

Fear Ii Falling In Love With An Alpha Billionaire

The Billionaire Prince's Nanny Leslie North 2019-06-19 Katie Crestley is in a world of trouble. A blacklisted journalist and desperate for money, Katie takes the only other job she's remotely qualified for: nanny to the two adopted daughters of the youngest prince of Stolvenia. But just as she's given up on her dream of becoming a legitimate journalist, the editor of a major Stolvenian newspaper approaches her. With a new anti-royalist movement growing in the small country, getting the dirt on the royal family could lead to big things for Katie's career. She's reluctant, but if she'd rather stick to her morals, then the editor will just have to let the royal family know about her scandalous past—ensuring she'll be fired. With little other choice, Katie caves to the blackmail and agrees to spy on her boss. Problem is, the longer she works for Prince Armin Albericht Von Roth, the more she realizes what a good, selfless man he is. Worse, she's falling hard for him and knows he'll never forgive her if he finds out what she's done... Armin always does what is right and believes everyone else should follow suit. Structure, rules, and protocol are what's important. So he's taken aback when he learns his late best friend named him guardian of his two little girls. What does he know about children? He'd thought a nanny would set things straight, but Katie is far too pretty, far too free spirited, far too distracting. She doesn't follow rules. She doesn't understand the importance of structure. She's getting under his skin, disrupting not only his life, but his very thoughts—which seem to be centered more and more on her... But as Armin begins to fall for his daughters' beautiful nanny, can he forgive her once he finds out what she's really doing in the palace? Or will it be best for him and his daughters to forget the pretty American who made their lives a little brighter? This novel contains sexual content and profanity.

CLAIMED BY THE ALPHA BILLIONAIRE BOSS Sarah, a twenty-six year old divorcee with a four-year-old daughter, joins an investment firm as one of their many accountants. She has a run-in with the CEO of the company, Charles. Charles is a playboy, known for dating beautiful supermodels, but there is something about Sarah that attracts him to her immediately. Their hearts collide and they are quick to realize that they are made for each other. But the path to love is never smooth. Sarah's concern is that her daughter will be exposed to a media frenzy, and her fears are warranted. Despite familial problems, Sarah and Charles try to make it work, and try to form a new family for Amanda. TOUCH OF THE BILLIONAIRE When Adrian first discovered her husband's infidelity, she was at a loss. Her first and foremost concern was her daughter, and how to care for her as a single mother. She falls hard for the job itself, as an event planner for a non-profit foundation. She loves the work and finds herself naturally inclined to the position she was given. But the roller coaster named Andrew Cole was almost too much for her to handle. Perhaps her reaction was too much for him, but then again, perhaps his actions were too much for her. Will they manage to work it out or is it all just too much for Adrian and Andrew to handle? FALLING IN LOVE WITH MY BOSS Where did I go wrong in my life?" I asked myself almost on a daily basis when I looked in the mirror. I was no longer happy and barely smiled. Every day seemed to be the same thing with my husband, William. Life had taken its course, but I wasn't prepared for the way it turned around. I would have never caught myself ten years ago when we had been college sweethearts. Now ten years so far away and often I try to go back to the past to kiss it one last time, wondering if this time would be the last. Carlipian College was where I had met my husband. He had majored in medicine and I majored in business and business administration. Secretly back then I dreamed of being a CEO for a large company. That was just a dream. Graduation had brought joy to my parents, a new life and a diploma I wouldn't use for a while. William and I got married shortly after graduation and he was the type of man who thought women should stay at home. That was short lived when we almost lost everything we owned due to a poor investment. Constantly I wonder where the love we had gone. He had changed and wasn't the same man I had met and fell in love with. He was now trying to hide the fact he had other women on the side. It wasn't any secret what had been going on for some time. His cell phone had a password on it and locked when it wasn't in his hands. His work clothes had female's perfume and lipstick on them neither was things that I would where. I knew I would never have the answers of why he did what he did. WARNING: Readers must be 18+ due to mature themes and language. Book 1 Love is not something you protect. It's something you risk. Daniel Connor has a problem. A big one. Even though his company is a billion-dollar success in the hospitality industry, he's just opened a few new properties in the United States and is failing at every turn. He's never met a problem he couldn't solve, but this particular problem is beyond him. He needs an expert. A fixer. Enter Eleanor Sawyer, fixer extraordinaire. Though she generally only works in the US, the salary Daniel offers her--and the good looks she sees across their first meeting--are impossible for her to turn down, and she makes the journey to the UK to work with his company on their problems. But the UK isn't as easy to navigate as she expected, and when she ends up living on Daniel's property outside the city--and needing to call him every time something goes wrong--she starts to think there might be more to life in England than just fixing a company's issues. This contract was never meant to be anything but professional. The problem is, the longer Daniel and Eleanor work together, the more personal it becomes. And neither one of them is all that interested in changing it. Book 2 You have everything you need to build something bigger than yourself... Daniel Connor, owner and CEO of Connor Hotels, and Eleanor Sawyer, the fixer he hired to solve his company's problems in the American market, have come to the US to do research and get a closer view of what might be going wrong. The problem is, before they left the UK, they shared a number of adventures and one steamy kiss that left them both wanting more... and afraid to admit it. Now that they're in the US and Daniel has decided to play tourist, they're in for a few new adventures, and with all the feelings they've got bubbling under the surface, and another steamy kiss on the schedule, both are wondering whether they're going to be able to see this contract out and save the chain of hotels... or throw in the towel and make the most unprofessional move ever by admitting their feelings for one another. Book 3 Sometimes sacrifices are worth the cost. Even, or perhaps most especially, those made out of love. Eleanor Sawyer is a fixer. People pay her to fix their companies for them, and she's never met a problem she couldn't figure out. Until Daniel Connor hired her. And it's not his company she's having problems with. No, she has a plan for how to increase Connor Hotels' sales in the American market, and it's good enough that she's impressing even herself. When it comes to figure out Daniel himself, though, and those flashing eyes, smiling lips, and flirty looks... along with the occasional kiss... she's finding herself at a complete loss. She doesn't know if she wants to play along or tell him to remember who she is: just another employee. Because now she's got an even bigger problem. She's starting to fall in love with him. I want to taste the sweetness of his lips. I want to LICK EVERY INCH OF HIS BODY. I might be still a virgin, but I have skills that will bring him to his knees... Matchmaking the Billionaire Leslie North When single mother Haley Renault's boss, Nicholas Hunter, makes a bet that he'll get married before his buddy does, Haley sees the perfect opportunity. While Haley is no romantic, she firmly believes her dating app can find anyone—even self-centered, maddening Nick—a perfect match. If she can show Nick the app actually works, then he might approve it, and Haley's dreams of success could begin. There's only one hitch. The man Nick presents to the outside world is nothing like the caring, selfless one she's getting to know—the one she's starting to fall in love with. Nick loves money and all the power and prestige that comes with it. With a cool million riding on a bet with his buddy, he's determined to win, and Haley's dating app is just the advantage he needs. But the app's matches bore him—they're only interested in his money. He can't help but wish they were more like Haley—funny, sexy, intelligent, and a woman who sees the man behind the billions. But just as he realizes Haley just might be his perfect match, the app comes through with his "ideal" woman. It's a chance—maybe the only chance—to show the world Haley's app actually works. All Nick wants is Haley, and all Haley wants is for her app to work. It's a bind all the money in the world can't fix, and Haley and Nick will have to unravel it before their perfect 'match' gets away. This novel contains sexual content and profanity.

Sworn to Him Delilah Fawkes 2017-05-18 The steamy, sizzling, fun and quirky fifth book in the best-selling series THE BILLIONAIRE'S BECK AND CALL, is now available as a full novel! This romance has an HEA, no cheating, and can be enjoyed as a standalone for those who haven't read the other books in this beloved series! Damien Black... And to think, when I woke up this morning, head splitting from the wild night before, I worried today might be boring. Then again, when you were a billionaire with nothing to do except whatever you pleased, that was always your greatest fear: that boredom would creep into your life with no cure in sight. When you've seen it all and done it all, every party tends to look the same—every supermodel blends in with all the others, and each bottle of fine champagne is identical to the last. And in the end, all you have to show for your day is a hangover and the fact that you kept boredom at bay for one more day... barely. But this—this little thief with her big doll's eyes and her tight little body squirming in my arms—this was something new. Something exciting. No one ever dared cross me, the heir to the Black family's steel empire, or my family, for that matter. We ran this town, and everything and everyone knew it. No one messed with Damien Black... which is why I couldn't just let this little lady go. No, no. She was far too interesting to just set free. And beneath those baggy clothes and boy's baseball cap, she was far, far too pretty... Lilly Maverick... Stealing's easy. It's living honestly that's hard, which is why I stick with what I know. I was taught how to lift a wallet before I learned how to throw a ball or ride a bike, and over the years I got damn good at it. They say if you're good at something, you should make a living out of it, and you'll never work a day in your life... or something like that. Who the hell knows what normal folk do, with their 9-to-5's and their white picket fences? I sure ain't one

of them, and I make my way the best way I know how. That's how I came to be in possession of the wallet of Mr. Damien Black, billionaire playboy, on that fateful June day, and how he suckered me into being his. Normally, I wouldn't spit on a man like him if he were on fire, even if he was the most gorgeous man I'd ever seen in my life. Folks like him and folks like me didn't mix, and that was that. Well, usually. But when I bumped into him as we waited in a crowd together at the crosswalk, we made eye contact for the briefest of moments. And it was then, I knew, my life was about to change forever... This often funny, devilishly charming romance has it all--lust, lies, love, and above all, an ending that you'll remember long after you put this book down! Don't miss this incredible ride from best-selling author, Delilah Fawkes! **This 58,000 word novel comes with a FREE BONUS STORY in the back: "Hitched to Him, Part 1: Roped (The Billionaire's Beck and Call, Book Six)"!
