## **Kara Hoppe MA, MFT - Psychology Today**

**Fragmenting Family?** - David Charles Ford  
2009

These papers from a conference at the University of Chester explore the complex ways in which family relationships have changed or are changing, in order to critically examine the contention that the family is fragmenting.

**Living It Out** - Rachel Hagger-Holt 2013-05-07

A practical and affirming book for everyone dealing with the issue of sexuality, whether as a gay or lesbian Christian seeking to live with integrity, a friend or family member, or as a church leader seeking understanding and guidance. It suggests practical ways of managing and enriching relationships with God, the church, and others.

**Why Do They Act that Way?** - David Allen  
Walsh 2004

This practical, accessible, science-based guide

explores the natural developmental changes in the teen brain and how they affect behavior--and what parents and teachers can do about the challenging problems that arise as a result.

*The Pregnancy Book* - Lucinda Van der Hart  
2012-12-17

'Full of practical, down-to-earth advice and fresh biblical insights ... a great resource for parents embarking on this new adventure.' -Chris and Jo Saxton This book takes a totally unique look at pregnancy. Instead of focusing on 'material' preparations for having a baby, it helps us to prepare our hearts, emotions and spiritual lives for the arrival of a newborn. It equips expectant mums and dads in shaping their attitudes towards parenthood, helping them to bring God into every aspect of pregnancy, birth and life with a young baby. Will and Lucinda share the story of their journey through pregnancy, and

the stories of their friends, with humour and sensitivity. Theory biblical insights, interwoven with personal story, make for a human and engrossing read.

The Orgasm Answer Guide - Barry R. Komisaruk  
2009-12

Credible, readable, and easy to follow, The Orgasm Answer Guide tells you everything you ever wanted to know . . . but were afraid to ask. The Orgasm Answer Guide answers common questions many people have about one of life's most fascinating experiences. In an accessible question-and-answer format, four of the world's leading sexuality experts address every aspect of orgasms: how they happen, why they don't, and what can be done to enhance sexual experiences. The authors provide clear and informed answers to more than 80 common questions, including: • Can an orgasm cause a heart attack? • Does childbirth affect orgasm? • What is the G spot? • How can I tell whether my partner is faking an orgasm? • Do orgasms end

at a certain age? The all-star author team includes neuroscientist Barry R. Komisaruk, bestselling author and sexual health researcher Beverly Whipple, BBC sexuality talk-show host Sara Nasserzadeh, and Mexico's leading sex researcher, Carlos Beyer-Flores.

**Manual of High Risk Pregnancy and Delivery E-Book** - Elizabeth S. Gilbert  
2010-05-24

The only book of its kind, Manual of High Risk Pregnancy & Delivery provides a complete resource for care of this special patient and her complex needs. It helps you provide positive outcomes with coverage of today's newest technology, physiologic considerations, psychologic implications, health disorders, and other complications in pregnancy. Written by noted educator and practitioner Elizabeth Stepp Gilbert, RNC, MS, FNP-BC, CNS, this book also describes how to screen for risk factors, provide preventive management, and intervene appropriately when problems arise. It's a

*Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on  
2019-06-29 by guest*

concise, hands-on reference for both inpatient and outpatient settings! A consistent format makes this book a practical, hands-on reference in the clinical setting, presenting problems with the following headings: incidence, etiology, physiology, pathophysiology, and medical management. Comprehensive coverage includes physiologic considerations, fetal assessment, perinatal screening, ethical and legal issues, health disorders during pregnancy, complications, and labor and delivery issues. Up-to-date content includes integrative therapy, domestic violence, multiple gestation, genetics, nutrition, culture, risk management, and all the latest screening tools. A section on ethical and legal considerations covers ethical decision making, legal issues, and risk management. Updated evidence-based content includes the latest AHWONN standards of practice. Patient safety and risk management strategies include updated approaches to improving outcomes, reducing complications, and increasing patient

safety during high risk pregnancy and delivery. New Venous Thromboembolic Disease chapter provides current information on this increasingly common condition. Information on the latest assessment and monitoring devices keeps you current with today's technology. Standardized terminology and definitions from the National Institute of Child Health & Human Development (NICHD) lead to accurate and precise communication.

**Loving your Rebellious Child** - Norman H Wright 2013-12-10

What to Do When Your Child Strays It often begins with a phone call. It may be from a police officer, teacher, pastor, friend, or even from your son or daughter. Whoever it is, they are telling you something you never wanted to hear, something that causes you to go weak with shock, disbelief, and dismay: "I'm moving out, I can't stand you or your religion anymore." "I'm pregnant." "I'm living with my girlfriend." "Mom, Dad, I'm gay." "Your son has been arrested for

*Downloaded from

2019-06-29 by guest*

selling drugs." Such words shake the very foundations of a home and family. Everything you've worked for, prayed for, and sacrificed for has just crumbled. Where do you go from here? *Loving Your Rebellious Child* is not a "how-to" quick fix for parents of prodigals; rather it reads more like a wise companion coming alongside to bear the pain, understand the struggle, and to offer insights gleaned from the kiln of experience.

*The BabyCenter Essential Guide to Pregnancy and Birth* - Linda J. Murray 2005-06-22

Offers a detailed guide for expectant women, providing advice on the physical and emotional changes of pregnancy, information on fetal development, and firsthand tips from experienced mothers.

*The Infertility Survival Guide* - Judith C. Daniluk 2001

An infertility specialist offers practical strategies for dealing with the relentless series of emotional, medical, social, economic, and

marital challenges that an infertility diagnosis can produce. Readers learn how to cope with emotional stress, understand confusing treatment options, and make informed and satisfying decisions-while still maintaining their sanity, dignity, and relationships.

*Baby Shock!* - Elizabeth Martyn 2011-06-08

*Babyshock!* is for any parents who have forgotten what it's like to be a couple because their children have taken over their lives. The experiences of pregnancy, childbirth and caring for children are wonderful, but also put a great deal of pressure on a relationship. This book identifies the pressures and provides excellent practical and emotional strategies so that you can enjoy parenthood while also nurturing your own relationship with each other. This immensely practical guide will help you: - Create time for yourself - Improve your sex life - Manage the demands of work and family - Work through disagreements and agree on how you will bring up the children Packed with

[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on  
2019-06-29 by guest

questionnaires, check lists and anecdotes, Babysmack! will help you keep your relationship alive and get the very best out of family life, together.

*Communicating with Kids* - Stephanie Davies-Arai 2015-01-28

Confused by all the conflicting parenting advice you hear? Not sure who is right or what to do? Well, relax and read this book. Ever wondered why your child gets more upset the nicer you are? Or why your child is always arguing with you, doesn't listen or seems intent on doing the opposite of what you want? Now you no longer have to worry - *Communicating with Kids* has the answers. This new book explains how so often children are not resisting our messages but the way we are sending them. It demonstrates why some of the ways we communicate lead to exactly the opposite of the behaviour we want, and provides methods to tweak your language and approach so that children are willing to help you. So much of the

parenting advice we hear works against a child's developing brain, so this book shows you how to work with it instead - which makes all the difference. Once you understand the difference between what you are saying and what your child actually hears, life with children becomes so much easier. This book is all about communication because apart from that, there's no other advice you need; the best way to bring up your child is to be yourself and do it your way. *Communicating with Kids* is a book guaranteed to help all parents, whether they veer towards the methods of Penelope Leach or Supernanny, or have never read a parenting book before. It is not based on any parenting ideology, but on genuine experience with a wide range of children. It is a plain-talking book that presents communication methods that work, so parents gain the confidence to be themselves.

**It's Twins! Now What?** - Jessica Bomford  
2016-02-10

Whether the news comes as a shock or a

*Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on  
2019-06-29 by guest*

delightful surprise, one thing is for certain: having twins is going to change your life. Packed with advice from professionals and anecdotes from fellow twin parents, this book will be your go-to guide to help you navigate the first year with twins, from birth and beyond.

**Dadding It!** - Rob Kemp 2020-06-30

Bestselling parenting author Rob Kemp (The Expectant Dad's Survival Guide) delivers the ultimate guide to navigating your child's life milestones (0 months to early adulthood) and offers advice on how fathers can best play a lasting, impactful or at least vaguely useful role in it. Kids don't come with an instruction manual. (Not that most men would read one if they did). Instead they're shaped by life-forming milestones and learn-as-they-go mistakes which you, as modern, responsible fathers must be there to help them deal with, solve or at least advise upon pretty much from their birth until you've drawn your last breath. This book will give you a head's up on all the defining moments

you are guaranteed to experience as a parent. It'll warn you when your life is going to take a change of course, how your child is going to influence the choices you make and give you some practical, knowing, sanity saving methods of dealing with them. Each moment is headlined with a common scenario that dads have encountered down through generations - but will still come as a shock to you for the first time. And for every milestone moment, landmark action or parenting task to perform there's a sound advice and strategic solutions to help you cope and even discover the purported 'joys' of parenthood...

[Chicken Soup for the Soul: The Multitasking Mom's Survival Guide](#) - Jack Canfield 2014-03-18

Moms are the busiest people in the world! They juggle kids, husbands, jobs, housework, and more. These 101 stories from other multitasking moms will inspire and amuse the woman who does it all! Moms do it all - they juggle kids, husbands, home and office.... This collection will

*Downloaded from

inspire and entertain masters of multitasking with its 101 stories from busy moms like them. Filled with words of wisdom, lessons learned, funny moments and juggling success, this book will brighten any mother's day.

*When You're Not Expecting* - Constance Hoenk Shapiro 2010-06-29

Surviving the challenges of infertility Often enduring years of heartache, couples with infertility number over 7.3 million. Enduring the daunting difficulties of treatment is something few women are prepared for. Based on the personal stories of 200 women determined to overcome infertility, this surprisingly upbeat survivors' guide gives the kind of hard-won wisdom essential to making it through the process. Not only does the book detail coping strategies, it also presents tips for strengthening stressed relationships and addresses the unique needs of single women and lesbians. An essential guide for women and couples, friends and family, and health care providers and therapists,

this book offers the solace and strength needed to prevail even after years of struggle. Written by a therapist, consultant, and public speaker dedicated to the study of infertility and its emotional impact Other titles by Shapiro: *When Part of the Self Is Lost* and *Infertility and Pregnancy Loss* For any woman or couple who feel as if they're facing infertility alone, *When You're Not Expecting* is a must-have book.

**Grandparent's Survival Guide to Child Care** - Elisabeth Paice 2013-01-01

How much childcare can I realistically take on at my age? How will I fill the day if the child is bored? Can I cope with two children at a time? What about all these new theories I hear about, how can I get up to date? What equipment will I need to buy, and who should pay for it?A Grandparent's Survival Guide to Childcare provides the answers to these and many more questions. Written by a doctor and a Montessori teacher both with extensive experience as

*Downloaded from

grandparents themselves, this down-to-earth guide provides vital information on deciding what you will offer in the way of childcare, how to sort out who will do what (and pay for what), how to structure a day of childcare, how to ensure that their days with you are as full of fun and learning as the rest of your grandchild's week, and what to do to prevent accidents and deal with emergencies should they arise. This book will ensure that you develop that very special relationship with the grandchildren you care for and have fun doing it!

### **Juggling Romance and Parenthood -**

50MINUTES.COM, 2018-01-04

Change is only 50 minutes away! Find out everything you need to know about keeping things in perspective as a new parent with this straightforward guide. While no two couples will ever face the exact same challenges upon having a child, many new parents' attention is so consumed by the new arrival that they inadvertently begin neglecting their own

relationship. Of course, the first few months of a child's life involve a great deal of change for their parents, but once your recently expanded family has settled into its new routine, maintaining a healthy relationship with your partner will be essential for the preservation of your own mental health. Fortunately, there are some simple steps you can follow to ensure that your relationship stays strong. In just 50 minutes you will be able to:

- Understand the importance of balancing your parental responsibilities and your romantic relationship
- Identify any behaviour which is undermining your relationship with your partner
- Adopt new habits which will allow you to lead a more balanced life

ABOUT 50MINUTES.COM | HEALTH AND WELLBEING The Health and Wellbeing series from the 50Minutes collection is perfect for anyone looking to be healthier and happier in their personal life. Our guides cover a range of topics, from social anxiety to getting ready for a new baby, and provide simple,

practical advice and suggestions to allow you to reduce stress, strengthen your relationships and increase your wellbeing.

**The Expectant Dad's Survival Guide** - Rob Kemp 2010

From buying buggies and cutting the cord to dealing with your wife's breastfeeding in public - the life of a first-time father will throw up new experiences every day. The Expectant Dad's Survival Guide tells you everything you need to know during

**Help Your Children Cope With Your Divorce** - Paula Hall 2011-08-31

Children of all ages can be devastated by the news that their parents are splitting up. Even those who have been living in a highly conflictual situation are often shocked by their parents' final decision to separate. For most children, separation means major changes to family life and often losing a parent. The long-term impacts of divorce are now widely recognised with increasing chances of problems

at school, criminal behaviour, problems in their own relationships and mental illness. This guide will provide you with clear advice and guidance on how to minimise the impact of your relationship breakdown on your children.

Including: - An explanation of the age-specific issues that children face when they find out their family is breaking up - Professional comment, stories and quotes from children - Checklists and case studies Acknowledging the personal difficulties faced by the adult who has made the decision to leave, as well as the adult who feels they are being abandoned, this sensitive, accessible guide is a must for all parents going through divorce or separation who are concerned for their children.

**The Quick-Reference Guide to Counseling Teenagers** - Tim Clinton 2010-08-01

Youth culture changes rapidly, so those in the position to counsel teens often find themselves ill-informed and ill-prepared to deal with the issues that teens routinely encounter today. The

*Downloaded from

Quick-Reference Guide to Counseling Teenagers provides the answers. It is an A-Z guide for assisting people--helpers--pastors, professional counselors, youth workers, and everyday believers--to easily access a full array of information to aid them in (formal and informal) counseling situations. Each of the 40 topics

covered follows a helpful eight-part outline and identifies: (1) typical symptoms and patterns, (2) definitions and key thoughts, (3) questions to ask, (4) directions for the conversation, (5) action steps, (6) biblical insights, (7) prayer starters, and (8) recommended resources.
