The Cowgirl Ropes a Billionaire - Cora Seton 2014

Bella Chatham will lose everything - her veterinary practice, her animal shelter, and even her home - if she can't find another source of income, fast. So when her best friend signs her up for the hot new reality television show, Can You Beat a Billionaire, Bella accepts the challenge and hopes against hope she can win the ten million dollar prize. If she doesn't, it's bye-bye pet clinic and shelter, bye-bye Chance Creek, Montana, and hello to marriage to the billionaire for a year!Evan Mortimer, billionaire, can't believe he's reduced to competing in a television contest to win a wife. Unfortunately, it's the only foolproof way to secure his position as head of Mortimer Innovations. At least he'll be able to dump his "spouse" at the end of the year; he's much too busy to be tied down to a country bumpkin cowgirl.Bella doesn't expect her adversary to be handsome - or funny, or compassionate - but Evan's all three, and he's proving a tough competitor, too. When they end up sharing a tent - and a sleeping-bag - her body betrays her with a longing so deep it cuts her to the core. Still, this cowgirl must stay strong. If Evan uncovers her secret fears, he'll

use them to win the contest - and then he'll own her for a year. She'll be out of luck, out of cash, and stuck being Mrs. Mortimer until he kicks her to the curb. Too bad she can't decide which is worse - winning the show and losing Evan forever, or losing the show and only being his temporary wife. Evan can't believe he's falling for the one woman who doesn't want him. This cowgirl's not impressed by his money, his name, or his inability to sleep in a tent with her for an entire night, but every look and touch she gives him sends his desire through the roof. With a director determined to use his claustrophobia to make him look like a fool, and an adversary so sexy he can hardly see straight, he'll need all his savvy to come out on top. Too bad he's going to lose no matter how this show turns out. If he beats Bella, he'll destroy the first woman he's ever loved. If he doesn't beat her, it's bye-bye Mortimer Innovations. Will either of them remember in time that it's not who wins or who loses - it's how they play the game that really counts? A SEAL's Desire - Cora Seton 2019-09-10

Ten years ago, in the middle of a natural disaster, Navy SEAL Greg Devon lost his heart to a young documentary film director, and when he found out she'd been put in charge of Base Camp, a reality television show, he jumped at the chance to participate. Now he's in big trouble. If he doesn't marry in forty days, the sustainable community he's helping to build will be bulldozed. And Renata Ludlow still barely knows he exists. Renata was fresh out of film school, directing her first film in the Andes, when a mudslide destroyed her subjects' village and she took on financial responsibility for a school full of girls. When billionaire Martin Fulsom made her an offer, she took it and exchanged her dream career for a steady paycheck. With two years to go before the last of her girls graduates, she's got no choice but to keep Fulsom happy—even if it means joining the cast of Base Camp for forty days. She can't marry Greg until she's fulfilled her promise, though. Even if she's beginning to realize he's the man she's always wanted.

With his deadline looming, Greg keeps gambling he can convince Renata to be his bride—and Renata keeps gambling on everything in sight, determined to pay what she owes. Can Greg convince Renata to take a chance on him? Or will she push her luck too far and lose everything? All Jamie Lassiter wants is to marry his best friend's sister and settle down for the rest of his life in Chance Creek. He's saved his money, bought into the Cruz Guest Ranch and he's ready for that wedding, but Claire Cruz is nowhere to be found. Claire's too busy leaving Montana behind to care about cowboys or their wedding plans. She's got plans of her own—a trip around the world. She'll go as soon as she buys her tickets and she doesn't care if she ever sees Chance Creek again. Desperate to change Claire's mind, Jamie proposes a bet: give him six weeks to convince her to marry him. If he can't, he'll pay for her round-the-world tickets himself. Claire can wait six weeks if it means free tickets and a chance to get a little revenge on a man who once broke her heart. She's got only one stipulation: Jamie can't touch or flirt with her—or any other woman—while the bet is on. Now Jamie's on the run from a bevy of cowboy-groupie ranch guests, and Claire's learning she cares about the ranch—and Jamie—more than she dreamed possible. Maybe it's time to lose that bet. Now his grandfather is gone, his inheritance is in trouble, someone else has his job—and he's facing the holidays alone. Kerri Olsen's dream is about to become a nightmare. Nine months ago, Kerri's grandmother passed away unexpectedly, leaving her a home and business she loves—and a houseful of "collections" which have gotten entirely out of hand. Now her mother has given her an ultimatum: clean out Grandma Bess's house and hand over the cash value of her share of the inheritance—by Christmas. Kerri always dreamed of meeting a man and raising a family here. Will she really have to sell her home to pay what she owes her mother? Ryan has known Kerri all his life, but when he meets her again the day before Thanksgiving, he realizes she represents everything he's always loved about this town—and everything he's always wanted in a woman. Kerri never dreamed Ryan would look at her the way he's looking at her now. But they're both facing a tough decision. Can they find a way to stay together in this place they call home? Or is leaving Chance Creek their only option?

Coopers: 2, Turners: 1 With the Coopers taking the lead again in the battle for Chance Creek's Founder's Prize, Liam Turner is determined to put his family back on top. And if that means kidnapping his secret childhood crush, Tory Cooper, well—a cowboy's got to do what a cowboy's got to do. Tory set herself one rule when she returned to Chance Creek: don't get involved—with her own family or anyone else. As soon as she's finished with law school, she's leaving again, and she won't be back. But her family won't get the message—and Liam Turner is a problem on a whole different level. Handsome, smart and determined, he won't shake easily. And she's not sure she wants him to. Now the summer's heating up—and so is the trouble for both their families. Soon they won't be fighting each other—they'll be fighting for their lives. The Cowboy's Christmas Bride - Cora Seton 2016-05-13

After traveling around the globe for over a year, Cole Linden is more than ready to return home to Montana, so when his fiancée, Sunshine, suddenly cuts their trip short and books them flights back to Chance Creek, Cole feels like the holidays have come early this year. He hopes she'll love the present he bought her: a restaurant space downtown. If only he can transform it into the sleek, modern style she likes before Christmas, maybe she'll finally agree to set a date for their wedding. Sunshine can't believe she's pregnant, but she is, which means it's high time to get back home. It also means she needs to re-think her career goals. She can't run a world-class restaurant in tiny Chance Creek—especially not with a baby. So Cole will have to be the breadwinner of the family. Which means he needs a ranch. Luckily she's found one. Three hundred acres of prime ranch land and a wonderful—if dilapidated—house. With Christmas looming, she'll need to race to turn it into the comfortable family home they'll need as soon as they get married. But when a delayed flight results in the loss of their hotel room, Cole and Sunshine realize they'll have to couch surf through the holidays. Staying with each of their friends in turn leads to a series of revelations that might undermine their relationship for good. Can Cole and Sunshine make it until Christmas? Or will this be the holiday that ends it all?
