The Choice for Love Dr. Barbara DeAngelis 2018-03-13 From the moment we are born and through every day of our lives, each of us is traveling on a mysterious, relentless, passionate, and sometimes perplexing journey in search of the experience of Love. Love, however, isn't simply an emotion, a behavior, or even the bond you feel with another person—it's a supercharged, light-drenched, limitless vibrational field of infinite divine energy that is our essential nature. The true search for love, then, must inevitably direct us within, where we discover that the love we've been seeking in countless ways has been inside of us all along. *The Choice for Love* is the inspiring and revelatory new book from New York Times best-selling author and renowned transformational teacher Barbara De Angelis, Ph.D. Known for helping millions of people make profound shifts in their relationship with themselves, others, and spirit, Dr. De Angelis has written an eloquent, illuminating, and deeply compassionate guide for transforming your relationship to love and bringing more of it into all aspects of your life. She offers you invaluable wisdom and practical tools for healing, opening, and expanding your emotional and spiritual heart, and teaches you how to use love as the highest spiritual practice. What is the choice for love? It is a revolutionary shift in your relationship with the energy of love itself. It invites you into a new, enlightened experience of love as a vibrational state of being. It isn't the choice for new thoughts about love, new attitudes about love, or a new philosophy about love. It's the choice to enter into the experience of your own unlimited love, and open to the unfathomable treasures that your heart holds. When we think that love originates from the outside, we mistakenly believe that we need to wait until something happens to give us an experience of love. Dr. De Angelis explains that love isn't something we can actually "get" from anyone else. No one can give you any love you don't already have. Love comes from the inside out. Now more than ever, in these unsettling times on our planet, we're each called to become a living remedy, to not fall in love, but to rise in love. *The Choice for Love* is a masterful and sacred pilgrimage of words whose enlivened wisdom will move you, awaken you, and liberate you to embrace, embody, and delight in more love than you ever imagined was possible.

The Soulmate Secret Arielle Ford 2011-01-04 Have you ever wondered what it takes to find the love of your life? Is it your dream to find a life partner who will love, cherish, and adore you? The Soulmate Secret will show you how to take control of your romantic destiny by using the Law of Attraction. Translated into more than twenty languages, The Soulmate Secret has become an international phenomenon. Now with a new preface and a new chapter filled with book-inspired success stories, this book shows finding true love is possible for anyone at any age if you are willing to prepare yourself, on all levels, to become a magnet for love. Arielle Ford knows this from experience. She used the techniques in this book to bring her soulmate into her life at age forty-four. They were engaged three weeks later. This ancient formula reveals that our universe is set up to deliver the people and things into our lives that are consistent with our personal belief system. If you don't believe you will ever find the One, then guess what? You probably won't. If, however, you learn to believe that the One is not only out there but is also looking for you, then true love can be yours. Using a series of processes called feelingizations—feeling in every cell of your being the outcome you want to create—Ford reveals how to manifest the man or woman of your dreams. The techniques, rituals, and projects found within these pages will allow you to prepare your home, body, mind, and spirit for the lover your heart truly desires.
