The First Date Prophecy Kate Tamberelli 2023-06-27 A fiercely funny and heartfelt Brooklyn-set rom-com featuring two talented romantic misfits whose first date ends with a psychic's prophecy that is equal parts great fortune and certain doom—and sends them on a search for answers to some of life's big questions, including whether they'll throw caution—and fate—to the wind, trust their instincts and write their own futures? From co-authors and real-life partners Kate and Danny Tamberelli. Brooklyn-based aspiring writer Lucy Minninger has no trouble putting the comedy in her rom-coms. It's the romance part of the equation that's the problem. But even as the rejection slips pile up, and her second dates dwindle, Lucy refuses to give up hope—or her HeartThrobs™ dating profile . . . Former child star Rudy Riziero made his mark on some of the most popular kids shows of the '90s. But that early success has pigeonholed him into a stand-up routine riffing on his past work, while the slick single life he envisioned was clearly a fantasy. He's actually ready for a relationship, if he could just find someone uninterested in who he used to be . . . When Lucy and Rudy match online, they're eager to meet. But after their first date ends in a psychic's prophecy that is equal parts great fortune and certain doom, their flirty quips end and their search for answers to some of life's big questions begins: Is there really one person for everyone? Do destinies really intertwine? Where can you find the best tacos in Brooklyn? And when it matters most, will they throw caution—and fate—to the wind, trust their instincts—and write their own futures? "Romance, comedy, tacos, psychics, life, death, and love—*The First Date Prophecy* has it all. A beautiful, fun, and complex love story told by a beautiful, fun, and complex couple." -Screenwriters Emily V. Gordon and Kumail Nanjiani (*The Big Sick*)

Dating expert, Victorya Michaels Rogers, author of Finding a Man Worth Keeping, tells how in this book she went from no dates to being pursued by an Academy Award winner, a rock star, a gospel singer, a preacher, an athlete, and more--until she found the man she decided was worth keeping. - Find eligible men, even involving friends and family in her search
- Flirt just enough to get him to come over and ask her out
- Charm her way through her first phone call

- Establish rapport and relax in the first fifteen minutes of her first date
- Keep the first-date conversation all about him so she can (1) see if he matches her "wish list" and (2) keep him interested in his favorite subject--himself.
- Use body language, gestures, and vocal tone to communicate just what she wants him to know
- Flatter a man with believable, genuine compliments
- Know how far to go on the first date
- Let him down easy if there's no "spark"
- Not to scare him off by being too pushy

[Sherakeren's First Date](#) Susan Trombley 2022-02-25 Sherakeren I made a critical mistake when I helped my brother and sister abduct two human females from a parallel dimension. I never imagined they would end up stranded in our world, nor did I expect to lose access to the Nexus dimensional portal, and NEX itself. Now, my brother, Vincent, has his mate, Gabby, but that still leaves her best friend Valerie with no family and no future in a world to which she did not volunteer to come. At first, she was merely my responsibility, since it was my fault she was trapped here, but I quickly learned that Valerie was far more than a stranded damsel in distress. Her extroverted manner and playful nature endeared her to our family--and has disarmed me, breaking through all the protective emotional shields I've erected. Now, I can't stop myself from "feeling" things, and I'm losing my composure the more time I spend with her. My growing fascination for Gabby's beautiful best friend has made me start dreaming again about one day finding a mate. As the Ancilla Blooming Festival approaches, bringing with it a day of celebrating uninhibited love, I want nothing more than to feel free to love Valerie. Unfortunately, allowing myself to feel love--or feel any strong emotion at all--doesn't just open me up to getting hurt. Because of my telekinesis, any high emotions I feel could cause me to hurt everyone around me. Including the woman I want more than I've ever wanted anything in my life. Author's Note: This book is part of a three-book story with the same heroine. Each book will focus on a different hero who will become one of her mates, while advancing the story and the growth of her family. She will have all three mates by the end of the three books. These books are best read in order, starting with Sherakeren's First Date (this book!). Alexander's Nest and Friak's Spark will come in March and April.

A Great First Date Logan Lo 2015-04-12 The most common advice given for a first date is to "just be yourself." But when are you not yourself? You can't just be yourself, you have to be your *best* self. That's what A GREAT FIRST DATE is about - how to present the best and truest version of yourself, right off the bat. And the dating advice given isn't from movies, television, or imagined scenarios of what a first date should be like, instead, it's from recent, field-tested, real world experience. Because, while it's easier than ever to meet people, it's just as hard as ever - if not harder - to connect with them. And that first date is the first opportunity to make that connection. Most times it's the last. A Great First Date is about improving your odds, dramatically, in making that connection happen, starting with just that: A great first date.
