The Killing Dance - Laurell K. Hamilton 2010-02-04

'These days my life is a cross between a preternatural soap opera and an action-adventure movie.' The first hit man came after me at home, which should be against the rules. Then there was a second, and a third. Word on the street is that Anita Blake, preternatural expert and vampire killer extraordinaire, is worth half a million dollars. Dead, not alive. So what's a girl to do but turn to the men in her life for help? Which in my case means an alpha werewolf and a master vampire. With professional killers on your trail, it's not a bad idea to have as much protection as possible, human or otherwise. But I'm beginning to wonder if two monsters are better than one...

Justin Guitar - Note Reading for Guitarists - Justin Sandercoe 2017-03-01 (Music Sales America). This book has been specially created for any guitarist who wants to learn note reading, be they beginners or more advanced players who have neglected this part of their musicianship. It starts with the very basics of written music and progressively introduces notes on each string one at a time until all notes in the "open position" (first five frets) of the guitar have been mastered, and up to 8th note rhythm subdivisions have been learned and applied. Also covered are sharps, flats, key signatures, accidentals, repeats and more. Each step includes practical exercises, handy tips and tricks and a simple

repertoire for students to put their reading skills into practice. Spiral open so it lays flat no matter what page you're on.

Primal Screamer - Nick Blinko 2011-12-12

A Gothic Horror novel about severe mental distress and punk rock. The novel is written in the form of a diary kept by a psychiatrist, Dr. Rodney

H. Dweller, concerning his patient, Nathaniel Snoxell, brought to him in 1979 because of several attempted suicides. Snoxell gets involved in the nascent UK anarcho-punk scene, recording EPs and playing gigs in squatted Anarchy Centers. In 1985, the good doctor himself "goes insane" and disappears. This semi-autobiographical novel from Rudimentary Peni singer, guitarist, lyricist, and illustrator Nick Blinko, plunges into the worlds of madness, suicide, and anarchist punk.
