Justice has done it again! Somehow she manages to give you the most amazing love story wrapped up with a no holds barred suspense thriller that will have you on the edge of your seat from the very beginning." -Amazon Reviewer I only wanted a cup of coffee. Alone. It was a simple request, right? Just stroll into the coffee shop on the corner, grab my usual cup of liquid nitrogen, and walk back out. All while minding my own business. But I had to walk in at that exact moment. Not ten minutes earlier. Not ten minutes later. Precisely when Savannah Fields needed someone to help her. When no one except me had the courage to stand up for her. After the incident, she looked at me like I was her hero. But I'm no hero. I don't even know who or what I am anymore. Who is Nick Tucker? A DEA agent? A criminal? Both? Neither? The lines I crossed while undercover blurred my staunch sense of morality. Then the auburn-haired beauty showed up at my apartment, begging for my help. I couldn't turn her away. The more I lost myself in her, the more I found myself again. Or so I thought. Even a broken clock gets to be right twice a day. There's a fine line between right and wrong, love and hate, heaven and hell.

**Lady Chatterley's Lover** D.H. Lawrence 2020-04-27 *Lady Chatterley's Lover* is a novel by D. H. Lawrence written in 1928. Printed privately in Florence in 1928, it was not printed in the United Kingdom until 1960 (other than in an underground edition issued by Inky Stephensen's Mandrake Press in 1929). Lawrence considered calling this book *Tenderness* at one time and made significant alterations to the original manuscript in order to make it palatable to readers. It has been published in three different versions. The publication of the book caused a scandal due to its explicit sex scenes, including previously banned four-letter words, and perhaps because the lovers were a working-class male and an aristocratic female. The story is said to have originated from events in Lawrence's own unhappy domestic life, and he took inspiration for the settings of the book from Ilkeston in Derbyshire where he lived for a while. According to some critics the fling of Lady Ottoline Morrell with "Tiger", a young stonemason who came to carve plinths for her garden statues, also influenced the story.
