The second Joseph laid eyes on Gage he knew he was trouble, but something about the sexy mechanic drew him in. Maybe it was the dark eyes that studied Joseph like Gage wanted to know everything about him. Maybe it's the way he made Joseph feel with the rough touch of his hands and a possessive grip on his hair when they kissed. Or maybe it's the way Gage grows to need Joseph, even though he won't admit it. For once in his life Joseph is taking a risk. Despite everything that tells him he shouldn't, he's taking a chance to be with Gage. Joseph doesn't know if it will end well. He just knows that he can't resist that Bad Boy. *Punk 57* - Penelope Douglas 2016

"MISHA I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F\*ck it. I need to meet her. I just don't expect to hate

what I find. RYEN He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. \*Punk 57 is a stand alone New Adult romance. It is suitable for ages 18+."-- Amazon.com

Bluebeard's Wife - Selena Kitt 2008-11-14

Tara's husband has never shared a fantasy with her, or even masturbated—that she knows of. However, this curious wife discovers a phone bill full of phone calls to sex lines and realizes her husband has been living a double life! Tara goes along for the ride, hoping that Kelly may have the answer to bridging the seemingly ever-growing gap in her marriage?-----

-----Warnings: This title contains erotic situations, graphic language, sex, ménage a trois (MFF threesome), lesbian sex and some naughty daddy/daughter role play, too!-----

EXCERPT: "Seeing you dancing out there with Kelly—you don't know how sexy you are, do you?" he asked, leaning over to me, his hand running up from my knee to my thigh. His breath was warm on my face, and I could smell the 7&7's he'd been drinking all night. My own head was still swimming with wine. "You two rubbing up against each other, seeing your red little dress riding up and up," he whispered, his hand pushing my dress up further as he sought higher ground on my leg. "You looked just like you do when you come, with your eyes half closed and your mouth open and your legs quivering." I moaned, tilting my face up to him, and then he was kissing me, his tongue forcing its way past my teeth, down my throat, as he pressed me into the door. "I wanted to fuck you right there on the dance floor," he growled against my neck, biting and sucking at my flesh. "I wanted to fuck you both." I gasped, his hands groping me in the dark, everywhere at once. My dress was pushed up to my waist now, his fingers rubbing fast and hard between my legs. We kissed, our mouths meshing together as he leaned over the gearshift

to get to me. When he pulled my panties aside and plunged his fingers into me, I hissed, putting one foot up onto the dashboard to give him better access. He was trying to climb over onto me but there wasn't enough room—not in his little Roadster. When I whispered that fact to him, he grunted, pulling his hand away from me and moving to open his door. A moment later, he was opening mine, and I was still sitting there with my panties askew, my heels off, and my dress shoved up to my waist, struggling with the seatbelt. He leaned over me and popped the button, pulling me out of the car and crushing me to him, his tongue digging deep into my mouth. I clung to him, wrapping my arms around his neck, feeling his hands roaming over my ass, squeezing and lifting me, pressing my crotch to his. I could feel how hard he was through his trousers. Then he was turning me around, pressing me over the hood of the car, shoving my dress up higher on my waist. His hands moved over my ass, my thighs, and I heard his zipper and the felt his cock pressing against my panties. He shoved those aside, his fingers finding me again, moving in and out of my wetness—and I was wet, soaking wet, my panties moist with my heat. He didn't bother to take them off, he just replaced his fingers with his cock, shoving himself deep inside me with a growl. I moaned, pressing my cheek to the metal, the engine still ticking as he started to fuck me, my hands out in front of me, just letting him take me. I could see the Christmas lights of the neighbor's house across the street, a blurred red and green glow as he rocked me against the Beemer's electric blue hood.
