The Best Loved Prayers from the Quran (Goodword) - Saniyasnain Khan 2014-02-04

This selection of prayers for children of seven years and above expresses the variety and richness of prayer and is designed to be used at home, or at school. With bright and colourful illustrations, this book will encourage children to explore their own ways of praying. The best prayers are often the ones we say naturally when we are happy, excited or sad about something. But at that time, we don't always find the right words to express our inner feelings. Reading these prayers from the Quran, you will find the best words and phrases to pray with, at any time and in any situation. In that way, you

will find yourself closer to Allah, as if you are whispering to Him. Then it will not be just you alone, but an exchange between you and the Almighty, which will begin to flow, inspiring and lighting up your mind and heart. May this collection of prayers bring you wisdom and many blessings.

The Koran (Al-Qur'an) - Mohamed `Arafa 2018-03

This Arabic / English side-by-side translation of the Koran (Al-Qur'an) brings together one of the best known translations in the English language - Maulana Muhammad Ali's classic text, juxtaposed with the original Arabic Koran. Mohamed A. 'Arafa, Ph.D. introduces the Koran with a detailed overview of Islam, Islamic law (the Shari'a) and the beliefs of Muslims. His Introduction examines Islam as a religion as well as current issues that Muslims face, practical and policy considerations in addressing terrorism and Islamic law as a positive legal system and a divine legal system. After careful examination, Maulana Muhammad Ali's translation was selected due to its careful fidelity in accurately conveying the meanings of the Arabic while maintaining fluidity in the English. The Arabic text contains all diacritical marks to aid students to master pronunciation in Koran recitation. Mohamed A. 'Arafa (Ph.D., Indiana University Robert H. McKinney School of Law; LL.M., University of Connecticut School of Law; LL.B., Alexandria University School of Law) is Assistant Professor of Criminal Law and Criminal Justice at Alexandria University Faculty of Law (Egypt); Adjunct Professor of Law at Indiana University Robert H. McKinney School of Law (USA); a Visiting Professor of Law at the University of Brasilia School of Law (Brazil); and a Visiting Professor/Scholar at Cornell University School of Law in New York. He serves as Managing Editor of the Arab Law Quarterly in London.

Dua E Mashlool - Praying Pearls Publication 2021-04-30

DUA-E-MASHLOOL IN ENGLISH & ARABIC "Dua" is invocation, it is supplication and a request to Allah. It is the highest form of worship. Allah loves those who make "dua". A prayer or salat is not complete unless you make dua at the end. The role of Dua is to form an intimate relationship with God through learning his will, supplication, and reaching spiritual devotion. Dua teaches us to bow down to Allah, to let go and open our hearts to him, to acknowledge the lowliness of our being and the mightiness of our Lord. It is a conversation with Allah, which enhances our faith and belief in the existence of Allah. Allah Almighty says in the Holy Quran: "When my servants ask you concerning me, (tell them) I am indeed close (to them). I listen to the prayer of every supplicant when he calls on me." (Quran, 2:186) Dua e Mashlool is one of the most powerful supplications. It is also known as the supplication of the youth stricken for his sins.

The recitation of this dua has numerous benefits: It brings countless blessings. All your legitimate desires will be fulfilled. It drives away poverty and sickness. Sins are forgiven. Debts are cleared. Enemies become friends. Domestic affairs are set aright. Disputes are settled in your favour. Prisoners are set free. Mental worries disappear. Prosperity, sound mind and healthy body stand by you at all times. Mercy and forgiveness of sins are the main advantages the almighty Allah makes available if this dua is recited regularly.
