

Can You Make A Girl Love You Again

Divorced Girl Smiling Jackie Pilossoph 2013-11-23 Smile! It's not just the end of your marriage, it's the beginning of your second chance! Missy Benson has a two and a half carat diamond engagement ring with color grade H, VS2 clarity and a value of \$36,000. It's absolutely gorgeous, practically flawless, and let's be honest, really big! But what the successful Chicago realtor doesn't have anymore is a husband. After 12 years of marriage, her husband, Paul, a handsome, wealthy attorney has devastated her by breaking up their marriage for Priscilla Sommerfeld, a young, personal trainer, who according to Missy's sassy assistant, J.J., looks more like a Las Vegas stripper than a fitness expert. Not sure what to do with her ring, and with no financial issues to worry about, Missy decides to put it up for sale on Craigslist. The price: 99 cents! The catch: She gets to pick the buyer. In essence, she's looking for the perfect guy, but not for herself. Her hope is to regain faith that good men do exist, and that marriages can last forever. Now referring to herself as "the divorced girl," Missy interviews dozens of young men who are vying for the huge ring. It's a contest that includes outrageous characters, hilarious and sentimental stories, and two finalists, both of whom Missy adores and who she must choose between. Then there's Parker Missoni, the sexiest contestant by far, who drives her crazy with his brutal honesty, and at the same time stops her heart with his deep brown eyes. Divorced Girl Smiling is the story of a woman's journey to do whatever it takes to heal herself from divorce. It's about acceptance, reflection, taking accountability for mistakes, and appreciating all of life's wonderful gifts. In other words, if you have the guts to put the past behind, admit your mistakes, embrace your future, and give love another chance, you will surely be a divorced girl smiling.

Indianapolis Eagles: The Second Period Samantha Lind

2022-09-28 The Indianapolis Eagles Set Two contains the fourth, fifth, and sixth full-length novels from USA TODAY Bestselling author Samantha Lind's best-selling Indianapolis Eagles Series. Protecting Her Heart Laura I believed in the fairytale. The Happily-Ever-After. The "till death do us part" fantasy little girls grow up believing in. Unfortunately for me, my happy ending was divorce and learning to find myself all over again. I was done with men and relationships, or so I thought until a stubborn hockey player was determined to show me what love could really be. But could I fall for the fairytale a second time, and trust that he would protect my heart? Mark From the moment I laid eyes on her, I knew she was made for me. She was broken and I was determined to put her back together again. I was here to prove she could have that fairytale love story after all. To show her someone else can protect her heart and love her unconditionally. Now I just have to convince her that someone is me. Against The Boards Reese Blackwood I'm called America's sweetheart. They say I have the voice of an angel. I almost gave all that up, thanks to a traumatic experience at the start of my career. Instead of letting it define me, I chose to rise above. I showed everyone what a woman on a mission could accomplish, and now I'm living my dream. After one chance meeting, my entire world changes.

attraction is there for me as well, I don't need any distractions right now. Austin Jones Focused. Driven. I'm the man I am today because I never let the idea of settling down disrupt being the best I can during my hockey career. But then Reese floats into my life and everything changes, and now all I want to do is pin her against the boards. They say opposites attract. You can't get more opposite than Country Music's hottest female singer and a hockey player from Canada. With competing travel schedules, our instant attraction appears to be doomed from the start. Can it really be love? Or is it just a hot ice-melting fling? The First Intermission

The core group of friends who found their happy endings are back, still loving hockey almost as much as their women. Now, four years later, the Eagles find themselves in the finals, with home ice advantage and on the cusp of winning the Stanley Cup once again. It all started with a second chance, for Becca to just say yes to forever. And is Kinley still living the dream after scoring the player? What does life have in store for Madison and Richard, now that they decided playing for keeps is much more satisfying than friends with benefits. When Mark vowed to Laura he would protect her heart, he meant it from the very beginning. He was all-in, forever, no matter what. Reese and Austin's chance meeting turned their worlds upside down in a single instant. Hot and heavy against the boards had their chemistry melting the ice. Along with retirements, new positions, and additions to not only the team, but each of the families, come meet some new players who will lead us out of the First Intermission and into the second period.

The Spanish Love Deception Elena Armas 2022-02-08 A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming

The Gift of the Magi (Illustrated) O. Henry 2022-04-27 "The Gift of the Magi" is a short story by O. Henry first published in 1905. The story tells of a young husband and wife and how they deal with the challenge of buying secret Christmas gifts for each other with very little money. How to Get Your Ex Girlfriend Back C. Powell 2012-01-24 The answer to the question 'can i get my girlfriend back?' is yes...

probably. You see if your girl still loves you, no matter how much you've messed up in the past, she will more than likely be receptive to you if you can prove to her that she won't be wasting her time and that she won't get hurt again. No one wants to be hurt and no one wants to set themselves up to be hurt by trusting someone who has already proven they can't be trusted. For this reason you will probably be able to win her back but you had better expect an uphill climb. The first step is to give her a little time and space. Don't rush her or expect everything to happen quickly. It takes a lot longer to rebuild trust than it took to tear it apart. More than likely by the time you've gotten to this point you've let her down more than once. Please don't think that all that past hurt and all those mistakes will go away and she'll forget about them just because you say 'I'm sorry' or you tell her that 'I've changed'. She'll probably need to see some proof that that is true. It's important for you to concentrate on yourself instead of just trying to convince her you've changed. It will take you time to truly change the person that you are and you don't want to make the mistake of thinking you can somehow 'trick' her into believing you are a different man.
