Mahu Surfer: A Mahu Investigation (Mahu Investigations Book 2)
- Neil S Plakcy 2023-10-27

MAHU SURFER, the second book in Neil Plakcy's Mahu Investigations mystery series, sends gay Honolulu homicide detective Kimo Kanapa'aka back to his surfing past. His new boss asks the former competitive surfer to go undercover on Oahu's North Shore to find the killer of three surfers. The catch: he can't tell any of his family or friends that he has returned to the force, causing him to lie, when he has just come out of the closet and begun to tell the truth about his life. In his return to the North Shore, Kimo discovers trouble in paradise, from an epidemic rise in the use of crystal meth to increasing pressure on real estate prices. He also rekindles an uneasy friendship with a man whose sexual assault drove him into the police academy, and further into the closet, six years earlier. Readers will enjoy an exotic locale, plenty of aloha spirit and a dash of surf culture, as well as a slam-bang ending. Finalist for the Lambda Literary Award for best gay mystery. Perfect for fans of Joseph Hansen, Michael Nava, and John Morgan Wilson.

Real Sex Films - John Tulloch 2017

Real Sex Films explores one of the most controversial movements in international cinema through an innovative interdisciplinary combination of theories of globalization and embodiment. Risk sociology, feminist film theory, and critical feminist mapping theory are brought together with concepts of production, narrative, genre, authorship, stardom, spectatorship, and social audience as several lenses of understanding and extension in ways of seeing real-sex cinema. Notions of personal subjectivity and critical distance, disciplinary co-operation and critique, and cinematic perceptions of the utopia and dystopia of love within risk modernity are the tensions exposed reflexively and in parallel, as each chapter focuses different lenses communicating intimacy, desire, risk and transgression. This book substantively, methodologically, and theoretically embraces and engages in its consideration of the images, ethics, double standards, and embodiments of brutal cinema. Crossing the boundaries of film studies, media and cultural studies, the ethnographic turn, risk sociology, feminist psychoanalytical, and geopolitical studies, this is a book for students, academics, as well as general and professional audiences.
