Hey There, Delilah... - M. D.

Saperstein 2013-09-22

Hi, my name is Delilah Sampson, and I am a self proclaimed "frump girl." My world came crashing down the day I walked in on my boyfriend having sex with my boss, rendering me single and jobless. A new job fell into my lap as the secretary of the gorgeous, rich, powerful, and mighty cocky controlling partner at the Santino Law Firm. I spend my days trying to please a demanding boss, keeping my lustful thoughts to

myself. Until one night, when my best friend drags me to a club, and I fall for a man whose true identity I will never know. See, at Club Masquerade, everyone wears a mask and a nametag with a fake name. Also, on your nametag is a number that you are assigned when you come into the club, which is linked to an in-house messaging system; no one is permitted to speak, which ensures that identities are kept secret. I meet my lover every Saturday at 9:00 pm sharp. We text and email constantly when we are not together, and I have somehow fallen in love with him. But, then there is Nick Santino. He is the partner that I can't keep my eyes off. Unfortunately, the only reason he hired me is because he is not attracted to me and all of my frump glory. Fortunately, for me, I am a kick ass secretary, so he keeps me around. Like many men in his position, Nick is used to getting what he wants, when he wants it; all without commitment, of course. So when he finds a woman that he is both

physically and emotionally attracted to, he finds himself in uncharted territory - love. And I can do nothing but be jealous from the sidelines - lusty for a man I can't have, and loving a man I can't know. Hey there, Delilah is book 1 of a Taboo Love series, in which we tackle the boss/secretary relationship. Each book will be a stand alone with a HEA, but will have a few reoccurring characters.

Mikhail Dmitriyev is a beautiful devil with a villainous heart and a thirst for revenge. The choices he gave me when he stole me away from my home with an army of men were very clear-marry me or die. there's one small problem with his grand plan to reign Armageddon on the Mexican Cartel. I'm not the woman he thinks I am. I'm not the cartel princess he thinks he took to make his enemies bow to him. When my captor finds out my secret and realizes he married the wrong woman, love won't be enough to save me. The matter of who's good and who's evil can be decided by the answer to a single question: Whose side are you on? Now, as High Queen of the Fae, Mac faces her greatest challenge yet: ruling the very race she was born to hunt and kill—a race that wants her dead yesterday, so they can put a pure-blooded Fae queen on the throne.
