Make sure to look at our other products for other book

ideas and covers by clicking on the author name

[Escape from the Village - Chris Baker 2013-10-07](#)

"An eleven-year-old girl and boy live in an isolated village with 258 other citizens. Nobody has a name, and everything is calculated to break their spirits so that they surrender to an existence of gray routine. "But they have each other. They each have a passion: music and art. And a mysterious force is guiding them and protecting them. "When the savagery of those in control finally transforms the girl, the boy must help her find herself again. The path is an amazing journey through which they discover the depths of their humanity and a startling method to shake the village at its roots. Perhaps they can shift the world toward

happiness. "Escape from the Village is an homage to true friendship which can sustain the human spirit even against physical and spiritual torture. It is a touching love story like no other." --Wendy McElroy She draws the pictures. He makes the music. They both share a big secret. There is no music or art in the village where a pre-adolescent boy and girl. They go to a mysterious house where they make music and art, while other citizens can not go there. Their creativity separates them from their peers in many ways. They will soon discover that there is much more being kept from them. Take the grim dystopia of the Hunger Games and combine it with the charm of Moonrise Kingdom--the result is Escape from the Village.

**Will and His Best Friend Whale** - K a Mulenga 2021-05-18

Will is the nicest boy in town. Although he is much loved by all the town's grownups, the other boys don't appreciate his good qualities and not one of them wants to be his friend. At school he has no one to play with and feels lonely and sad. Luckily, Will has a special someone in his life who always makes him feel better. When the other boys are playing together, Will goes down to the harbour and spends time playing with Whale. Whale may not be a boy, but he is the best friend Will could ever ask for! He is kind, fun to be with and is always there for him. The other boys don't understand Will's friendship with Whale and bully him. They call him unkind names and refer to him as "Weird Will". They even make up nasty songs about him and sing them whenever they see him. The story takes a dramatic turn when, one day, Will goes to visit his best friend but finds he is not in his usual place. After looking for him for ages, Will receives some devastating news and is utterly heartbroken. His best friend has gone and he will never be able to play with him again. Will's parents explain that it was because of people's lack of respect for the ocean that Whale has fallen ill and won't be coming back. Will vows to honour the memory of his only friend by teaching people to be kind. He also thinks up an innovative way to educate the townsfolk about being more responsible about the way they treat their environment. Finally, Will's qualities are recognised and appreciated by the other boys. They feel compassion for Will's loss and see the error of their ways. Will, once known only as "the nicest boy in town" by the parents and as "Weird Will" by the boys, is now regarded as the wisest - not to mention the most popular - boy in town! This poignant story is written with great sensitivity and addresses many difficult issues that children may be facing. These include being the target of bullying from one's peers, the ache of loneliness and the devastation of the death of a loved one. The story also contains important and relevant lessons for children in terms of people's responsibility towards animals, our oceans and our planet in general. Although the story contains a few hard-hitting truths, young readers will enjoy the special friendship Will enjoyed with his best friend and take comfort in knowing that our true friends are sometimes found in the unlikeliest of places. The story's happy ending offers hope and a promise of better days ahead to any child who has had to deal with loss in their lives.

*Address Book: Cute Pig Addresses Book with Names, Address, Birthday, Phone Number, Work, Email, Social Media and Notes* - Petly Books 2019-03-16

*Complete Book of Baby Names* - Lesley Bolton 2009-06

The Complete Book of Baby Names: The Most Names (100,001+), Most Unique Names, Most Idea-Generating Lists (600+) and the Most Help to Find the Perfect Name "If you've got an occasion to bestow a name, and you're looking for the widest possible range of choices, you can't go wrong by bringing home a copy of The Complete Book of Baby Names." [phantomscreebler.blogspot.com](http://phantomscreebler.blogspot.com) Every year, hundreds of thousands of expectant parents turn to The Complete Book of Baby Names as their essential, indispensable guide to choosing the best name for their child. Helpful and full of creative inspiration, this #1 bestseller gives you all the best ways to find your favorites and decide on the perfect fit. The Most Names, Most Lists, Most Help to Find the Best Name: More Names AND Richer Definitions The Most (600+) Creative Lists to Inspire You The Most Idea-Sparking Celebrity Baby Names The Most Popular-and Unique-Names The Newest Trends, Including What Makes the Perfect Name! More than 600 Fun Lists to Help You Choose, Including: Intellectual, creative names from literature and the arts Strong, respected names from sports and politics Unique, under-the-radar names that hit the right notes Packed full of more than 100,001 baby names with origins, variations, and richer definitions, The Complete Book of Baby Names makes choosing your baby's name a joyful act of love. Everything You Need ... The most up-to-date list of popular names - plus top twin names Selecting sibling names that make sense for your family Great gender-neutral names - plus the top 61 names Adding a middle name - or two! 18 essentials in choosing the perfect name... And what not to name your baby All the top baby boy and baby girl names! Plus all the best variations and nicknames All You Need in One Complete Book! MORE PRAISE FOR THE COMPLETE BOOK OF BABY NAMES: "The Complete Book of Baby Names is a great resource if you are naming a baby, and, it's also an interesting read. Busy Girl has been using it to inform all her friends what their names mean. Most importantly, though, it covers what NOT to name your baby. I'll let you check that one out yourself." [BusyMom.net](http://BusyMom.net) "Since this is my third child, I've been through my share of baby name books, about 2 a pregnancy. This one I found as my favorite, not just the first few chapters but the list of names are wonderful and broken not just into boy and girl categories but lists of popular names by country, twin names and hordes of other lists. You'll be amazed, as I was." [snowboundintheyukon.blogspot.com](http://snowboundintheyukon.blogspot.com) "If you're going to choose one baby name book and get the most bang for your buck, this is a good one to go with. It's more complete and helpful than any other single book I've seen out there and short of turning it into an OED-style multi-volume set, I'm not sure there's much more the author Lesley Bolton could pack in." [daringyoungmom.com](http://daringyoungmom.com) "The Complete Book of Baby Names is so fun too. It isn't just a list of names - it is like a course in baby-naming! With chapters on baby-naming history, naming trends, the attributes of a perfect name, middle names, etc. as well as 276 fun name lists like popular names in different countries, and bizarre lists such as the names of models, First Ladies, Reality TV Stars and more, this book could keep me going until I deliver!" [5minutesformom.com](http://5minutesformom.com) "We've seen a lot of baby name books in our time, some good, and some not so good. This one's a good one... It has the big list, so that you can look up the definitions of the names that you're considering. But, it also teaches you how to pick a really great name for your little bundle of joy... So, if you just want definitions, this book's got those. If you just don't know what name you want, or if you're scared of choosing the wrong name, this book can help." [thefamilylog.com](http://thefamilylog.com) [Baby Names For Dummies®, Mini Edition](#) - Margaret Rose, PhD 2010-12-09 Find the right name for your baby! Includes Biblical, medieval, Shakespearean, and international names This guide is more than just a listing of names — each entry contains variant spellings as well as the name's

meaning, history, and derivations. Discover how to Decide what matters to you in a name Choose a name from around the globe Select a name from literature

*Otto and the New Girl* - Nan Walker 2021-07-13

Discover Math Matters! With over 15 million books sold worldwide, this award-winning series of easy-to-read books will help young readers ages 5-8 approach math with enthusiasm. Great for fans of MathStart or Step into Reading Math. Otto and Ava have been best friends since discovering they both have special "mirror names." But Otto worries the new girl in school, Vivian, is shaking up everything! Can Otto keep his friend—and maybe make a new one? With engaging stories that connect math to kids' everyday lives, each book in the Teachers' Choice Award-winning Math Matters series focuses on a single concept and reinforces math vocabulary and skills. Bonus activities in the back of each book feature math and reading comprehension questions, and even more free activities online add to the fun! (Math topic: Symmetry).

**Kurdish Baby Names** - Afrin Ibrahim 2021-04-09

Are you looking for the perfect traditional Kurdish baby name for your newborn child? Do you have a Kurdish friend who is expecting a baby at the moment? Either way, this book is the perfect maternity companion. Kurdish names are important because many Kurds in Turkey were forbidden from using them for many years. Every Kurd is now free to call their child any name they wish, but keeping traditional Kurdish names alive is the best way to preserve our culture. You are sure to find the best Kurdish name for your child in this book!

*Bible John - Closure* - Andrew D. Malloy 2011-06-16

The illegitimate birth of twin boys in 1945: the infamous Bible John slayings: two present day murders. What is the terrifying link that connects all three? During the late 1960s, the actions of a vicious serial killer prophetically dubbed 'Bible John' caused mass hysteria among the young women of Glasgow, holding them in a chilling, vice-like grip of terror. Then, inexplicably, in late 1969, almost as quickly as they had begun, the killings stopped. It is 2010 and two teenage girls are dead, strangled. On the surface the authorities appear to treat the murders as unrelated but ambitious young policeman, DCI Mason Blackwell, has other ideas...and a vested interest. A personal link to the original murders compels him to delve deeply to try and establish a connection between generations. Blackwell, his good friend and colleague, DI Theresa Bremner, and ex-Special Forces agent, Tom Logan, now a top criminal psychologist, join forces to form a special unit designed to track down the killer. In an age of recession and budget cuts, an already depleted police force is then stretched almost to breaking point by the emergence of another killer - one who randomly executes wife beaters and child abusers. The scene is set for a nightmarish journey for Mason Blackwell and his team as the crime count threatens to spiral out of control. Expect the unexpected as the story dramatically twists and turns, sending all concerned towards a violent and terrifying conclusion... Book reviews online: PublishedBestsellers website.

**The Most Powerful Weapon in Your Marketing Arsenal** - Jeffrey Josephson 2005-10-01

Cold calling is the fastest and most cost-effective way to find qualified prospects and generate new sales. This handbook teaches you everything you need to know to be successful in B2B lead generation.

*A Wet Thursday Afternoon. sequel to The Cannibal Mouse.* - Terence Ted Beckett 2017-03-02

sequel to Teds memoir of growing up in Botcherby, boyhood to manhood, good and bad, happy and sad. life is here in all its forms, tall tales, home truths, you name it, its all in there.

**Complete Me: Reid & Sienna #2 (An Angry Brother's Best Friend Romance)** - Claire Raye 2020-07-22

Complete Me is book two of Reid and Sienna's duet and book two in the Hawthorn Hills Duet Series. A two-part, angst-filled, brother's best friend steamy New Adult romance. Complicate Me must be read before Complete Me in order to enjoy the full story. Life at its most complete is still unexpected. Reid Bowen ruined her life and he is the one person she trusted. She had no business getting involved with him. Sienna Parker is the only girl he's ever wanted and now he's lost her. But he will stop at nothing to win her back. Forced together by circumstance, Sienna's heart will be tested, but it's Reid who must risk it all to protect them both. With their future at stake, it's the unexpected that changes their lives. The Hawthorn Hills Duet Series follows eight couples. Each two-book duet must be read in order to enjoy the couple's full story, but

the series can be read in any order. You'll find angst-filled, slow-burn, epic love stories along with topical storylines and some amazingly real and raw characters.
