The First Kiss Hypothesis Christina Mandelski 2017-11-06 Nora Reid believes scientific laws control everything, even love. With her grandparents' epic first kiss story cemented in her brain, Nora develops a hypothesis she's determined to prove: for each person in the world, there is exactly one other person, and at first kiss, they'll experience an immediate and intense reaction. But after four years of zero-reaction kisses, she comes up with a new theory: maybe that pesky crush on her stunningly hot best friend Eli Costas is skewing her results. She needs to get rid of him, and fast. Eli Costas is an injury-prone lacrosse star with a problem—the one chance he had at winning over the girl next door resulted in the most epically sucktastic first kiss ever. And now she's...trying to get rid of him? Hell no. It's time to disprove her theory and show her exactly what she's missing. Game. On. Disclaimer: This book contains a stunningly hot lacrosse player who isn't above playing dirty to win over the stubborn girl-next-door of his dreams. Lessons in Love A. Destiny 2014-02-04 There might not be an exact science to first kisses, but Bailey's about to experiment! This standalone addition to the Flirt series, now with a new cover, is sweet, fresh, and clean. For fifteen-year-old high school sophomore Bailey Myers, science comes easy. But her feelings about the new boy in town, super hot Logan Morse, are a bit more complicated. For whatever reason, the newcomer's smile makes butterflies flutter rapidly in Bailey's stomach and causes her knees to go weak. There's no scientific explanation for such a reaction, at least none that Bailey knows of, unless... No, it can't be. Bailey doesn't get crushes. Sure, she thinks Logan's good-looking in a jaw-dropping way, has eyes she could stare at forever, and speaks with a voice that sounds like cherubs blasting their cute little trumpets. But that's a normal reaction, right? And even if it wasn't, it's not like Bailey has a chance, not with all the other gorgeous, popular girls at their school who have Logan Morse on their radar. But when Logan needs a science tutor and Bailey gets the job, their growing friendship begins to turn into something more, as Bailey learns that chemistry is a powerful force...

Once the truth inevitably comes out, will Olivia and Alexander get their second chance to forever? Or will both their hearts and lives be destroyed? "...Ms. Silk's uplifting stories pull you in and make you fall in love..." Elizabeth Lennox, Bestselling Romance Author I received an advance copy of this book, and what an amazing opportunity that was granted to me by our super talented author Gloria Silk whose two previous books are still fresh in my romantic mind! She deserves an honest review for this latest book *From Geek to Greek Billionaire* which is just as phenomenal as her other books! A gripping story about young love torn by doubts, immaturity and insecurities — they were abruptly separated from their first romantic meeting, until fate played a great surprise — meeting each other after almost a decade, both Olivia and Alexander experienced angst with twists and turns, their immature indecisions destroying first love that had beautifully blossomed inexplicably under magical circumstances!!! I love the way the storyline weaves into an interracial romantic connection between an equally magnificent portrayal of beautiful and talented Olivia Moore, an American and Alexander Anderson whose joint family heritage has led them to a more wonderful relationship with the family, adoptive parents of Alexander whose biological parents are from Greece. Following a complicated young lovers' story like Olivia's and Alexander's strengthens my faith in fate and destiny! When there is true love, forgiveness and redemption are easier to refresh a fully sustained trust and confidence with the one person whom you truly meant to keep in your life! With a magnificent and loveable romantic twist like a Cinderella fairytale Olivia has finally made a brilliant decision in keeping her Prince deeply close in her heart, forever—in following an epic love story like theirs, an avid romantic like me only has this to say “thanks for Gloria Silk's brilliantly creative mind, we all enjoy to fantasize our own love story, living happily ever is my kind of New Year's romantic mood! Beautiful Heart and Mind of Love Shelinda Hunter 2020-11-24 Love, an intense feeling of deep affection and a great interest and pleasure in someone unconditional, the kind we all want; not disappointment, impatience, irritation, or anger. But the kind of love most people need but never had is the love that goes deeper than affection, attraction, lust, or friendship. It's deep mutual love of respect, trust, honesty, integrity, intimacy, chemistry, and partnership. Love is experienced together, not separately. When you see someone as part of your life and future, this is love. Finding love is not easy because, one thing, I found out you have to love yourself first before someone can love you; because looks can deceive, but our heart, mind, and soul tells it all. These words I have written from my heart is to someone I have not met yet, but until that day and time come, I hope these words help and touch someone's heart that reads this book in their life of love.

Edge of the Light: Healing through my Seven Divine Powers, Diddle-Lee-Anne 2023-02-09 Growing up on a farm in Kentucky, I know the meaning of a "hard day's work." As the sun was setting, we could hear Mom ringing the dinner bell. With a country meal on the table, Dad began to say the blessings. Believing life was simple, I had no idea of the turmoil ahead of me. After high school, I soon married, and my life changed forever as the beatings began. And within a few years, we had two little girls. I turned to the church for help, but they told me to turn the other cheek. My family could not help me financially. With no one to turn to, I fell into the darkness. So I filed for a divorce. One day, the girls' father took them for a weekend visit but ended up kidnapping them for three years! I prayed every day for my children's safety. Finding my girls was by the grace of God. We suffer with an emotional handicap, but because of our strong faith in God, we all now have wonderful lives. And I hope my book will touch many lives, covering issues such as bullying, human trafficking, women's rights, and spousal abuse to name a few. Writing *Edge of the Light* has given me a chance to continue to heal. Each chapter is inspired by one of the seven divine powers. The edge is a most divine place to be, it is structured by the hand of God. There you will be comforted and healed. Never lose hope, for the darkness is short-lived, but the Light shines forever. I can now ring my bell of freedom!
