

Falling Angels

Fallen Angels - Walter Dean Myers 2013-11-07
Fallen Angels by Walter Dean Myers is a young adult novel about seventeen-year-old Richie Perry, a Harlem teenager who volunteers for the Army when unable to afford college and is sent to fight in the Vietnam War. Perry and his platoon—Peewee, Lobel, Johnson, and Brunner—come face-to-face with the Vietcong, the harsh realities of war, and some dark truths about themselves. A thoughtful young man with a gift for writing and love of basketball, Perry learns to navigate among fellow soldiers under tremendous stress and struggles with his own fear as he sees things he'll never forget: the filling of body bags, the deaths of civilians and soldier friends, the effects of claymore mines, the fires of Napalm, and jungle diseases like Nam Rot. Available as an e-book for the first time on the 25th anniversary of its publication, Fallen Angels has been called one of the best Vietnam War books ever and one of the great coming-of-age Vietnam War stories. Filled with unforgettable characters, not least Peewee Gates of Chicago who copes with war by relying on wisecracks and dark humor, Fallen Angels "reaches deep into the minds of soldiers" and makes "readers feel they are there, deep in the heart of war." Fallen Angels has won numerous awards and honors, including the Coretta Scott King Award, an ALA Best Book for Young Adults, a Booklist Editors Choice, and a School Library Journal Best Book. Fallen Angels was #16 on the American Library Association's list of the most frequently challenged books of 1990-2000 for its realistic depiction of war and those who fight in wars.

Fallen Angels - Larry Niven 2002-10-01
As the world reels under the sudden onslaught of the new ice age, the lunatic fringe of the environmental movement controls the U.S. government. Abandoned by Earth, the space colonies must replenish their air supply by scoopships diving into the atmosphere -- but Alex and Gordon's ship was hit by a missile, sending them tumbling out of the sky to be

hunted by authorities who want them dead or alive. . . . But wait! There is one pro-tech group left on Earth: science fiction fandom! How they get our guys from the permafrost to orbit in twenty incredibly difficult stages -- and why they bother -- is the story of two very "Fallen Angels."

Branded - Keary Taylor 2010-02-10
Jessica's had the nightmares for as long as she can remember. Nightmares of being judged for people who have died, of being branded by the angels. Her friends and family think she's a crazy because of it all. Yet she carries the mark of the condemned, seared into the back of her neck, and hides it and herself away from the world. But when two men she can't ignore enter her life everything changes, including the nightmares. The two of them couldn't be more different. She will do anything to be with one of them. Even tell him the truth about angels, why she never sleeps, and the scar on the back of her neck. But one of the two has set events into motion what will pull her toward her own judgment and turn her into the object of her greatest fear.

Angel's Breath (Fallen Angels - Book 2) - Valmore Daniels 2012-07-16
My name is Richard Riley. All I ever wanted was to lead a normal life. When I was younger, I made some bad choices that ended with me in prison. I served my time, and now I am trying to put my life back together. But someone has framed me for a crime I didn't commit. They want me dead, and they're willing to kill my friends and family to get to me. Even as I try to save the people I love, a dark and ancient power grows inside me. I can feel its anger rising. If it gets away from me, it will rip everything in my life apart. Fallen Angels Book 1 - Angel Fire Book 2 - Angel's Breath Book 3 - Earth Angel Book 4 - Angel Tears Book 5 - Angel of Darkness The Complete Book of Fallen Angels
Falling Angels - Tracy Chevalier 2002-06

Fallen Angels Book Club - R. Franklin James 2013-05-01

The Fallen Angels Book Club has only two requirements: the members must love books and have a white-collar criminal record. Hollis Morgan fits the bill. Left holding the bag in an insurance fraud scheme concocted by her now ex-husband, she served her time and is trying to rebuild her life. All she wants is for the court to pardon her conviction so she can return to law school. After one of her fellow members is murdered in a scenario straight out of a club selection, Hollis is once again the subject of police scrutiny. Refusing to get stuck with another bad rap, she sets out to investigate her fellow club members. Is one of them really blackmailing the others? As a second member dies in yet another book-inspired murder, Hollis realizes that time is running out. Everything rides on her finding the killer--not just her career aspirations. She must identify the killer before she herself becomes the next victim. Everyone is convinced she knows more than she lets on. But what is it, exactly, that is she supposed to know? The Fallen Angels Book Club is the first book in an exciting new mystery series featuring amateur sleuth Hollis Morgan.

Fallen Angels and the Origins of Evil -

Elizabeth Clare Prophet 2000

The Book of Enoch was denounced, banned, and "lost" for over a thousand years--until in 1773 a Scottish explorer discovered three copies in Ethiopia. This book examines the controversy surrounding The Book of Enoch, and sheds new light on Enoch's forbidden mysteries.

Ángeles fugaces - Tracy Chevalier 2003

Another dazzling novel by the author of the best-selling novel, *Girl With A Pearl Earring*.

Chevalier draws a picture of family life that exposes the prejudices and flaws of a changing time, set against a backdrop of social and political turbulence in early twentieth-century London. "In her New York Times best-selling follow-up, Chevalier once again paints a distant age with a rich and provocative palette of characters. Graced with the luminous imagery that distinguished *Girl With a Pearl Earring*, *Falling Angels* is another dazzling tour de force from this "master of voices" /The New York Times Book Review

The City of Falling Angels - John Berendt
2011-06-23

A beguiling portrait of the city of Venice from

the bestselling author of the classic true crime *Midnight in the Garden of Good and Evil*. 'Glittering, entertaining' Sunday Times Beneath the exquisite facade of the world's most beautiful historic city, scandal, corruption and venality are rampant. Venice and its eccentric locals come to life in the words of exquisite storyteller, John Berendt. Ezra Pound and his mistress, Olga; poet Mario Stefani; the Rat Man of Treviso; or Mario Moro - self-styled carabinieri, fireman, soldier or airman, depending on the day of the week. 'Funny, insightful, illuminating...[Venice] reveals itself, slowly, discreetly, under Berendt's gentle but persistent prying' Boston Globe City of Falling Angels is a mischievous, charming and compelling portrait of a beguiling city and its people.

Fallen Angels - Raymond Chandler 1993

Includes six short stories written by masters of mystery and crime fiction, along with a screen adaptation of each story

Falling Angels - Tracy Chevalier 2002-09-24

A New York Times bestseller From the author of the international bestseller *Girl With A Pearl Earring* and *At the Edge of the Orchard*, Tracy Chevalier once again paints a distant age with a rich and provocative palette of characters.

Falling Angels follows the fortunes of two families in the emerging years of the twentieth century in England, while the Queen's death reverberates through a changing nation. Told through a variety of shifting perspectives—wives and husbands, friends and lovers, masters and their servants, and a gravedigger's son—*Falling Angels* is graced with the luminous imagery that distinguished *Girl With a Pearl Earring*, *Falling Angels* is another dazzling tour de force from this "master of voices" (The New York Times Book Review).

Falling Angels - Colin Thompson 2010

Sally, gifted with flight, flies to remote lands and fulfills her dying grandmother's wishes by bringing her snow in the summer, and taking her on a journey to the islands in the winter.

Fallen Angels - Jerry Pournelle 2002-10-01

IT ALL HAPPENED SO FAST One minute the two space Hab astronauts were scoop-diving the atmosphere, the next they'd been shot down over the North Dakota Glacier and were the object of a massive manhunt by the United

States government. That government, dedicated to saving the environment from the evils of technology, had been voted into power because everybody knew that the Green House Effect had to be controlled, whatever the cost. But who would have thought that the cost of ending pollution would include not only total government control of day-to-day life, but the onset of a new Ice Age Stranded in the anti-technological heartland of America, paralyzed by Earth's gravity, the "Angels" had no way back to the Space Habs, the last bastions of high technology and intellectual freedom on or over the Earth. But help was on its way, help from the most unlikely sources Join # 1 national bestsellers Larry Niven and Jerry Pournelle and Michael Flynn in a world where civilization is on the ropes, and the environmentalists have created their own worst nightmare: A world of Fallen Angels At the publisher's request, this title is sold without DRM (Digital Rights Management).

Fallen Angels - Bernard Cornwell 2008-09-04
A lost legacy puts one of England's great families in mortal peril ...

Fallen Angels - Robert Masello 2014-07-01
"My name is Legion: for we are many." —Mark 5:9 They have been with us since the beginning of time. Walking the centuries in our myths, our art, our literature . . . and in our dreams. Victims of temptation and sin, they are spirits who fell from heaven's grace, emerging anew as servants of darkness. Here, in one spellbinding volume, are the most infamous denizens of the Underworld—from Lucifer, the first angel who challenged God's will, to the fathomless legions of demons and fiends who haunt us to this day. Explore their world, hear their stories, unravel their secrets, and discover for yourself that even angels can have a dark side . . .

The Falling Angels - John Walsh 1999
This text is the story of rootlessness, of a London-Irish boy who has two identities and feels at home with neither. John Walsh found the Irishness of his parents' Battersea home stiflingly warm and puzzlingly foreign. Spellbound equally by Mick Jagger and by images of Irish martyrdom, he discovered at the age of 16 an extended family he had never known existed. In the hidden life of Galway was revelation that begged a crucial question: how

do we know where our true nature Lies?

Fallen Angels - Bernard J. Bamberger
2010-01-01

The problem of evil has challenged mankind ever since the dawn of intelligence. Why is there evil in the world and why do pain and suffering come upon those who do not seem to deserve it? Written in a simple, popular style, Bamberger's book, first published in 1952, will appeal to anyone who, no matter what his own answer to the question may be, is curious to learn how it has been answered in the past or is being answered by others in our own age. The author traces the history of the belief in fallen angels in Judaism, Christianity and Islam, and assembles a variety of tales and superstitions -- some grotesque, others quaint and humorous. His presentation also reveals a basic divergence between Judaism and Christianity in their respective attitudes toward the devil. The concluding chapter of the work deals with the return of the devil to prominence in contemporary religious thought and shows how Judaism seeks its own solution to the problem of evil. The book contains an extensive bibliography, notes, and index.

Dictionary of Angels - Gustav Davidson 1994-10
In the midst of the remarkable revival of interest and belief in angels comes this handsomely illustrated reference work--the fruit of 16 years of research in Talmudic, gnostic, cabalistic, apocalyptic, patristic, and legendary texts. "A wacky and wonderful compendium of angelic lore".--Time. Illustrations.

Falling Angels - Tracy Chevalier 2009-04-17
'Vividly imagined' Sunday Telegraph 'Sex and death meet again in [a] marvellous evocation of Edwardian England' Daily Mail

Fallen Angels - Mike Lee 2018-08-28
Book eleven in the New York Times bestselling series With news of Horus's treachery spreading across the galaxy, the Great Crusade grinds to a halt as the primarchs and their Legions decide where their loyalty lies - with the Emperor, or with the rebel Warmaster. The Dark Angels, too, face a time of testing, both among the stars and on their home world Caliban. Luther, once Lion El'Jonson's trusted second-in-command, now languishes as an exile in all but name while his master struggles to thwart the traitors' advance upon the forge world Diamat. But an ancient evil

gathers its strength beneath the surface of
Caliban, and the First Legion will soon be thrust

into a deadly conflict where all that they know
will be cast into doubt.
