**The Girlfriend's Fabulous Guide to Real Estate** - Christine Denty 2016-07-20

REALTOR(R) Christine Denty took a look around one day and noticed that although nearly twenty-percent of homebuyers are single women, the whole industry seems geared towards men. So she thought it was high time for a comprehensive, female-centric handbook for real estate...a girlfriend's guide! From the inside scoop on buying and selling homes, to a comprehensive breakdown on how to perform maintenance and upkeep, to tax tips, to how to split up property in the event of separation or divorce, The Girlfriend's Fabulous Guide to Real Estate demystifies the buying, selling, and owning of real estate with simplicity, know-how, and a dollop of empathy topped with a double-scoop of hilarity. Readers will get a first look at some of the terrifying legal documents that rookie buyers and sellers face and find them explained in simple, comprehensible terms. Jam-packed with important information and supported with great visuals like photos, charts, and graphs, The Girlfriend's Fabulous Guide to Real Estate is the one essential primer for women navigating the choppy waters of home ownership. This is the second edition of the book (2021).

**The Girlfriends' Guide to Pregnancy** - Vicki Iovine 2007-01-09

The practical, comforting, honest, and hilarious bestseller for moms-to-be, with more than one and a half million copies in print! Your doctor gives you medical advice. Your mother buys you baby clothes. But who can give you the real skinny when you're pregnant? Your girlfriends, of course—at least, the ones who've been through the exhilaration and exhaustion, the agony and ecstasy of pregnancy. Four-time delivery room veteran Vicki Iovine talks to you the way only a best friend can—in the book that will go the whole nine months for every mother-to-be. In this revised and updated edition, get the lowdown on all those little things that are too strange or embarrassing to ask, practical tips, and hilarious takes on everything pregnant. What really happens to your body—from morning sickness and gas to eating everything in sight—and what it's like to go from being a babe to having one. The Many Moods of Pregnancy—why you're so irritable/distracted/tired/lightheaded (or at least more than usual). Staying Stylish—You may be pregnant, but you can still be the fashionista you've always been (or at least you don't have to look like a walking beachball)—wearing the hippest designers and proudly showing off your bump. Pregnancy is Down To a Science—from in vitro fertilization to scheduled c-sections, there are so many options, alternatives, and scientific tests to take that being pregnant can be downright confusing! And much more! For a reassuring voice or just a few good belly laughs, turn to this straight-talking guide on what to really expect when you're expecting.

**The Bff Girlfriends Guide** - Carmen Renee Berry 2017-09

The ideal gift for special friends, this book celebrates the steadfast, wonderful women in our lives.

The Money Book for the Young, Fabulous & Broke - Suze Orman 2005-03-03

The New York Times bestselling financial guide aimed squarely at "Generation Debt"—and their parents—from the country's most trusted and dynamic source on money matters. The Money Book for the Young, Fabulous & Broke is financial expert Suze Orman's answer to a generation's cry for help. They're called "Generation Debt" and "Generation Broke" by the media — people in their twenties and thirties who graduate college with a mountain of student loan debt and are stuck with one of the weakest job markets in recent history. The goals of their parents' generation — buy a house, support a family, send kids to college, retire in style — seem absurdly, depressingly out of reach. They live off their credit cards, may or may not have health insurance, and come up so far short at the end of the month that the idea of saving money is a joke. This generation has it tough, without a doubt, but they're also painfully aware of the urgent need to take matters into their own hands. The Money Book was written to address the specific financial reality that faces young people today and offers a set of real, not impossible solutions to the problems at hand and the problems ahead. Concisely, pragmatically, and without a whiff of condescension, Suze Orman tells her young, fabulous & broke readers precisely what actions to take and why. Throughout these pages, there are icons that direct readers to a special YF&B domain on Suze's website that offers more specialized information, forms, and interactive tools that further customize the information in the book. Her advice at times bucks conventional wisdom (did she just say use your credit card?) and may even seem counter-

intuitive (pay into a retirement fund even though your credit card debt is killing you?), but it's her honesty, understanding, and uncanny ability to anticipate the needs of her readers that has made her the most trusted financial expert of her day. Over the course of ten chapters that can be consulted methodically, step-by-step or on a strictly need-to-know basis, Suze takes the reader past broke to a secure place where they'll never have to worry about revisiting broke again. And she begins the journey with a bit of overwhelmingly good news (yes, there really is good news): Young people have the greatest asset of all on their side — time.
