What Every Mental Health Professional Needs to Know About Sex - Stephanie Buehler, PsyD, CST-S
2013-07-29

Although sexual issues frequently arise in therapeutic practice, mental health professionals are often uncomfortable and poorly equipped to address them. Written by an author who is both a psychologist and sex therapist, this practical guide provides information, tools, and exercises to increase the confidence and comfort of the mental health professional called upon to treat sexual issues during the course of therapy. The book is based on the premise that the therapist must be comfortable with his or her own sexuality in order to offer appropriate treatment. This guide discusses the characteristics of healthy sexuality-for both client and therapist-and explores the reasons that may underlie a therapist's discomfort with addressing sexual issues. Using case studies and sample dialogues, it covers a multitude of common and unusual sexual problems, couple's issues, questions that parents may have about sex, working with LGBT clients, sex for survivors of trauma, sexuality and aging, sexual pain disorders, and how to assess whether more extensive sexual therapy is needed. The guide demonstrates how therapists in different modalities can incorporate treatment of sexual problems into their practice, and covers relevant ethical issues. Included is a downloadable set of practitioner's resources that includes worksheets and client handouts that can be immediately put to use. Additionally, the book provides resources for more in-depth information and discusses collaboration with other health professionals. Key Features: Discusses how to comfortably and effectively discuss, assess, and treat clients' sexual concerns Supported by case studies and therapist/clinician dialogues Includes "Step Into My Office" sidebars taken from the author's own experience Provides downloadable resources including assessments, worksheets, and client handouts *Insatiable Wives* - David J. Ley 2012-01-16

"This enlightening work investigates the history, incidence, and causes of a unique sexual lifestyle pursued by increasing numbers of couples. The most common terms used to describe it are 'hotwife/cuckold

lifestyle.' This sexual practice, a form of sexual nonmonogamy, is distinguished from swinging and polyamory in that the husband rarely seeks sexual contact outside the marriage except for participation in group sex with his wife and other men, while the wife is permitted, and often encouraged, to pursue unrestrained sexual encounters with other men. The author includes interviews and comments from couples living the lifestyle throughout the United States and presents the stories in an attempt to determine the history of this sexual practice and evolutionary underpinnings of this uncommon and socially taboo behavior in an effort to make it more comprehensible to those engaged in the lifestyle and those who are just curious." -- page 4 of cover.

Diagnosing Desire - Alyson K. Spurgas 2020

"Examines how low female desire is produced, embedded, and lived within neoliberal capitalism. Rethinks 'femininity' by investigating sex research that measures the disconnect between subjective and genital female arousal, contemporary psychiatric diagnoses for low female desire, and new models for understanding women's sexual response"--

The Ethical Slut - Dossie Easton 2009

"A practical guide to practicing polyamory and open relationships in ways that are ethically and emotionally sustainable"--Provided by publisher.

The Denial of Death - Ernest Becker 2011-03-01

'It made me rethink the roots of our deepest fears and insecurities, and why we often disappoint ourselves in how we manifest them' Bill Clinton, Guardian Winner of the Pulitzer Prize in 1974 and the culmination of a life's work, The Denial of Death is Ernest Becker's brilliant and impassioned answer to the 'why' of human existence. In bold contrast to the predominant Freudian school of thought, Becker tackles the problem of the vital lie - man's refusal to acknowledge his own mortality. The book argues that human civilisation is a defence against the knowledge that we are mortal beings. Becker states that humans live in both the

physical world and a symbolic world of meaning, which is where our 'immortality project' resides. We create in order to become immortal - to become part of something we believe will last forever. In this way we hope to give our lives meaning. In *The Denial of Death*, Becker sheds new light on the nature of humanity and issues a call to life and its living that still resonates decades after it was written.

Existential Kink - Carolyn Elliott 2020-03-01

A smart, sexy guide to embracing the repressed, tabooed, and often unwanted aspects of ourselves so we can discover our inner power and finally live the life we deserve. "We always get exactly what we want; but often, though we may not be aware of it, what we most want is dark—very dark." Each of us has a dual nature: we are light (conscious) and dark (unconscious). The dark side of our personality—the "other," the shadow side—is made up of what we think is our primitive, primal, negative impulses—our "existential kink." Our existential kink also drives the dark or negative repeating patterns in our life: always choosing the abusive partner or boss, settling for less, thinking that we're undeserving, not worthy. But it also is the source of our greatest power. In *Existential Kink*, Carolyn Elliott, PhD, offers a truth-telling guide for bringing our shadow into the light. Inviting us to make conscious the unconscious, Elliott asks us to own the subconscious pleasure we get from the stuck, painful patterns of our existence. *Existential Kink* provides practical advice and meditations so we truly see our shadow side's "guilty pleasures," love and accept them, and integrate them into our whole being. By doing so, Elliott shows, we bring to life the raw, hot, glorious power we all have to get what we really want in our lives.

Imperial Leather - Anne McClintock 2013-10-01

Imperial Leather chronicles the dangerous liaisons between gender, race and class that shaped British imperialism and its bloody dismantling. Spanning the century between Victorian Britain and the current struggle for power in South Africa, the book takes up the complex relationships between race and sexuality, fetishism and money, gender and violence, domesticity and the imperial market, and the gendering of nationalism within the zones of imperial and anti-imperial power.

The Plantation / the Good Doctor - J. S. Lee 2016-10-05

Two of J.S. Lee's steamy BDSM-filled erotica series packed into a single book! Buy them together and save. Contents include: *The Plantation* (Complete Series): Humiliation and Sexual Torture for the Slave: After David's life hits the crapper, he's left without a girlfriend to help him appear normal and without a dog to be his pal. Working as a reporter, he has an assignment to learn about "The Plantation," which is known as a place where folks are willfully slaves or masters. David offers himself as a slave and is willfully humiliated, tortured, and forced to wear a chastity belt to withhold his release. He must have sex with both men and women whenever he is demand, and he accepts the strap-on treatments from mistresses among other forms of degradation. *The Good Doctor* (Complete Series): A Sex-Therapist's Newfound BDSM Fetish: Patrick has been a therapist specializing in sex addictions and conditions for a long time. He is a cold, mechanical man with just the right amount of sympathy. But as his marriage falls apart and he watches his wife find new lovers even with him still living in the basement, he's began to visit a patient of his outside of work... in fact, he goes to her in the dungeon. His dominatrix is his sole thought throughout the day, a willing slave eager for punishment. He believes he loves her and justifies watersports, torture, and humiliation as part of what he must do just to get a touch of her flesh to his lips. Patrick battles with himself, knowing that he's becoming just like his sordid clients that reach out to him for their own sexual woes.

He & She - MR Wayne Clark 2013-10-25

*** 5-star Silver Medal winner in the 2014 Readers' Favorite Annual International Award Contest *** A Web photo of a dominatrix sends a man mired in midlife crisis on a last-ditch attempt to feel truly alive one more time, even if it kills him. "There are multiple ways to view success in life, and Kit's journey through sexuality is not about preservation of the body, but of the soul... A remarkable investigation of a man attempting to save himself from stagnation." - IndieReader ..". a stylish piece of literary fiction... intellectually engaging throughout. A finely drawn portrait of desire in its fall and winter seasons." - BlueInk Review ..".All in all, this is a delectable novel about a man exploring his unknown sexual fantasies at the price of possibly losing his true self along the way." - Red City Review Growing numb to life, to his on-and-off girlfriend of many years, his career, even Scotch, a man turns fifty. He is a translator who can no longer

dream of translating beautiful works of fiction. He is an amateur musician who can no longer dream of expressing his life on a higher plane, without words. As he glares inside himself he sees little but his declining sexuality, his crumbling hold on life, a growing list of failed relationships, and a darkening well of loneliness. Stumbling upon an image on the Internet one night, he suddenly hears cell doors sliding open. He stares at a young woman, in profile, beautiful, unblinking, regal. Instinctively he knows that by lingering on that image he will shatter a relationship that has kept him on the sane side of loneliness as surely as if he stepped in front of a speeding eighteen-wheeler. But desperate to feel alive again before time runs out, he knows he must see the stranger behind the pixels on his laptop screen. Although it is her image that first transfixes him, his eye afterwards chances on a handful of words on the Internet page. She is a dominatrix. The word triggers something inside him, blows the dust off fantasies trickling back to adolescence, and slowly begins to re-choreograph his decades of sexual memories. Was he ever really the dominant male he thought he was? Did he have a sexual alter-ego? Was this the last card he had to play in life? The face on the screen held the answer. He would find out even if it killed him.

Nevada - Imogen Binnie 2022-06-09

Maria, a trans woman in her thirties, is going nowhere. She spends her aimless days working in a New York bookstore, trying to remain true to a punk ethos while drinking herself into a stupor and having a variety of listless and confusing sexual encounters. After her girlfriend cheats on her, Maria steals her car and heads for the Pacific, embarking on her version of the Great American Road Trip. Along the way she stops in Reno, Nevada, and meets James, a young man who works in the local Wal-Mart. Maria recognizes elements of her younger self in James and the pair quickly form an unlikely but powerful connection, one that will have big implications for them both. *Nevada* is a hilarious, groundbreaking cult classic from Imogen Binnie that inspired a whole literary movement, and is now published in the UK for the very first time. Part of the Picador Collection, a new series showcasing the best of modern literature.

When Someone You Love Is Kinky - Dossie Easton 2011-08-02

Many, many people have sexual interests or practices that are in some way unusual. These people may enjoy bondage or spanking, erotic role-playing, dressing in special clothes that turn them on, or a host of other activities that place them outside the sexual mainstream. Your mechanic might have an alternative sexuality, or your librarian, or your kids' teacher, or your boss.... If someone you love has a sexual kink, or if you suspect that she may, and you want to know more about what that means to her and how you can deal with what it means to you, this book is for you. "When Someone You Love Is Kinky will do more for family values than anything the right wing ever dreamed up, because it lets people communicate and love and respect each other on the basis of who they really are. A wonderful contribution towards a more sex-positive culture." - Dr. Carol Queen, author, *Real Live Nude Girl* "Dossie Easton and Catherine A. Liszt, both wise and compassionate women, and both players in the world of kink, welcome the reader gently into that world and answer everything anyone might have wanted to ask but was really afraid to find out." - Isadora Alman, syndicated sex and relationship columnist

Rapture of the Nerds - Cory Doctorow 2013-04-12

At the dusk of the twenty-first century, Welsh technophobe Huw is one of the billion or so hominids left on Earth, living in a preserve at the bottom of a gravity well. The rest have emigrated, uploading their consciousness to a vast cloud that fogs the inner solar system with a dust of molecular machinery, and occasionally spams Earth with plans for cataclysmically disruptive technologies. Wary of anything more sophisticated than his bicycle, Huw jumps at the chance to attend tech jury service and defend the Earth from the scum of the post-singularity patent office. But his long-awaited stint is cut short when he becomes infected with an itchy technovirus, and unwittingly becomes the last hope of the entire universe.

A Hypersexual Society - K. Kammeyer 2008-11-10

As many can attest, the prevalence of sexual imagery has increased in modern society over the past half century. In this timely new study, Kenneth Kammeyer traces the historical development of sexual imagery in America and society's preoccupation with it, all within a firm theoretical and sociological framework.

The Mister - E L James 2019-04-16

'Packed with passion ... a love story full of charm, music and soul-mates ... a classic E L James combo of the sweet and erotic with the perfect ending for romantics. I think it's her best by far!' - Milly Johnson, The Sun

The thrilling new romance from E L James, author of the phenomenal #1 bestselling Fifty Shades trilogy London, 2019. Life has been easy for Maxim Trevelyan. With his good looks, aristocratic connections, and money, he's never had to work and he's rarely slept alone. But all that changes when tragedy strikes and Maxim inherits his family's noble title, wealth, and estates, and all the responsibility that entails. It's a role he's not prepared for and one that he struggles to face. But his biggest challenge is fighting his desire for an unexpected, enigmatic young woman who's recently arrived in England, possessing little more than a dangerous and troublesome past. Reticent, beautiful, and musically gifted, she's an alluring mystery, and Maxim's longing for her deepens into a passion that he's never experienced and dares not name. Just who is Alessia Demachi? Can Maxim protect her from the malevolence that threatens her? And what will she do when she learns that he's been hiding secrets of his own? From the heart of London through wild, rural Cornwall to the bleak, forbidding beauty of the Balkans, *The Mister* is a roller-coaster ride of danger and desire that leaves the reader breathless to the very last page.

The Brain That Changes Itself - Norman Doidge 2008-08-07

Modern Sexuality - Michael Aaron 2016-10-17

Human sexuality today stands at the crossroads between biological diversity and social conformity, and a battle between the two rages in the media, in social institutions, and in our daily lives. As a sex therapist, Michael Aaron witnesses this struggle each and every day as it plays out on his therapy couch. *Modern Sexuality: The Truth about Sex and Relationships* examines how biology and society collide head-on in the realm of human sexuality. Here, Aaron carefully and convincingly debunks some of the most commonly held beliefs about sexuality - that it is learned and can be changed; that "abnormal" sexual behavior is pathological; that healthy sexuality involves intimacy; that intimacy is the same to everyone; and that sexuality must have a clearly defined purpose. Using groundbreaking brain-imaging studies and cutting-edge psychological insights, *Modern Sexuality* presents the overwhelming case for sexual diversity including orientation, non-traditional relationships, and even specific fantasies and kinks. In a world where sexual "outsiders" battle for acceptance, this work helps to explore the variety of sexual expressions from a normative standpoint, helping readers to understand that their own desires and those of others can happily exist on the same continuum.

BDSM 101 - Rev. Jen 2013-07-01

From the mind that brought you the memoirs *Elf Girl* and *Live Nude Elf* comes *BDSM 101*, a no-nonsense manual for those readers interested in learning about bondage and discipline; dominance and submission; and sadism, masochism, or sadomasochism. For years, Rev. Jen has been coaching her readers on all sex-related matters through her articles in *Penthouse* and posts on *Nerve*, an online magazine. A self-proclaimed authority on the subject of sex (and specifically BDSM), Jen spent her early twenties working as a professional submissive at a swanky Manhattan dungeon before becoming a sex surrogate for a renowned therapist. In *BDSM 101*, Jen shares rare insight into this oftentimes misunderstood world. Practical instructions are given on: Safety and communication Bondage, spanking, flogging Fetishes, humiliation, dirty talk And more! Included are steamy, sometimes ridiculous anecdotes from Jen's past, interviews with her wacky artist friends, and basic illustrations. According to the author, "This book is what would happen if Marquis de Sade, Andy Warhol, and Dorothy Parker got together and made a nymphomaniac Bride of Frankenstein." Useful, entertaining, and written with rare candor, *BDSM 101* is a book that can offer spark to the fires of love in any relationship.
