I Love Jesus, But I Want to Die - Sarah J. Robinson 2021-05-11

A compassionate, shame-free guide for your darkest days "A one-of-a-

kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be

minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like what you expect. **American Book Publishing Record** - 1984

Running the Red Lights - Charles Mylander 1986

Breaking the Cycle - George Collins 2011-10-01

Anyone who has struggled with sex addiction knows that living with constant sexual compulsions can be extremely difficult. But summoning the courage to find help for this condition can be even more of a challenge. If addictions to pornography, strip clubs, massage parlors, prostitutes, phone sex, or chat rooms have made you feel trapped, this book can help you find a way to break free. Written by a former sex

addict who specializes in counseling people who suffer from sexually compulsive behavior, *Breaking the Cycle* presents a step-by-step plan to enjoying a life of productivity and purpose. You can free yourself from the powerful, compulsive urges that may have damaged your career, finances, or relationships with friends and family. The exercises in this book will show you how to regain control of your life and build meaningful intimate connections with others.

Perspectives on Science and Christian Faith - American Scientific Affiliation 1987

Readings in Christian Ethics - David K. Clark 1994

Ethical interpretations meet real life. Case studies and readings explore divergent views on morals in action.

The 48 Laws of Power - Robert Greene 2000-09-01

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

Living Ethically in the '90s - J. Kerby Anderson 1990

Sexual Sanity - Earl D. Wilson 1984-01-01

Biblical Counsel - 1993**Ending Discrimination Against People with Mental and Substance Use Disorders** - National Academies of Sciences, Engineering, and Medicine 2016-09-03

Estimates indicate that as many as 1 in 4 Americans will experience a mental health problem or will misuse alcohol or drugs in their lifetimes. These disorders are among the most highly stigmatized health conditions in the United States, and they remain barriers to full participation in society in areas as basic as education, housing, and employment. Improving the lives of people with mental health and substance abuse disorders has been a priority in the United States for more than 50 years. The Community Mental Health Act of 1963 is considered a major turning point in America's efforts to improve behavioral healthcare. It ushered in an era of optimism and hope and laid the groundwork for the consumer movement and new models of recovery. The consumer movement gave voice to people with mental and substance use disorders and brought their perspectives and experience into national discussions about mental health. However over the same 50-year period, positive change in American public attitudes and beliefs about mental and substance use disorders has lagged behind these advances. Stigma is a complex social phenomenon based on a relationship between an attribute and a stereotype that assigns undesirable labels, qualities, and behaviors to a person with that attribute. Labeled individuals are then socially devalued, which leads to inequality and discrimination. This report contributes to national efforts to understand and change attitudes, beliefs and behaviors that can lead to stigma and discrimination. Changing stigma in a lasting way will require coordinated efforts, which are based on the best possible evidence, supported at the national level with multiyear funding, and planned and implemented by an effective coalition of representative stakeholders. Ending Discrimination Against People with Mental and Substance Use Disorders: The Evidence for Stigma Change explores stigma and discrimination faced by individuals with mental or substance use disorders and recommends effective

strategies for reducing stigma and encouraging people to seek treatment and other supportive services. It offers a set of conclusions and recommendations about successful stigma change strategies and the research needed to inform and evaluate these efforts in the United States.

Coming to Terms with Sin - Charles R. Swindoll 1985-10

Sexuality, Religion, and Magic - Michael A. Kőszegi 1994

The Hidden World of the Pastor - Kenneth L. Swetland 2007-01-08

There is no question that pastors are under great stress today. Difficulties tear at the heart of the pastor but are often hidden from the view of the congregation. Kenneth Swetland presents a compelling look at this hidden world through true stories from pastors of different ages and from different parts of the country, various denominations, and diverse backgrounds. Meet Pete, Dirk, Norm, Ted, and others who face such problems as depression, sexual sin, family concerns, friction in staff relationships, gender and leadership conflicts, debt, and divorce. The thirteen case studies can be read alone or used by groups of pastors and/or students for discussion. Reading and discussing the case studies will give insight into the pastor's own problems. Having worked through their own concerns, they will be better equipped to minister to others. Laypeople would also benefit from reading the cases to gain deeper understanding of the world of pastoring and to learn when to offer support and counsel to their own pastors. 'The Hidden World of the Pastor' includes bibliographic entries as well as an appendix on how to teach a case study.

Living on the Ragged Edge - Charles R. Swindoll 1985-10

Here is an intimate glimpse into Solomon's ancient journal, Ecclesiastes, in which the young king's desperate quest for satisfaction-in work, in sexual conquest, in all the trappings afforded by his fabulous wealth-was as futile as trying to "catch the wind." For those struggling with the anxieties and frustrations of our modern era, the good news is that you can find perspective and joy amid the struggle.

Single Adult Ministry - Douglas L. Fagerstrom 1993

A-Z van Berading - Gary C. Collins 2011-08-26

'n Onmisbare gids vir elke mens wat ander wil help om probleme te oorkom en 'n vervulde lewe te lei Die A tot Z van berading is 'n omvattende handleiding wat 'n wye reeks kwessies vanuit 'n Christelike perspektief benader. Dit sluit in: l Persoonlike kwessies - Angs, eensaamheid, depressie, woede, skuldgevoelens l Ontwikkelingskwessies - Kinderopvoeding, adolessensie, vroeë volwassenheid, die middeljare, bejaardheid l Interpersoonlike kwessies - Verhoudings, seks, homoseksualiteit, geweld en mishandeling l Identiteitskwessies - Minderwaardigheid en eiewaarde, siekte, roumart, enkellopendes, die

keuse van 'n huweliksmat l Familie- en gesinskweptes - Voorhuwelike berading, huweliksprobleme, swangerskap, gesinsprobleme, egskeiding en hertroue l Ander kwessies - Geestesversteurings, alkoholisme, verslawing, finansiële berading, beroepsvoorligting, geestelike probleme Elke hoofstuk bevat 'n gevallestudie, Bybelse beginsels en omvattende inligting oor die oorsake en gevolge van elke probleem, en gee volledige riglyne vir die berading van mense wat daarmee worstel. Gary R Collins is 'n voormalige Sielkunde-professor van die Trinity Evangelical Divinity School, waar hy die voorsitter was van die afdeling vir berading. Hy het 'n PhD in Kliniese Sielkunde verwerf aan Purdue University. Benewens Die A tot Z van berading het hy ook How to Be a People Helper, The Magnificent Mind en Can You Trust Psychology? Geskryf. *On My Own* - Tom Eisenman 1985-02
