The Kama Sutra of Vatsyayana - Vatsyayana 2021-08-29

The Kama Sutra of Vatsyayana Vatsyayana - The Kama Sutra of

Vatsyayana by Richard Francis Burton is an edition of the ancient Indian text on sexuality and emotional needs. Vatsyayana was an ancient Indian philosopher who lived during the second or third century. Although it is often thought of as a sex manual, it is much more, with guides on living well, the nature of love, and finding a partner. Indeed, Vatsyayana says himself: 'This work is not to be used merely as an instrument for satisfying our desires'. Burton did not in fact translate the Kama Sutra - it was translated by the Indian scholar Bhagwan Lal Indraji. It was edited by Burton to suit prevailing British attitudes to sex, but was still banned in England and the United States until 1962. Other criticisms levelled at Burton's translation is that instead of using English words for the sex organs, he uses the words 'lingam' and 'yoni', despite those words not appearing in the original work. This was seen as an attempt to distance them and make them 'other', rather than about English people's sexual organs. He also removes the agency of women, and where in the original, women's words are direct quotes, in the Burton translation, women's words are removed and put into the passive state (i.e., A woman saying 'Stop!' becomes 'She continually utters words expressive of prohibition'). Despite all this, it has been such an influential translation that even modern editions in the Hindi language are re-translations of the Burton version. The Kama Sutra is an ancient Indian Hindu text widely considered to be the standard work on human sexual behavior in Sanskrit literature written by Vaatsyayana. A portion of the work consists of practical advice on sexual intercourse. It is largely in prose, with many inserted anustubh poetry verses. "Kama" which is one of the four goals of Hindu life, means desire including sexual desire the latter being the subject of the textbook, and "sutra" literally means a thread or line that holds things together, and more metaphorically refers to an aphorism (or line, rule, formula), or a collection of such aphorisms in the form of a manual. Contrary to popular perception, especially in the western world, Kama sutra is not exclusively a sex manual; it presents itself as a guide to a virtuous and gracious living that discusses the nature of love, family life and other aspects pertaining to pleasure oriented faculties of human life.

Full Service - Scotty Bowers 2013

A World War II veteran and Hollywood gas station attendant describes how his good looks and open bisexuality culminated in liaisons with numerous celebrities, providing a chronicle of Hollywood's sexual underground in the 1940s and 1950s.

Desi Land - Shalini Shankar 2008-10-06

Desi Land is Shalini Shankar's lively ethnographic account of South Asian American teen culture during the Silicon Valley dot-com boom. Shankar focuses on how South Asian Americans, or "Desis," define and manage what it means to be successful in a place brimming with the promise of technology. Between 1999 and 2001 Shankar spent many months "kickin' it" with Desi teenagers at three Silicon Valley high schools, and she has since followed their lives and stories. The diverse high-school students who populate Desi Land are Muslims, Hindus, Christians, and Sikhs, from South Asia and other locations; they include

first- to fourth-generation immigrants whose parents' careers vary from assembly-line workers to engineers and CEOs. By analyzing how Desi teens' conceptions and realizations of success are influenced by community values, cultural practices, language use, and material culture, she offers a nuanced portrait of diasporic formations in a transforming urban region. Whether discussing instant messaging or arranged marriages, Desi bling or the pressures of the model minority myth, Shankar foregrounds the teens' voices, perspectives, and stories. She investigates how Desi teens interact with dialogue and songs from Bollywood films as well as how they use their heritage language in ways that inform local meanings of ethnicity while they also connect to a broader South Asian diasporic consciousness. She analyzes how teens negotiate rules about dating and reconcile them with their longer-term desire to become adult members of their communities. In Desi Land Shankar not only shows how Desi teens of different socioeconomic backgrounds are differently able to succeed in Silicon Valley schools and economies but also how such variance affects meanings of race, class, and community for South Asian Americans.

Atlanta - 2004-02

Atlanta magazine's editorial mission is to engage our community through provocative writing, authoritative reporting, and superlative design that illuminate the people, the issues, the trends, and the events that define our city. The magazine informs, challenges, and entertains our readers each month while helping them make intelligent choices, not only about what they do and where they go, but what they think about matters of importance to the community and the region. Atlanta magazine's editorial mission is to engage our community through provocative writing, authoritative reporting, and superlative design that illuminate the people, the issues, the trends, and the events that define our city. The magazine informs, challenges, and entertains our readers each month while helping them make intelligent choices, not only about what they do and where they go, but what they think about matters of importance to the community and the region.

Sex and Society in Islam - B. F. Musallam 1986-08-21

In this study of birth control in the classical Islamic world, Basim Musallam demonstrates the wide range of evidence available to dispel many assumptions that are rampant in many people's beliefs. Medieval Arabic discussions of contraception and abortion in Islamic jurisprudence, medicine, materia medica, belles lettres, erotica and popular literature show that birth control was sanctioned by Islamic law and opinion. Contraceptive methods were available throughout pre-modern times and were used to meet social, economic, personal and medical needs. Sex and Society in Islam considers the impact of birth control as a factor in demographic change, and therefore in social history.

Sex Ed - Robert T. Eberwein 1999

In a 1914 movie, Damaged Goods, a doctor shows a character the horrific effects of venereal disease. In contrast, many of today's sex ed videos encourage viewers to realize their sexuality more fully as a source of pleasure. In Sex Ed, Robert Eberwein demonstrates how films and videos used for sex education have provided a complex ideological

framework in which questions of sexuality, gender, and race are compellingly foregrounded. Eberwein starts his investigation in the silent and early sound eras with educational films used both to warn audiences about venereal disease and to provide basic contraception information. World War II movies, he states, waged their own war against venereal disease—in the armed services and at home. Newer works deal with birth control and focus in particular on AIDS. Sex Ed also highlights the classroom. Eberwein draws connections between the earliest and most recent examples of educational films as he analyzes their ideological complexity. He concludes by examining marriage-manual films of the early 1970s and very recent videos for couples and individuals seeking instruction in sexual techniques to increase pleasure.

Sex - Madonna 1992-01

Dating Dr. Dil - Nisha Sharma 2022-03-15

"Nisha Sharma's *Dating Dr. Dil* is what would happen if you put all my favorite romantic comedy tropes into a blender: a frothy, snarky, hilarious treat with a gooey, heartwarming center. The perfect addition to any rom-com lover's shelf." —Emily Henry, #1 New York Times bestselling author of *People We Meet on Vacation* Nisha Sharma's new romantic comedy features enemies to lovers, a cast of best friends, and a gaggle of aunties determined to make a match. Hi! I'm Kareena Mann. As cheesy as it sounds, I'm looking for my soulmate. In four months. And he must gain the approval of my meddling aunties. Kareena dreams of having a perfect love story like her parents did. That's why on the morning of her thirtieth birthday, she's decided to suit up and enter the dating arena. When her widowed father announces he's retiring and selling their home after her sister's engagement party, Kareena makes a deal with him. If she can find her soulmate by the date of the party, he'll gift her the house, and she'll be able to keep her mother's legacy alive. Hi, I'm Dr. Prem Verma, host of the *Dr. Dil Show*. Prem means love, Dil means heart, and I'm a cardiologist. Don't let my name fool you. I only fix broken hearts in the literal sense. Prem doesn't have time for romance, which is why it's no surprise when his first meeting with Kareena goes awry. Their second encounter is worse when their on-air debate about love goes viral. Now Prem's largest community center donor is backing out because Prem's reputation as a heart-health expert is at risk. To get back in his donor's good graces, he needs to fix his image fast, and dating Kareena is his only option. Even though they have warring interests, the more time Prem spends with Kareena, the more he thinks she's might actually be the woman he wants to spend the rest of his life with. In this *Taming of the Shrew* re-imagining, for Prem and Kareena to find their happily ever after, they must admit that hate has turned into fate. "Bursting with character, spicy tension and laughs, *Dating Dr. Dil* is the enemies to lovers dream book!" —Tessa Bailey, New York Times bestselling author of *It Happened One Summer*

Metini Village - Kent G. Lightfoot 2018

Synthesizing over two decades of collaborative archaeological research carried out by UC Berkeley, the Kashia Band of Pomo Indians, and California State Parks at Fort Ross, California, this volume makes the case for an archaeology of colonialism that bridges studies of early colonial encounters with analysis of settler colonial relations.

The Archaeology of Food - Kathryn C. Twiss 2019-11-14

Surveys the archaeology of food: its methods and its themes (economics, politics, status, identity, gender, ethnicity, ritual, religion).

Secret Wars - Austin Carson 2020-06-09

Secret Wars is the first book to systematically analyze the ways powerful states covertly participate in foreign wars, showing a recurring pattern of such behavior stretching from World War I to U.S.-occupied Iraq. Investigating what governments keep secret during wars and why, Austin Carson argues that leaders maintain the secrecy of state involvement as a response to the persistent concern of limiting war. Keeping interventions "backstage" helps control escalation dynamics, insulating leaders from domestic pressures while communicating their interest in keeping a war contained. Carson shows that covert interventions can help control escalation, but they are almost always detected by other major powers. However, the shared value of limiting war can lead adversaries to keep secret the interventions they detect, as when American leaders concealed clashes with Soviet pilots during the Korean War. Escalation concerns can also cause leaders to ignore covert interventions that have become an open secret. From Nazi Germany's role in the Spanish Civil War to American covert operations during the Vietnam War, Carson presents new insights about some of the most influential conflicts of the twentieth century. Parting the curtain on the secret side of modern war, *Secret Wars* provides important lessons about

how rival state powers collude and compete, and the ways in which they avoid outright military confrontations.

Indian Sex Life - Durba Mitra 2020-01-07

"During the colonial period, Indian intellectuals—philologists, lawyers, scientists and literary figures—all sought to hold a mirror to their country. Whether they wrote novels, polemics, or scientific treatises, all sought a better understanding of society in general and their society in particular. Curiously, female sexuality and sexual behavior play an outside role in their writing. The figure of the prostitute is ubiquitous in everything from medical texts and treatises on racial evolution to anti-Muslim polemic and studies of ancient India. In this book, Durba Mitra argues that between the 1840s and the 1940s, the new science of sexuality became foundational to the scientific study of Indian social progress. The colonial state and an emerging set of Bengali male intellectuals extended the regulation of sexuality to far-reaching projects that sought to define what society should look like and how modern citizens should behave. An exploration of this history of social scientific thought offers new perspectives to understand the power of paternalistic and deeply violent claims about sexual norms in the postcolonial world today. These histories reveal the enduring authority of scientific claims to a tradition that equates social good with the control of women's free will and desire. Thus, they managed to dramatically reorganize their society around upper-caste Hindu ideals of strict monogamy"--

36 Desi Indian Lesbian Sex Stories - Rajnii Attii 2017-09-19

This book contains 36 desi lesbian Indian sex stories. All the characters and incidents are fictional. This book is only for open minded adults.

How to Be a Bad Bitch - Amber Rose 2015-10-27

An edgy yet accessible "bad bitch" guide to life, love, and success from Amber Rose, renowned model, entrepreneur, and pop culture personality. *Bad Bitch* (n.): A self respecting, strong female who has everything together. This consists of body, mind, finances, and swagger; a woman who gets her way by any means necessary. Amber Rose didn't let the tough streets of South Philly slow her down when working to achieve her star-studded goals. From the pages of high fashion magazines to the sets of music videos, to runways in Paris, London, and New York, to life at home with her beautiful son, Amber doesn't hesitate to command her personal stage with confidence, edge, attitude, and her own form of grace. For the first time, this renowned Ford Agency model, actress, socialite, pop culture maven, and self-proclaimed "bad bitch" is sharing her secrets on how to lead a powerful life. Filled with helpful advice and personal anecdotes, *How to Be a Bad Bitch* covers finances, career, love, beauty, and fashion while emphasizing confidence and positive self-acceptance. Above all, Amber delivers a message to all women in this fiercely fearless guide: work hard, love yourself, embrace your femininity and sexuality, and most importantly, chase the best vision of you possible.

The Secret Sex Diary of an Indian Girl - Ruchita S 2015-01-11

I am a 25 year old Indian girl working for a social media company in Mumbai. I have been keeping diaries since I was a teenager. With 'The Secret Sex Diary of an Indian Girl' I wanted to put my life out there, revealing my highs and lows as I explore my sexuality and try to find love. India is witnessing a sea change in cultural attitudes towards love and sex. With increasing Westernisation and the cultural infusion of liberal ideas, we have learnt to be more open and accepting of sex. The country is now in the throes of a full-fledged sexual revolution. This diary is a window into the life of a modern, Indian woman.

Scared Selfless - Michelle Stevens, PhD 2017-03-21

"A riveting memoir that takes readers on a roller coaster ride from the depths of hell to triumphant success."—Dave Pelzer, author of *A Child Called "It"* Michelle Stevens has a photo of the exact moment her childhood was stolen from her: She's only eight years old, posing for her mother's boyfriend, Gary Lundquist—an elementary school teacher, neighborhood stalwart, and brutal pedophile. Later that night, Gary locks Michelle in a cage, tortures her repeatedly, and uses her to quench his voracious and deviant sexual whims. Little does she know that this will become her new reality for the next six years. Michelle can also pinpoint the moment she reconstituted the splintered pieces of her life: She's in cap and gown, receiving her PhD in psychology—and the university's award for best dissertation. The distance between these two points is the improbable journey from torture, loss, and mental illness to healing, recovery, and triumph that is Michelle's powerful memoir, *Scared Selfless*. Michelle suffered from post-traumatic stress disorder, anxiety, and depression, and made multiple suicide attempts. She also developed multiple personalities. There was "Chelsey," the rebellious teenager; "Viscous," a tween with homicidal rage; and "Sarah," a sweet little girl

who brought her teddy bear on a first date. In this harrowing tale, Michelle, who was inspired to help others heal by becoming a psychotherapist, sheds light on the all-too-real threat of child sexual abuse, its subsequent psychological effects, and the best methods for victims to overcome their ordeals and, ultimately, thrive. *Scared Selfless* is both an examination of the extraordinary feats of the mind that are possible in the face of horrific trauma as well as Michelle's courageous testament to their power.

Awaken the Giant Within - Anthony Robbins 2013

Shows readers how to clarify their personal values, resolve internal conflicts, master emotions, and overcome debilitating habits.

Talkin' with Your Mouth Full - Steve Fagin 1998

Steve Fagin is an artist whose videos incorporate, challenge, and cross over into the realm of literary and cultural studies. *Talkin' with Your Mouth Full* includes not only scripts of Fagin's works but critical responses to--and meditations on--a variety of his influential videos by a distinguished, if intriguingly disparate, group of artists and scholars. Combining elements of criticism with various modes of artistic expression, these responses take the form of reviews, letters, interviews, and in one case an imaginary TV programming schedule. Interspersed with--and sometimes literally interrupting--the video scripts, these contributions interact with one another on multiple levels and complement Fagin's scripts. Historical, political, and theoretical issues dovetail, ricochet, and interplay in this book, revealing a multiplicity of voices, concerns, and cultural revelations. Unique in its structure and intellectual approach, *Talkin' with Your Mouth Full* will appeal equally to those who have seen Fagin's videos and those who have not. Students of art history and cultural critique, and anyone interested in the ongoing dialogue between artists and theorists, will find particular value in this book. Contributors. Gregg Bordowitz, Constance DeJong, Leslie Dick,

Steve Fagin, Barry Gifford, Victoria Gill, Bill Horrigan, Bertha Jottar, Ivone Margulies, Patricia Mellencamp, Margaret Morse, Constance Penley, Vicente L. Rafael, Mark Rappaport, Andrew Ross, Vivian Sobchack, Trinh T. Minh-ha, John Welchman, Peter Wollen

The Lost Boys of Zeta Psi - Laurie A. Wilkie 2010

"Laurie Wilkie is making an important statement about the culture of fraternities, saving them from uncritical celebration on the one hand and the 'Animal House' image on the other. She has given us a fascinating case study in the value and importance of the archaeology of the recent past."--Matthew Johnson, author of *Ideas of Landscape* "A fresh look at fraternity life, offering a nuanced view of its social benefits and shortcomings. This is an insightful and innovative interdisciplinary contribution to the emergent field of contemporary archaeology as well as to masculinity studies."--Mary Beaudry, author of *Findings: The Material Culture of Needlework and Sewing*

Cyber Sexy - Richa Kaul Padte 2018-05-15

In 1946, American judge Potter Stewart famously said, 'I can't define pornography, but I know it when I see it.' Over seventy years later, the reverberations of this sentence are still felt across the world. From proposed porn bans to religious morality to women's rights, the assumption is that porn has a single, knowable definition. But if one man's pornography is another woman's erotica is another person's sex tape, what really counts as porn? And who gets to do the counting? In this alternative conversation around digital sexual expression in India, Richa Kaul Padte takes readers on an intimate tour of the sexy internet. From camgirls to fanfiction writers, homemade videos to consent violations, *Cyber Sexy* is an unflinching deep dive into the messy terrain of what it means to seek out pleasure online. The question of whether or not something counts as porn is, ultimately, left up to the reader. After all, you'll know it when you see it, right?
