Love on the Track - Amy Sparling

Perfect for fans of swoony YA romance, Amy Sparling's bestselling books are now available as a complete series. Dive into this clean, sweet Young Adult Romance today! This is a complete set of the Love on the Track sweet teen romance series. Roca Springs might be a small, boring Texas town. But it's my town. I'm about to graduate high school and I plan on spending every second of my summer break at the local motocross track. I need the low key vibes of a dirt bike track because my best friend is too stuck on her boyfriend to hang out anymore, and after royally humiliating myself in front of my crush, I have no desire to date any time soon. Dirt bikes are my passion. Not guys. The last thing I need is for disgraced motocross star Liam Mosely to show up. He was kicked off his professional race team for being a stuck up, cocky, arrogant jerk, and after spending one day with him, I can't say I disagree. The guy is trouble. But he's also super hot. Something tells me this summer won't go according to plan. This book includes all 4 of the Love on the Track books: *Bella and the New Guy*, *Bella and the Summer Fling*, *Bella and the One Who Got Away*, and *Bella and the Happily Ever After*. Dive into this sweet teen romance today! Perfect for fans of swoony romance and sports romance!

Everything that takes place in *Cat Person* happens to countless people every day. But *Cat Person* is not an everyday story. In less than a week, Kristen Roupenian's New Yorker debut became the most read and shared short story in their website's history. This is the bad date that went viral. This gift edition contains photographs by celebrated photographer Elinor Carucci, who was commissioned by the New Yorker to capture the image that accompanied Kristen Roupenian's *Cat Person* when it appeared in the magazine. What will happen when it rains on all those giant seeds? One giant surprise.

Bella and the Summer Fling - Amy Sparling
I can't get Liam Mosely off my mind. Sure, he's about to become the next hottest thing in the world of professional motocross and he won't have time for me anymore, but that doesn't start until the summer is over. For now, he's living here in Roca Springs, Texas with the entire summer free. I might have hated him when we first met, but lately he's become my crush and my best friend. This is my last summer before college. It should be fun. It should be carefree. That's why I suggested that Liam and I have a summer fling. No strings attached, and it'll be over at the end of summer. Easy Peasy. Or so I thought. *Bella and the Summer Fling* is the second book in the *Love on the Track Series*, a clean, sweet young adult romance.

My Dad's Best Friend - Katee Robert 2021-01-01
He's the one man I'm not supposed to want... My dad's best friend. After he rejected me six years ago, I've steered clear of Jonas. Until now. I need his help, and I won't take no for an answer. The plan is to show up at his house and plead my case, but a rainstorm derails everything, trapping us together for the weekend. When he catches me in a compromising position, things quickly spiral out of control. We promise each other the weekend to purge the desire that's been simmering for six long years. No fantasy is too dark, too filthy, too forbidden, to play out. The only rule is that this thing between us ends

Goodnight Bubbala - Sheryl Haft 2019-10-15

This festive parody reimagines a classic bedtime book as a lively Jewish family gathering complete with bubbies and zeydes—a perfect gift or read aloud that includes an exclusive latke recipe by Ina Garten, TV's Barefoot Contessa! In the small blue room there was a bubbala, and a little shmatta, and then—oy vey!—came the whole mishpacha! This zesty parody of one of America's favorite picture books offers a very different bedtime routine: one that is full of family exuberance and love. Instead of whispers of “hush,” this bedtime includes dancing and kvelling, and of course, noshing—because this little bunny is a Jewish bunny, and this joyous book celebrates the Jewish values of cherishing your loved ones, expressing gratitude, and being generous. Filled with Yiddish words, the book includes a phonetic glossary and even an easy latke recipe by beloved cookbook author Ina Garten, who calls the book “brilliant, beautiful, important, and so much fun!”

Love & Misadventure - Lang Leav 2013-09-17

The journey from love to heartbreak to finding love again is personal yet universal. Lang Leav's evocative love poetry speaks to the soul of anyone who is on this journey. Leav has an unnerving ability to see inside the hearts and minds of her readers. Her talent for translating complex emotions with astonishing simplicity has won her a cult following of devoted modern poetry fans from all over the world. Forget the dainty, delicate love poems of yore; these little poems pack a mighty punch. Lang Leav is a poet and internationally exhibiting artist. Her work expresses the intricacies of love and loss. *Love & Misadventure* is her first poetry collection.

Dash And Lily's Book Of Dares (Dash & Lily, Book 1) - Rachel Cohn 2012-10-01

A whirlwind romance from the New York Times bestselling authors of Nick & Norah's Infinite Playlist, now a Netflix original series! I've left some clues for you. If you want them, turn the page. If you don't, put the book back on the shelf, please.

Good Morning, Midnight - Jean Rhys 2020

The last of the four novels Jean Rhys wrote in interwar Paris, *Good Morning, Midnight* is the culmination of a searing literary arc, which established Rhys as an astute observer of human tragedy. Her everywoman heroine, Sasha, must confront the loves-- and losses-- of her past in this mesmerizing and formally daring psychological portrait.

I Know Why the Caged Bird Sings - Maya Angelou 2009-04-21

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local “powhitetrash.” At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors (“I met and fell in love with William Shakespeare”) will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. “*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity.”—James Baldwin
