Girl Talk 101 A Simple But Yet Complete Guide to Getting Your "Stuff" Together! - Erin Johnell Dickey 2010-04-28

In her first personal growth book, *Girl Talk 101: A Simple But Yet Complete Guide To Getting Your Stuff Together*, author Erin Johnell Dickey examines many issues in which women face. These issues (better known as stuff) are hindering many women from enjoying all that life has to offer them. It is imperative that women address inner issues such as pain inflicted by others and self inflicted pain caused by negligence. Women must also make their dreams become reality. This book is meant to be an easy reader so that women on the go will have time to read it and apply it in their daily lives.

Chock-full of quick and dirty tips that explain what you need to know without bogging you down with what you don't, *Money Girl's Smart Moves to Grow Rich* will ensure you have the kind of life you want and the future you've always dreamed of. *Money Girl's Smart Moves to Grow Rich* won the prestigious Excellence in Financial Literary Education (EIFLE) Award for 2011.

Nice Girls Just Don't Get It - Lois P. Frankel 2011-04-19

Offering the same brand of practical, no-holds-barred, expert advice that made *Nice Girls Don't Get the Corner Office* an international million-copy bestseller, *Nice Girls Just Don't Get It* teaches us the skills we need to turn from a nice girl into a winning woman, not just in our careers but in our relationships, families, and everyday lives. Have you ever felt invisible? Taken advantage of? Reluctant (or unable) to articulate what you really want? If so, join the club. The nice girls club. Nice girls—that's right, girls—are those more concerned with pleasing others than with addressing their own needs and haven't yet learned how to overcome the childhood messages cultural stereotypes keeping them from getting their voices heard, their needs met, and the lives they want. This book will turn those nice girls into winning women. That is, women who factor their own needs in with those of others, confront those who treat them disrespectfully, maintain healthy and mutually beneficial relationships with appropriate boundaries— and as a result, are happier and more successful in every area of their life. In 2004, Lois Frankel blew the lid off so many of our long-held ideas about gender and success with her bestselling *Nice Girls Don't Get the Corner Office*, which went on to become such a huge phenomenon, the term "nice girls" has secured a place in our cultural lexicon. Here, Frankel teams up with negotiation expert Carol Frohlinger to bring this bestselling advice out of the workplace and provide a broader set of skills that any woman—whether a CEO or stay-at-home

mom—can use to win anywhere, with anyone. Presented in the straightforward, digestible format that helped make *Nice Girl's Don't Get the Corner Office* an instant hit, Frankel and Frohlinger outline seven practical strategies and 99 supporting tactics that every winning woman should know. By the time you've finished reading this book, you'll be able to: • Get your husband to do his half of the household chores—without being made to feel like a nag. • Stop overextending yourself by taking on all the unpleasant tasks no one on your volunteer board, or your team at work will go near. • Win an argument with your mother in law about who will be hosting Christmas dinner. • Have the courage to send back a meal that isn't prepared the way you'd ordered it. • Confront a colleague who is shirking responsibility or taking credit for your work. • Convince a sales person to reduce a fee, waive a surcharge, or honor a store credit. • Question a doctor's course or treatment or request a second opinion, instead of simply going along in order to be a "good" patient. • Firmly but politely bow out of an extravagant vacation to celebrate a friend's birthday that you simply can't afford—without feeling guilty about it. And so much more. A must-read for anyone who's ever felt taken advantage of by a friend or family member, unappreciated by a spouse or partner, or exploited by a vindictive neighbor or co-worker, *Nice Girls Just Don't Get It* offers women the indispensable knowledge and skills to get the things they want, the respect they've earned, and the success they deserve. From the Hardcover edition.

How to Attract the Right Woman - A. Gabriel Press 2022-10-14

Enjoy this one-of-a-kind guide on relationships by A. Gabriel Press How to Attract the woman of your dreams! Communication and intimacy make the perfect relationship. Science strives to find the perfect formula for the optimal relationship between man and woman, although without success. However, there is a variety of advice at our disposal on how to attract a unique woman. The attitude that is likely to be effective when dealing with women is honesty and authenticity, which allows for better and longer-lasting relationships. In this book, we will consider what the vast majority suppose adequate and efficient on how to attract and live in a lasting relationship with a woman. Not all men are born with natural advantages over others. Still, a man can take control of what is considered a disadvantage and adapt to a lifestyle that allows him to gain an advantage in other areas within his reach, such as health, fitness, and self-improvement. These factors help strengthen self-confidence and can improve behavior and attitudes. Therefore, for a man who wants to conquer an incredible, valuable, open, loving, independent woman, the man needs to become also, the male equivalent of what a woman desires. Therefore, the considerations in this guide seek to help any man know the basic principles of attracting the woman he wants and what he can do to maintain an excellent relationship as the next step to have a happy relationship.
