## **Bully Nation** - Charles Derber 2016

Bullying does not just affect children; adults do it and suffer from it too. It goes beyond the schoolyard into the corporation, the military, the police, the government, the family, and the media. In a society where wealth and power are unequally distributed bullying is institutional.

## **Overcoming School Refusal** - Joanne Garfi 2018-01-31

School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. Overcoming School Refusal helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include:

- types of school refusers
- why children refuse to go to school
- symptoms
- short term and long term consequences
- accurate assessment
- 

treatment options • what parents can do • what schools can do • dealing with anxious high achievers • how to help children on the autism spectrum with school refusal

## **Star Wars Extraordinary Droids** - Simon Beecroft 2020-09-03

Find the droids you know and love and discover new favourites along the way. This Star Wars e-guide with a twist showcases a world of droids in close-up detail. Arranged from smallest to biggest, more than 50 droids of the galaxy are revealed with stunning photography and gorgeous artwork. The evocative descriptions will delight children and let them discover amazing droid facts, such as what tools R2-D2 uses and why GNK droids make a "gonk gonk" noise! Each page features fun droid facts and detailed close-up photographs for children to pore over, including firm favourites such as C-3PO and BB-8 as well as more unusual ones such as Professor Huyang, police droids, tiny probe droids, and new The Rise of Skywalker droid D-O. Star Wars Extraordinary Droids is a perfect gift for children who can't get enough of a galaxy far, far away. It covers droids small (quiet, little mouse droids) and big (vulture droid starfighters), kind (memoir-writing PZ-4CO) and scary (droidekas), and will be a treasured favourite book to keep. © & TM 2020 LUCASFILM LTD.
