Pure Love Dada Bhagwan 2015-04-28 For those wondering how to become more spiritual, or how to lead a spiritual life, Pure Love emerges as an essential value. Naturally one begins inquiring into the ultimate meaning of love - what is love, what is true love, and what is unconditional love? Other questions may also arise, such as: To cultivate unconditional love, is forgiveness required? If so, how can I learn to practice forgiveness prayer? Does unconditional positive regard evolve into unconditional love? In the context of unconditional love, what is marriage? Can a husband and wife relationship transform into living for love, and ultimately become an example of love supreme? In the book "Pure Love", Gnani Purush (embodiment of Self knowledge) Dada Bhagwan offers a profound explanation of unconditional love meaning, and describes how Pure Love grows naturally with spiritual development. Dadashri explains that the knowledge of Self the beginning of spiritual awakening, and that the blossoming of Pure Love is one of the signs of spiritual awakening. Among the many spiritual books available today, this resource on the topic of Pure Love will prove invaluable.

bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

Scotland on Sunday ..In his new collection, prize-winning author Peter Ho Davies takes as his starting point the essential imbalance of the relationship between parent and child. Drawing on the author's own cross-cultural inheritance, these stories range across a series of settings and backgrounds. From a Chinese son gambling with professional mourners to a mixed-race couple who experience a close encounter with an alien being, Ho Davies' characters share an instantly recognizable sense of displacement - these are children of one century, adults of the next - caught between debts to their parents and what they owe their offspring. ..Sharply observed and compassionate, Equal Love imparts the talent of a truly original writer, whose work has already earned comparison with that of Raymond Carver, James Joyce and V. Tomorrow Will Be Different Sarah McBride 2018-03-06 “A brave, powerful memoir” (People) that will change the way we look at identity and equality in this country, from the activist elected as the first openly transgender state senator in U.S. history “The energy and vigor Sarah has brought to the fight for equality is ever present in this book.”—Vice President Kamala Harris “If you’re living your own internal struggle, this book can help you find a way to live authentically, fully, and freely. . . . Let it show that we are all created equal and entitled to be treated with dignity and respect.”—President Joe Biden, from the foreword Before she became the first transgender person to speak at a national political convention in 2016 at the age of twenty-six, Sarah McBride struggled with the decision to come out—not just to her family but to the students of American University, where she was serving as student body president. She’d known she was a girl from her earliest memories, but it wasn’t until the Facebook post announcing her truth went viral that she realized just how much impact her story could have on the country. Four years later, McBride was one of the nation’s most prominent transgender activists, walking the halls of the White House, advocating inclusive legislation, and addressing the country in the midst of a heated presidential election. She had also found her first love and future husband, Andy, a trans man and fellow activist, who complemented her in every way . . . until cancer tragically intervened. Informative, heartbreaking, and profoundly empowering, *Tomorrow Will Be Different* is McBride’s story of love and loss and a powerful entry point into the LGBTQ

community's battle for equal rights and what it means to be openly transgender. From issues like bathroom access to health care to gender in America, McBride weaves the important political and cultural milestones into a personal journey that will open hearts and change minds. As McBride urges: "We must never be a country that says there's only one way to love, only one way to look, and only one way to live." The fight for equality and freedom has only just begun.

Living in Love and Faith The Church of England 2020-11-09 Issues of gender and sexuality are intrinsic to people's experience: their sense of identity, their lives and the loving relationships that shape and sustain them. disagreements about these matters, divisions brought into sharper focus because of society's changing perspectives and practices, especially in relation to LGBTBI+ people. *Living in Love and Faith* sets out to inspire people to think more deeply both about what it means to be human, and to live in love and faith with one another. It tackles the tough questions and the divisions among Christians about what it means to be holy in a society in which understandings and practices of gender, sexuality and marriage continue to change. Commissioned and led by the Bishops of the Church of England, the *Living in Love and Faith* project has involved many people across the Church and beyond, bringing together a great diversity and depth of expertise, conviction and experience to explore these matters by studying what the Bible, theology, history and the social and biological sciences have to say. After a Foreword from the Archbishops of Canterbury and York, the book opens with an invitation from the Bishops of the Church of England to embark on a learning journey in five parts: Part One sets current questions about human identity, sexuality, relationships and marriage in the context of God's gift of life. Part Two takes a careful and dispassionate look at what is happening in the world with regard to identity, sexuality, relationships and marriage. Part Three explores current Christian thinking and discussions about human identity, sexuality, and marriage. In the light of the good news of Jesus Christ, how do Christians understand and respond to the trends observed in Part Two? Part Four considers what it means for us as individuals and as a church to be Christ-like when it comes to matters of identity, sexuality, relationships and marriage. Part Five invites the reader into a conversation between some of the people who have been involved in writing this book who, having engaged with and written Parts One to Four, nevertheless come to different conclusions. Amid the biblical, theological, historical and scientific exploration, each part includes Encounters with real, contemporary disciples of Christ whose stories raise

questions which ask us to discern where God is active in human lives. The book ends with an appeal from the Bishops to join them in a period of discernment and decision-making following the publication of *Living in Love and Faith*. The *Living in Love and Faith* book is accompanied by a range of free digital resources including films, podcasts and an online library, together with *Living in Love and Faith: The Course*, a 5-session course which is designed to help local groups engage with the resources, also published by Church House Publishing.
