something just a bit more, um . . . flattering. Self-proclaimed Mominatrix and author of the popular sex column of the same name, Kristen Chase proves that there is more to motherhood than diapers and timeouts. Good moms can be sexy mamas with just a little mominatrix training!
