Your new notebook includes: Fresh white paper 100 pages 6x9 inch format Paper color: White We have even more wonderful titles that you'll enjoy! Be sure to click on the author name for other great notebook ideas.

Dan Versus Nature - Don Calame 2016-04-12

From screenwriter Don Calame comes another outrageously funny and raunchy tale of teen boys whose plans go awry — this time, on a survivalist camping trip. Shy and scrawny Dan Weekes spends his time creating graphic novels inspired by his dream girl and looking out for his mom as she dates every man in the state of California. Then his mom drops a bomb: she and her latest beau, Hank, are engaged, and she's sending her "two favorite men" on a survivalist camping trip to "bond." Determined to trick Hank into showing his true — flawed — colors on the trip, Dan and his nerdy germaphobe best friend, Charlie, prepare a series of increasingly gross and embarrassing pranks. But the boys hadn't counted on a hot girl joining their trip or on getting separated from their wilderness guide—not to mention the humiliating injuries Dan suffers in the course of terrorizing his stepdad-to-be. With a man-hungry bear on their trail, no supplies, and a lot of unpleasant itching going on, can Dan see his plan through now that his very survival depends on Hank?

Too Funny for Words - David Kalat 2019-04-12

American silent film comedies were dominated by sight gags, stunts and comic violence. With the advent of sound, comedies in the 1930s were a riot of runaway heiresses and fast-talking screwballs. It was more than a technological pivot--the first feature-length sound film, *The Jazz Singer* (1927), changed Hollywood. Lost in the discussion of that transition is the overlap between the two genres. Charlie Chaplin, Buster Keaton and Harold Lloyd kept slapstick alive well into the sound era. Screwball directors like Leo McCarey, Frank Capra and Ernst Lubitsch got their starts in silent comedy. From Chaplin's tramp to the witty repartee of *His Girl Friday* (1940), this book chronicles the rise of silent comedy and its evolution into screwball--two flavors of the same genre--through the works of Mack Sennett, Roscoe Arbuckle, Harry Langdon and others.

I Suck at Girls - Justin Halpern 2012-05-15

From the #1 New York Times bestseller author of *Sh*t My Dad Says*, Justin Halpern, comes a laugh-out-loud funny and deeply touching collection of personal stories about relationships with the opposite sex, from a first kiss to getting engaged and all the awkward moments in between. Fans of biting, honor-infused memoirs such as *Me Talk Pretty One Day* and *Assassination Vacation* will find Halpern's *I Suck at Girls* an unforgettable journey into the best and worst moments of one man's adventures in romance. "Human beings fear the unknown. So, whatever's freaking you out, grab it by the balls and say hello. Then it ain't the unknown anymore and it ain't scary. Or I guess it could be a shitload scarier." Fans of the #1 bestseller *Sh*t My Dad Says* will recognize the always-patient voice of Justin Halpern's dad as it crackles through the pages of this hysterical new book. The story begins when Justin takes his dad out to lunch to announce that he's decided to propose to his girlfriend. "You've been dating her for four years," his dad replies. "It ain't like you found a parallel fucking universe." But eventually he gives Justin some advice: that he should take a day off and think back over everything he's learned in life about women, relationships, and himself before making his decision. And that's just what Justin does—revisiting everything from his disastrous childhood crushes to the night he finally lost his virginity while working as a dishwasher at Hooters. *I Suck at Girls* is full of his dad's patented brand of wisdom. But it's also full of new characters just as funny as his dad—from his brother, who provides insights into wedding night rituals ("You stand in one corner of the room, and she stands in the other. You each take off one piece of clothing at a time") to his first boss, who warns Justin to man up: "That's what a man does. He takes his shots and then he scrubs the shit out of some dishes." The result is a pilgrim's progress through the landscape of sex and love—by one of the funniest writers at work today.

Make Every Girl Want You - John Fate 2003-04

This book is the complete guide to meeting women, approaching them, getting their contact information, asking them out, planning a first date, having great sex, and building a stronger relationship. The authors, 2 average guys who were pathetic with women until they set out on a mission to better understand women, share everything they learned on their journey. They became friends with numerous girls and now understand everything - from how women want to be approached to what they are looking for on a first date, from what makes them sleep with a man to what makes them stay in a relationship. Fate and Reil, co-founders of the successful personal advice website, *Make Every Girl*

Want You, have taught thousands of men how to meet more women, have more sex, and build stronger relationships.

Shot Girls - Vanity Wonder 2012-03-31

Shot Girls is the real life, raw accounting of Vanity Wonder's 5 year journey with black market butt injections. Commonly called "shots", "pumping" or "work", illegal butt injections are quickly on the rise and not just for strippers or women in the entertainment industry. Known for her jaw dropping 34-23-45 curves, Vanity tells no lies about how she obtained them. In this book, Vanity takes you on a gripping ride through her 16+ injection procedures, drug abuse, and the lessons she learned along the way. Without a doubt, this book will answer any questions you may have about this procedure and satisfy your curiosity on the subject.

Quick Shots of False Hope - Laura Kightlinger 1999

A bright young comic talent presents 18 bitterly funny--and frighteningly universal--tales of rejection, humiliation, and misfortune.

The Funny Parts - Anthony Balducci 2014-01-10

Classic comedy routines and individual gags have been around for many hundreds of years, probably thousands; the best of these ribticklers make their merry way through theater, circus, film and television. The challenge to comedians has always been to adapt familiar material in a way that emphasizes their personal style and outlook. The many routines and gags cited in this illustrated history are lovingly deconstructed to show how they have been shaped to suit different eras and performers. These tried and true laugh-provokers are indestructible. Through all the remakes, revivals, recycles and revamps, they have survived robustly to the present day. As these timeless comedy gems are traced to their beginnings and followed through the years, readers are taken on a mirthful journey from Keystone to Zombieland.

The Assassins Series 5-Book Bundle - Toni Aleo 2014-04-21

Steamy, heart-wrenching, and hilarious, the Nashville Assassins series isn't just for hockey fans—readers of Rachel Gibson, Susan Elizabeth Phillips, and Molly O'Keefe will adore New York Times and USA Today bestselling author Toni Aleo's sexy take on contemporary romance. Now all four novels and the companion novella are together in one can't-miss eBook bundle: TAKING SHOTS TRYING TO SCORE EMPTY NET FALLING FOR THE BACKUP BLUE LINES The Assassins may be the hottest things on two legs and ice skates, but when the gloves come off, the chiseled men of this Nashville NHL team will do anything for the women they love: A reformed bad boy helps a charming, willful beauty face off against the demons of her past. . . . The league's leading scorer pulls a power play to make things right with the one that got away. . . . A heartbroken rookie vows to turn a one-night stand into a happily ever after. . . . Looking for a second chance, a former superstar encounters the most distracting woman he's ever met. . . . And one crazy-sexy night with a supposedly nice girl leads to a very big surprise: two blue lines on a pregnancy test. Praise for the Assassins series "Aleo melts the ice and hits it into the net."—Award-winning author Jami Davenport "Taking Shots is really the whole package. You get romance, humor, steamy sex, drama, and then it all wraps up with a great conclusion. I am amazed that this is Toni's first book. She has come out in a huge way. I can't wait to read more from her. Don't hesitate for a moment to grab this book."—Guilty Pleasures Book Reviews "A little steamy, a little heartbreaking, and a whole lot of fanning yourself are in order this time around, readers. Are your cheeks feeling a little pink yet? Get used to the feeling."—Dreaming in the Pages, on Trying to Score "Empty Net is an honest, heartwarming, endearing story. . . . Toni Aleo doesn't just write a story. She gives you the ability to experience the journey of her characters right along with them. Her stories are enveloped with passion, emotion, humor, love; and let me tell you, that girl knows how to write a sex scene that just makes you sweat!"—Guilty Pleasures Book Reviews "Sexy and riveting . . . the perfect combination of love and lust."—USA Today bestselling author Heidi McLaughlin, on Blue Lines "Funny, charming, sweet, sexy . . . [Falling for the Backup] has everything you want in a story."—Blushing Reader

William Wyler - Gabriel Miller 2013-06-05

During his forty-five-year career, William Wyler (1902--1981) pushed the boundaries of filmmaking with his gripping storylines and innovative depth-of-field cinematography. With a body of work that includes such memorable classics as Jezebel (1938), Mrs. Miniver (1942), Ben-Hur (1959), and Funny Girl (1968), Wyler is the most nominated director in the history of the Academy Awards and bears the distinction of having won an Oscar for Best Director on three occasions. Both Bette Davis and Lillian Hellman considered him America's finest director, and Sir Laurence Olivier said he learned more about film acting from Wyler than from anyone else. In William Wyler, Gabriel Miller explores the career of

one of Hollywood's most unique and influential directors, examining the evolution of his cinematic style. Wyler's films feature nuanced shots and multifaceted narratives that reflect his preoccupation with realism and story construction. The director's later works were deeply influenced by his time in the army air force during World War II, and the disconnect between the idealized version of the postwar experience and reality became a central theme of Wyler's masterpiece, *The Best Years of Our Lives* (1946). None of Wyler's contemporaries approached his scope: he made successful and seminal films in practically every genre, including social drama, melodrama, and comedy. Yet, despite overwhelming critical acclaim and popularity, Wyler's work has never been extensively studied. This long-overdue book offers a comprehensive assessment of the director, his work, and his films' influence.

When it comes to getting her flu shot, Penelope is NOT amused. It makes her SCARED and NERVOUS and QUEASY and SICK and SWEATY! Will she be able to overcome her fear of The Little Ouch?

It's Supposed to be FUNNY! - Chuck Koehler 2015-11-30

A humorous collection of columns through the years by Chuck Koehler. Chuck writes from a unique perspective about dealing with the public.....the retailers' perspective. He has a no holds barred style that tells it like it is. Though the columns are geared towards the jewelry industry, if you've ever worked in retail or worked with the public, you'll enjoy this collection. This newly revised edition includes all columns through 2015.

Pregnancies Collected - Cheryl Jean Hancock 2001-07

How would you describe your pregnancy? Was it normal? Difficult? Embarrassing? How about funny? Would anyone really consider pregnancy funny? Well maybe that describes some of your stories. Inside these pages, hundreds of women have graciously shared their personal pregnancy experiences and proved that a sense of humor goes a long way to helping even the toughest suffering not seem so bad. Discover many great ideas for home remedies, baby showers and recommendations of comfortable clothing and other products. This book is for all the pregnant women in the world who want a companion to tote with them as a reminder that pregnancy really is a sometimes funny, but always a wonderful experience.

Taking Shots - Toni Aleo 2011-10-04

In New York Times and USA Today bestselling author Toni Aleo's exhilarating Loveswept debut, the first in a series featuring the hockey hunks of the Nashville Assassins, a reformed bad boy helps a charming, willful woman face off against the demons of her past. No matter how hard she tries, Eleanor Fisher never thinks she's good enough, from her job to her weight to her love life. After enduring years of abuse at the hands of an ex-boyfriend, Elli has been drifting through life in a daze. Until, that is, she meets Shea Adler on a promotional shoot for the NHL's Nashville Assassins. Before Elli knows what's happening, the gorgeous Shea breaks the ice and shatters her world. A brilliant athlete inside the rink, Shea Adler is tired of the life he's living outside of it: the women, the money, the drinking. But everything changes when he meets Elli. After laying eyes on this feisty, witty, beautiful woman, he feels like he's just taken the hardest hit of his life. No matter how skeptical she is, Shea knows they are meant to be together—if only he can convince Elli to put her insecurities aside before she misses out on a shot at love. Praise for Toni Aleo's Nashville Assassins romances "Aleo melts the ice and hits it into the net with her Assassins series."—Award-winning author Jami Davenport "Taking Shots is really the whole package. You get romance, humor, steamy sex, drama, and then it all wraps up with a great conclusion. I am amazed that this is Toni's first book. She has come out in a huge way. I can't wait to read more from her. Don't hesitate for a moment to grab this book."—Guilty Pleasures Book Reviews "A little steamy, a little heartbreaking, and a whole lot of fanning yourself are in order this time around, readers. Daedalus Rimes - The First Galactic War - Howard W. Lewis 2013-10

In the third book of the Daedalus Rimes Saga, it's been four years since the Korlah arrived. Earth is reeling from the infusion of alien technology as preparations are made to defend the planet from an impending invasion. The great leap into space has begun with wild abandon. After years of imprisonment, Teela escapes to find a world very different from the one she remembers. Faced with tragedy and loss, she must fight her way back into space and convince those she abandoned to help her. Forming new alliances, and rekindling old friendships, Teela joins forces with a group of privateers and embarks on a mission to rescue the one thing she holds most dear in the galaxy. Developing her telepathic powers and tapping the essence within, Teela battles pirates, political corruption and religious zealots with the help of her constant companion; Daedalus Rimes.
