

# Gay Relationships In The Bible

[God and the Gay Christian](#) - Matthew Vines 2014-04-22

"God and the Gay Christian is a game changer. Winsome, accessible, and carefully researched, every page is brought to life by the author's clear love for Scripture and deep, persistent faith. With this book, Matthew Vines emerges as one of my generation's most important Christian leaders, not only on matters of sexuality but also on what it means to follow Jesus with wisdom, humility, and grace. Prepare to be challenged and enlightened, provoked and inspired. Read with an open heart and mind, and you are bound to be changed." — Rachel Held Evans, author of *A Year of Biblical Womanhood* and *Faith Unraveled*

As a young Christian man, Matthew Vines harbored the same basic hopes of most young people: to someday share his life with someone, to build a family of his own, to give and receive love. But when he realized he was gay, those hopes were called into question. The Bible, he'd been taught, condemned gay relationships. Feeling the tension between his understanding of the Bible and the reality of his same-sex orientation, Vines devoted years of intensive research into what the Bible says about homosexuality. With care and precision, Vines asked questions such as:

- Do biblical teachings on the marriage covenant preclude same-sex marriage or not?
- How should we apply the teachings of Jesus to the gay debate?
- What does the story of Sodom and Gomorrah really say about human relationships?
- Can celibacy be a calling when it is mandated, not chosen?
- What did Paul have in mind when he warned against same-sex relations?

Unique in its affirmation of both an orthodox faith and sexual diversity, *God and the Gay Christian* is likely to spark heated debate, sincere soul searching, even widespread cultural change. Not only is it a compelling interpretation of key biblical texts about same-sex relations, it is also the story of a young man navigating relationships with his family, his hometown church, and the Christian church at large as he expresses what it means to be a faithful gay Christian.

[One Man and One Woman](#) - Joel R. Beeke 2016-03-25

What does the Bible teach about sexual relationships between people of the same sex? Does true love require that we accept all forms of sexual expression? No, real love does not rejoice in sin, but rejoices in the truth. In the Bible, God reveals that He created gender, sex, and marriage, and we may not alter them at our will. Through His laws and works in history, God has made it clear that homosexual practices violate His holy purposes for mankind. The New Testament reaffirms God's created order and moral laws. It too warns that homosexual practice, like any other sin that we cherish, is the pathway to God's judgment. However, the Lord Jesus Christ saves sinners by His Spirit and gives them a new identity, forgiveness, life, and power to live according to His commandments. This is the message that all people need to hear: God's laws have not changed, but God's grace offers hope to sinners through Jesus Christ.

Table of Contents: 1. Introduction 2. Foundations: Love, Authority, and Sexuality 3. Directions: God's Word to Ancient Israel about Homosexuality 4. Expectations: The Power of Sin and the Power of Christ 5. Conclusions: Grace and Truth

[Scripture, Ethics, and the Possibility of Same-Sex Relationships](#) - Karen R. Keen 2018-10-11

WHEN IT COMES TO SAME-SEX RELATIONSHIPS, this book by Karen Keen contains the most thoughtful, balanced, biblically grounded discussion you're likely to encounter anywhere. With pastoral sensitivity and respect for biblical authority, Keen breaks through current stalemates in the debate surrounding faith and sexual identity. The fresh, evenhanded reevaluation of Scripture, Christian tradition, theology, and science in Keen's *Scripture, Ethics, and the Possibility of Same-Sex Relationships* will appeal to both traditionalist and progressive church leaders and parishioners, students of ethics and biblical studies, and gay and lesbian people who often feel painfully torn between faith and sexuality.

[Love Lost in Translation](#) - K. Renato Lings 2013

*Love Lost in Translation* systematically examines the biblical stories and passages that are generally assumed to deal with, or comment on, homoerotic relationships: Noah and Ham, Sodom and Gomorrah, Leviticus 18:22, Deuteronomy 23:17-18, Judges 19, Romans 1:26-27, and 1 Corinthians 6:9. K. Renato Lings convincingly demonstrates that mistranslations of these texts into Greek, Latin and other languages occurred early, and that serious errors continue to be committed by

translators today. This explains the painful controversy about same-sex relationships, which has rocked Christian churches for decades.

[What Does the Bible Really Teach about Homosexuality? \(eBook\)](#) - Kevin DeYoung 2015-11-09

In *WHAT DOES THE BIBLE REALLY TEACH ABOUT HOMOSEXUALITY?*, award-winning author Kevin DeYoung challenges each of us - the skeptic and the seeker, the certain and the confused - to take a humble look at God's Word regarding the issue of homosexuality. After examining key biblical passages in both the Old and New Testaments and the Bible's overarching teaching regarding sexuality, this timely book responds to popular objections raised by Christians and non-Christians alike, making this an indispensable resource for thinking through one of the most pressing issues of our day.

[The Gay Bible](#) - Rose Buchanan 2015-01-28

This book is RAW and UNEDITED so the message doesn't get changed. This version of the bible is one author's perspective of the LOVE God has for all, especially directed toward the Lesbian, Gay, Bi, and Transgender people. It is so telling that this author has had people attempt to kill her. You MUST read for yourself!!!

[Oriented to Faith](#) - Tim Otto 2014-07-07

Rather than embracing the conflict around gay relationships as an opportunity for the church to talk honestly about human sexuality, Christians continue to hurt one another with the same tired arguments that divide us along predictable political battle lines. If the world is to "know that we are Christians by our love," the church needs to discover better ways to live out the deep unity we share in Christ as we engage with politics and our world. In *Oriented to Faith*, Tim Otto tells the story of his struggle with being gay and what that taught him about the gospel. With an authentic and compelling personal voice, Tim invites us to explore how God is at work in the world, even amidst the most difficult circumstances, redeeming and transforming the church through this difficult debate. With gentle wisdom and compassionate insight, Tim invites all followers of Jesus to consider how we might work with God through these tensions so that all can be transformed by God's good news in and through Christ.

[Same Sex Relationships](#) - John Stott 2017-07-01

Biblical wisdom on same-sex relationships explained with care, wisdom and compassion. What does the Bible say about same-sex relationships? How should Christians think about this divisive and heartfelt issue? And what of those who are caught in the crossfire: the brothers and sisters who experience same-sex attraction, but are committed to being faithful to the teaching of scripture and resisting it? In this revised, updated and extended edition of the classic chapter from *Issues Facing Christians* Today, the late John Stott lays out the biblical position on same-sex relationships with care, wisdom and compassion. In addition to Dr Stott's timeless Biblical wisdom, there are forewords by Dr John Sentamu, (the Archbishop of York) and Dr Mark Labberton (President of Fuller Theological Seminary), a helpful preface by the editor, Sean Doherty, testimonies from same-sex attracted Christians and questions for reflection and discussion.

[God and the Gay Christian](#) - Matthew Vines 2014

What the Bible actually says--and doesn't say--about same-sex relationships is very good news. More than any other issue of our times, the church's response to same-sex relationships has alienated Christians and caused painful divisions in families and communities. For conservative believers, that response is grounded in a traditional interpretation of the Bible that seems to permanently exclude the notion of gay Christians in a committed relationship. But what if there is another way--one that honors those who are different and the authority of Scripture? In *God and the Gay Christian*, Matthew Vines tells how, as a theologically conservative gay Christian, he embarked on an intensive study of the Bible to discover whether same-sex relationships can be blessed by God. His groundbreaking book makes a compelling, hope-filled case for a better understanding of Sodom and Gomorrah, the teachings of Jesus and Paul, and the biblical view of marriage. Remarkable in its affirmation of both orthodox theology and equality for

sexual minorities, God and the Gay Christian has the potential to radically change the conversation about being gay in the church.

*The Children are Free* - Jeff Miner 2002

An affirming look at the Bible. Examines passages from the Old Testament that are used by fundamentalists to condemn homosexuality and also at affirming passages.

**We Love You, But You're Going to Hell** - Dr. Kim O'Reilly 2019-01-08

We Love You, But You're Going to Hell presents a non-confrontational study of the conflict surrounding Christian faith, Scriptures, and homosexuality. It addresses the dichotomy of love and condemnation, sincerely expressed by Christians - and the pain experienced by gays and lesbians. • How do sincere, Bible-believing Christians balance their interpretation of Scriptures with everyday encounters with gays and lesbians? • How do we have conversations when we disagree? Without judging or calling into question someone's faith or salvation? This book OPENS UP the conversation - with chapters devoted to the Author's Story, Scriptures, Stereotypes, Marriage, Religious Freedom, Why It Matters, and What We Can Do in our families, churches, and society. It is easy to single-handedly dismiss an individual or church's belief or stance by writing them off as conservative or liberal. No matter which side you are on, there is benefit to educating yourself on the beliefs and experiences of those with whom you disagree. The author asks that the reader consider viewpoints expressed by a variety of churches and ministers. Look closely at the Scriptures that are cited and decide for yourself. Look at the beliefs of well-known conservative ministers and doctrines of several church denominations in this book. Some Christians believe it is loving to demand denial of homosexuality, ending relationships, changing to heterosexuality, or remaining celibate - in order that the soul be saved. Others believe sexual orientation is God-given, cannot be changed and that it is cruel and unloving to demand it. If you believe homosexuality is a sin, the Scriptures condemn, sexual orientation doesn't exist; read this book. Argue with it, confirm your beliefs, question, change your mind. The author invites your engagement. Kim O'Reilly cares deeply about the divisions she sees in churches today over homosexuality. How do we get beyond the disagreements, divisiveness, and polarization we see playing out in our churches and society? How do we honor the rights of each of these groups without denying the rights of the other? She attempts to answer these questions throughout her book. Love and/or Condemnation? "God doesn't make mistakes. Humans do. God doesn't make one gay. They make that choice on their own. It's a fact that homosexuality is a choice. It has a cause - Satan." "I was nine years old when I recognized my attractions for the same gender. Praying to God every night and pleading with Him to take my feeling away didn't work. Practically living, eating, and breathing the Bible didn't work. I tried repressing and denying who I was - but nothing changed inside of me. I was taught by my pastors, parents, and peers to hate myself - and that worked." What does the Bible say about how we should treat those we disagree with or who we believe are going to Hell? The final chapter offers strategies and solutions on how to bridge the divide between Christians and gays - how to promote healing and not to inflict more pain.

*The Bible's Yes to Same-Sex Marriage* - Mark Achtemeier 2014-06-01

In the early 2000s, Mark Achtemeier embarked on a personal journey with the Bible that led him from being a conservative, evangelical opponent of gay rights to an outspoken activist for gay marriage and a fully inclusive church. In *The Bible's Yes to Same-Sex Marriage*, Achtemeier shares what led to his change of heart: the problems with excluding groups of people and the insights into the Bible's message that led him to recognize the fullness of God's love and support for the lesbian, gay, bisexual, and transgender (LGBT) community. Readers will discover how reading snippets of Scripture out of context has led to false and misleading interpretations of the Bible's message about LGBT persons. Achtemeier shows how a careful reading of the whole Scripture reveals God's good news about love, marriage, and sexuality for gay and straight people alike.

*The Bible, Christianity, & Homosexuality* - Justin R. Cannon 2008-07-14

There are many commendable books on the Bible and homosexuality which span anywhere from a hundred to several hundred pages in length. For the curious, such books can sometimes be inaccessible or more than they really want to read. "The Bible, Christianity, & Homosexuality" is a concise yet profound analysis of the Bible verses often misused to condemn gay and lesbian Christians. This study was written to be accessible to all, indeed, something family members and friends of gay and lesbian Christians might actually take the time to read. The Los Angeles Times describes this work as "an illuminating...analysis

that argues the Bible doesn't condemn faithful gay relationships." (McGough, 7/18/05).

*Gay Relationships and the Bible* - Scott McKernan 2019-08-19

Are homosexual love and Jesus at odds with each other, or are gay relationships and the Bible perfectly compatible? Indeed, homosexual Christians can find that their sexual expression and identity are things that are found in, and originate with, God. Find out how we can all experience peace and wholeness with ourselves and God while the battle between people in same-sex relationships and the Church continues. In this new book, you will learn how to gain freedom from the oppression of those who say that gay relationships and Christ are incompatible. Give yourself the opportunity for self-acceptance and the right to be who you really are-who God made you to be!

*Born to Love* - John R. Waiss 2009

In a truly loving manner, Fr. John Waiss tackles the major issues on homosexual attraction and relationships what the Bible says?Q the Catholic Church says?Q what science says?Q etc. facing head-on the difficult challenges put to Christians, such as: Is it a sin to be born gay? Is homosexuality an intrinsic disorder? Is gay-marriage a civil right, like interracial marriage? Born to Love offers HOPE for developing a solid, peace-filled personal identity based on relationships not sexual attraction applying Pope John Paul II's personalism and Theology of the Body to present the full Christian teaching in an attractive manner. Homosexuality and Hope Sunday Night Live with Father Benedict Groeschel on E.W.T.N.

**Love Means Love** - DAVID RUNCORN 2020-06-18

Does the Bible really condemn same-sex relationships? Many Christians wrestle with this question. Here, in his compassionate, cogent book, David Runcorn outlines how someone can support same-sex relationships on the basis of the Bible, not in spite of it. The Church, in every time and place, finds itself working out the shock and surprise of God's unfolding ways - often scandalized by where holiness, goodness and the life of God are to be found. Runcorn's insightful and moving reflections show how speaking in gospel friendship will help to dispel the anxiety and division that have tended to mark the Church's response to homosexuality. Covering sexual abstinence and celibacy, sexuality and the sacred, he leads us to one powerful conclusion: love means love. 'Brim-full of gentle and clear wisdom. Highly recommended!' PAUL BAYES, Bishop of Liverpool 'Joyful, truthful, scandalously inclusive . . . This book will literally save lives. It opens the door of grace and beckons you in.' NICK BUNDOCK, Rector of St James and Emmanuel, Didsbury 'Liberates us to read our beloved Bible with faithfulness, both to the text and to the fruit of Christ we often see in LGBT+ lives. For a good number of us, it will be met with a cry of "at last!"'. JODY STOWELL, Vicar of St Michael's Harrow and Chair of London Clergy

**Homosexual Partnerships?** - John R. W. Stott 1985

**Science, Scripture, and Same-Sex Love** - Michael B. Regele 2014-10-31

Some church leaders assert that same-sex practices are incompatible with Christian teaching. The issues threaten to divide our churches and our nation. Michael B. Regele explores current scientific findings in biological brain research, psychology, and sociology, which he compares with scriptural teaching from the Bible, to show that a faithful reading of the Scriptures is consistent with Christian teaching that affirms same-sex love leading to same-sex marriage and full participation of LGBT people in church leadership. Regele offers compelling research and well-supported answers to common-place questions such as: Is sexual orientation a choice that individuals make? Is same sex attraction sinful in itself? Is it true that lesbian, gay, bi-sexual, and transgender (LGBT) people are more promiscuous than heterosexual people? Is it true that same-sex relationships do not last as long as hetero-sex relationships? Is abstinence for life the only choice for a Christian LGBT person? Or can they enter into intimate and sexual relationships and still be active participants in a Christian community? Is same-gender marriage acceptable from a Christian standpoint?

**Bible, Gender, Sexuality** - James V. Brownson 2013-02-03

In *Bible, Gender, Sexuality* James Brownson argues that Christians should reconsider whether or not the biblical strictures against same-sex relations as defined in the ancient world should apply to contemporary, committed same-sex relationships. Presenting two sides in the debate -- "traditionalist" and "revisionist" -- Brownson carefully analyzes each of the seven main texts that appear to address intimate same-sex relations. In the process, he explores key concepts that inform our understanding of the biblical texts, including patriarchy, complementarity, purity and

impurity, honor and shame. Central to his argument is the need to uncover the moral logic behind the biblical text. Written in order to serve and inform the ongoing debate in many denominations over the questions of homosexuality, Brownson's in-depth study will prove a useful resource for Christians who want to form a considered opinion on this important issue.

**Jonathan Loved David** - 1978-01-01

In this thoughtful exploration of a sensitive issue, Tom Horner considers all the references to homosexuality in the Bible--the stories of Sodom and

Gibeah, David and Jonathan, Ruth and Naomi, and passages from Deuteronomy, Leviticus, Romans, I Corinthians, and I Timothy. He includes an important discussion of the words and actions of Christ in their biblical and historical context, to determine what conclusions can validly be inferred about Jesus and sexuality. This book contains suggestions for further reading and a complete list of biblical references to homosexuality. Teachers, students, and anyone open to reconsidering homosexuality in the light of the Scriptures will profit from this clearly written work.
