The Poetry of Sex - Sophie Hannah 2014-01-30

The Poetry of Sex - a raucous, highly enjoyable anthology by acclaimed poet Sophie Hannah 'We've been at it all summer, from the Canadian border to the edge of Mexico . . .' It's hard to imagine a more fruitful subject for poets than sex, in all its glorious manifestations: from desire and hope, through disappointment and confusion, to conclusion and consequence. And little has changed over the centuries, as Sophie Hannah's anthology vividly demonstrates, from Catullus pleading with Lesbos to Walt Whitman singing the body electric. Moods and attitudes may vary but the drive persists as does the desire to write about it. Sophie Hannah's selection ranges from ancient Rome to modern New York, from gay to straight, but her principle has been to go low on the sugar and high on the excitement. It is essential reading for poetry lovers and romantics everywhere. Sophie Hannah has published five collections of poetry. Her fifth *Pessimism for Beginners* was shortlisted for the T.S. Eliot Award in 2007. Her *Selected Poems* is published by Penguin (revised edition, 2013). She is also the writer of bestselling psychological crime fiction, most recently *The Carrier*. Her novels have been translated into 24 languages. Born in Manchester, she now lives in Cambridge with her husband and children, and is a Fellow Commoner of Lucy Cavendish College.

Spicy, Freaky, Sex Poems - Cyndi X. 2007-08-01

This is a really hot and freaky, sex poetry book. It also has sex positions in it. The title of the book sells it self, if you like to read about sex, relationships and love or if you want to see some sex positions, this is book you been waiting for.

Sex Poems for Virgins - Donald Wells 2008-12

These poems are breathtakingly beautiful...Thought provoking...One poem would make me laugh and a page later, I d cry.Donald Wells is a remarkable talent.SEX POEMS FOR VIRGINS is a collection of poems written by Donald Wells in rhyme, they are sometimes humorous, often unique and frequently thought provoking.

The Erotic Poems - Ovid 1983-02-24

This collection of Ovid's poems deals with the whole spectrum of sexual

desire, ranging from deeply emotional declarations of eternal devotion to flippant arguments for promiscuity. In the *Amores*, Ovid addresses himself in a series of elegies to Corinna, his beautiful, elusive mistress. The intimate and vulnerable nature of the poet revealed in these early poems vanishes in the notorious *Art of Love*, in which he provides a knowing and witty guide to sexual conquest - a work whose alleged obscenity led to Ovid's banishment from Rome in AD 8. This volume also includes the "Cures for Love," with instructions on how to terminate a love affair, and "On Facial Treatment for Ladies," an incomplete poem on the art of cosmetics. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Unsafe Sex - Ifor Thomas 1998

Often provocative, sometimes funny, this collection ranges from ferocious performance poetry to an increasingly bittersweet seam of writing, both challenging and honest.

Naked Soul - Salil Jha 2015-01-09

"Naked Soul: The Erotic Love Poems" is an extraordinary storytelling in the form of erotic love poetry, speaking directly to the reader's heart through sensations that course throughout the body. This powerful collection of erotic and sensual love poems celebrates the erotic spirit in all its forms -- from intense passionate sexual desire to seductive victory. There are love poems for every mood and sentimental feeling, for every phase of love you are experiencing whether you are with a partner or not. Read it slowly. Read a poem at a time, or two-or all at once-but give it time to sink into your heart. Read them again. Visualize. Let the poem show you what may be lying dormant in your own heart. Any poetry lover who loves deep symbolism, storytelling and musing over deep verses will find this book very touching. No matter which phase of love you are growing in currently, this book will serve to sail you further towards the

endless ocean of love.

Charmed, I'm Sure - D. L. Forbes 2019-11-29

I grew up in a particularly primitive era and society in the United Kingdom in the 1950's and 60's which deemed it imperative that the moors of archaic religions and laws of the State should control the private and consensual sexual activity of the adult population. As a young lad, I wondered why most adults were so concerned and fidgety about what other adults did sexually in private, and I knew instinctively, as the young often believe they do, that many of the conventions and laws that adults perpetrate were simply a load of old malarkey. I decided that when and if I made it to puberty and beyond, I would ignore all such specious and aberrant strictures and work out the precepts of my own life and my own sexuality for myself, which I did, and do, and here in these poems is a small chunk of that. These poems span a period of over forty years, and are not presented chronologically, but are those that drew my interest or a specific remembrance, and taken randomly from many notes and sketchbooks, as a rambling sampler. These poems are of sexual content, often explicitly so, and are intended for adult readers, ideally by those who do not feel obliged to excoriate sexuality not their own.

Poems about Sex - Will Inrig 2015-04-05

Poems about erotic love that seduce by their melancholy and flow like music, written with elegance, wit and mysticism. The perfect foreplay for nights of poetic intercourse.

"And Never Know the Joy" - C. C. Barfoot 2006

"And Never Know the Joy" : Sex and the Erotic in English Poetry promises the reader much to enjoy and to reflect on: riddles and sex games; the grammar of relationships; the cunning psychology of bodily fantasies; sexuality as the ambiguous performance of words; the allure of music and its instruments; the erotics of death and remembrance, are just a few of the initial themes that emerge from the twenty-five articles to be found in this volume, with many an invitation "to seize the day". Reproduction, pregnancy, and fear; discredited and degraded libertines; the ventriloquism of sexual objects; the ease with which men are reduced to impotence by the carnality of women; orgasm and melancholy; erotic

mysticism and religious sexuality; the potency and dangers of fruit and flowers; the delights of the recumbent male body and of dancing girls; the fertile ritual use of poetic texts; striptease and revolution; silent women reclaimed as active vessels, are amongst the many engaging topics that emerge out of the ongoing and entertaining scholarly discussion of sex and eroticism in English poetry.

Love, Sexy And Erotic Poems - Michaela Iacoe 2015-05-04

The poetry or lyric genre, is one of the seven traditional arts, for which human language is used for aesthetic purposes, that is, it portrays something where everything can happen depending on the author's imagination as the player. Poetry, according to the common way of speaking, means two things art, that teaches, and the work done with art;. Art is poetry, poem work, the poet craftsman. The sense of poetic message can be, although it is the aesthetic form to define a text as poetry. Poetry comprises metaphysical aspects and the possibility of these elements transcend the factual world. This is the land that it is truly of the poet. In a broader context, poetry appears also identified with the art itself, which is not without reason as every art is also a form of language (although not necessarily verbal). It is the art of write poetry that allows us to express what is inside of us. Thus, this book presents some erotic content of poems(of the author imagination)

Winter Sex - Katy Lederer 2002

Interest in this debut poetry collection will surge with the release of her new memoir (Poker Face).

Erotic Poems - e. e. cummings 2010-01-26

E. E. Cummings's erotic poems and drawings gathered in a single volume. Many years ago the prodigious and famously prolific E. E. Cummings sat in his study writing and thinking about sex. His private brooding gave way to poems and drawings of sexual and romantic love that delight and provoke. Here, collected for this first time in a single volume, are those erotic poems and sketches, culled from Cummings's original manuscripts by the distinguished editor George James Firmage. from "16" may i feel said he (i'll squeal said she just once said he) it's fun said she (may i touch said he how much said she a lot said he) why not

said she

The Poetry of Sex - Sophie Hannah 2015-02-03

The Poetry of Sex - a raucous, highly enjoyable anthology by acclaimed poet Sophie Hannah We've been at it all summer, from the Canadian border to the edge of Mexico . . . Romance and poetry seem to go hand in hand but - implicit, explicit, nuanced or starkly frank - sex itself has long been a staple subject for poets. In fact a great deal of erotic poetry rejects the distinction. It's hard to imagine a more fruitful subject for poets than sex, in all its glorious manifestations: from desire and hope, through disappointment and confusion, to conclusion and consequence. And little has changed over the centuries, as Sophie Hannah's anthology vividly demonstrates, from Catullus pleading with Lesbos to Walt Whitman singing the body electric. Moods and attitudes may vary but the drive persists as does the desire to write about it. Sophie Hannah's selection ranges from ancient Rome to modern New York, from gay to straight, but her principle has been to go low on the sugar and high on the excitement. The result is a raucous, highly enjoyable anthology. From Shakespeare to Carol Ann Duffy, this book is essential reading for poetry lovers and romantics everywhere. It is a perfect counterpart to the The New Penguin Book of Love Poetry and a wonderful companion to Sophie Hannah's own Selected Poems. 'Sophie Hannah is among the best at comprehending in rhyming verse the indignity of having a body and the nobility of having a heart' Guardian 'A shrewd and accurate observer of the world around her, and of her own life, she is often very funny' The Oldie 'The brightest young star in British poetry' Independent Sophie Hannah has published five collections of poetry. Her fifth Pessimism for Beginners was shortlisted for the T.S. Eliot Award in 2007. Her Selected Poems is published by Penguin (revised edition, 2013). She is also the writer of bestselling psychological crime fiction, most recently The Carrier. Her novels have been translated into 24 languages. Born in Manchester, she now lives in Cambridge with her husband and children, and is a Fellow Commoner of Lucy Cavendish College.

Old People Sex - Ashley Lister 2020-06-29

This book contains a broad selection of Ashley Lister's poems all of which

have been described by various critics as either darkly amusing, absolutely hilarious or obscenely offensive. Many of these poems touch on the subject of sex and this is not surprising. The act of sex, whilst being a lot of fun, is also something that is quite amusing in our contemporary society. Intimacy is something which most adults desire, yet the subject remains forbidden and taboo, as though our passions are base, unsavoury or simply inappropriate. The Filipino writer, F. Sionil José said, "Poetry is emotion, passion, love, grief-everything that is human. It is not for zombies by zombies." In that spirit, it would be a poor collection of poetry that did not reflect on that most passionate aspect of life that is physical adult intimacy. Several of these poems have a political content. The American poet, Sonia Sanchez, said, "All poets, all writers, are political. They either maintain the status quo, or they say 'something's wrong, let's change it for the better'." It's debatable whether or not any of these political poems suggest any change for the better. They are simply presented to entertain and amuse audiences with left-wing leanings. In amongst these poems are a range of pieces that touch on an eclectic variety of subjects such as Cilla Black, growing old, apostrophes and Romeo and Juliet. The author has provided brief introductions to some pieces whilst others have been presented as self-explanatory artefacts. It's also important to accept this collection's title that some of these poems are highly offensive. Ashley Lister expresses some outrageous opinions and questionable attitudes, all of which is done to entertain because, as the poet Anne Sexton once advised when discussing the art of being a poet, "Whatever you do, don't be boring." So, if you are easily offended, this is not the book for you. However, if you're willing to take the risk, please enjoy the contents of this collection.

Poems of Love, Sex and God - Jamy Faust 2013

SEX and the Single Girl Revisited - Mary-Margaret (anand sahaja) Stratton 2018-06-19

Anand's third collection of poetry is a book of sometimes erotic poems is entitled appropriately enough, Sex and the Single Girl Revisited. Yes, even the cover is a fun nod to the first edition of the famous 1962 classic

piece of literature written by Helen Gurley Brown. Sexuality is a hot topic these days and anand provides us with some hot topic poems, witty, wildly imaginative and super-real. The influence of Bukowski shows up most in this collection with tales of wild nights, drinking, and other frolics. Her succinct twisted sensibility comes out strong in "Winning," "missing your vibes," "Problems With Superiority" and "green pants." Each and every poem is accompanied by a hand-drawn piece of unique artwork by anand herself, and also by a talented illustrator from Croatia, Bernarda Saldo. In addition, outstanding work by artists from around the world (United States, Bosnia and Herzegovina, India, Romania, the Ukraine and Poland) were included. From the author, "a collection of writings written about clandestine situations that I have witnessed... imagined... or quite possibly experienced..."

The Erotic Poems - Ovid 2004-04-29

This collection of Ovid's poems deals with the whole spectrum of sexual desire, ranging from deeply emotional declarations of eternal devotion to flippant arguments for promiscuity. In the Amores, Ovid addresses himself in a series of elegies to Corinna, his beautiful, elusive mistress. The intimate and vulnerable nature of the poet revealed in these early poems vanishes in the notorious Art of Love, in which he provides a knowing and witty guide to sexual conquest - a work whose alleged obscenity led to Ovid's banishment from Rome in AD 8. This volume also includes the Cures for Love, with instructions on how to terminate a love affair, and On Facial Treatment for Ladies, an incomplete poem on the art of cosmetics.

[A South Side Girl's Guide to Love & Sex](#) - Mayda Del Valle 2018

As a child of Puerto Rican migrants on Chicago's Southside, Mayda Del Valle's poetry utilizes part Spanish and English, part hip-hop and salsa, part Nas and Sonia Sanchez, part Shakespeare and John Leguizamo. It is inherited history as well as traditions remixed and invented. Del Valle creates autobiographical narratives that utilize spoken word poetry and music, intended equally for the page and live performance. Rooted in the aesthetics of hip-hop and the urban Latino experience, the poems here

explore themes of healing, transformation, and the recovery of ancestral memory in the modern-day diaspora. The beauty of this collection is that the poet manages to curate the flow such that the reader can DJ the poems-arrange their own set and thus, to borrow a phrase from that system, "spin" their own performance. Book jacket.

The Best American Erotic Poems - David Lehman 2008-02-05

There is a deep tradition of eroticism in American poetry. Thoughtful, provocative, moving, and sometimes mirthful, the poems collected in The Best American Erotic Poems celebrate this exuberant sensuality. These poems range across the varied landscapes of love and sex and desire -- from the intimate parts of the body to the end of an affair, from passion to solitary self-pleasure. With candor and imagination, they capture the delights and torments of sex and sexuality, nudity, love, lust, and the secret life of fantasy. David Lehman, the distinguished editor of the celebrated Best American Poetry series, has culled a witty, titillating, and alluring collection that starts with Francis Scott Key, Emily Dickinson, Walt Whitman, and Hart Crane, encompasses Frank O'Hara, Anne Sexton, John Updike, Charles Simic, Billy Collins, Kevin Young, and Sharon Olds, and concludes with the rising stars of a whole new generation of versifiers, including Sarah Manguso, Ravi Shankar, and Brenda Shaughnessy. In a section of the book that is sure to prompt discussion and further reading, the living poets write about their favorite works of erotic writing. This book will delight, surprise, and inspire.

Erotic Poems - Peter Washington 1994-04-12

These poems, selected from most of the cultures and histories of world literature, provide magnificent witness to the fact that love is as much an act of the imagination as it is of the body. From fourth-century Li Ch'ung's "Parody of a Lover" to John Betmeman's "Late-Flowering Lust," they re-create, through the revelations of language, that experience of the erotic. Other poets include Theodore Roethke, Robert Graves, Octavio Paz, Joseph Brodsky, Sylvia Plath, Federico Garcia Lorca, Percy Bysshe Shelley, and many others.
