

Grade Aid For Exploring Human Sexuality

Human Sexuality in a World of Diversity - Spencer A. Rathus 2008

The perfect balance between science and pedagogy. *Human Sexuality in a World of Diversity, 7e* examines the rich diversity found in human sexuality and helps students develop their own opinions by promoting critical thinking skills, personal sexual health awareness, and responsible decision-making. Firmly rooted in science, the text systematically encourages students to apply the research to their own lives.

Human Sexuality in a World of Diversity, Books a la Carte Edition

- Spencer A. Rathus 2006-01-04

Integrating the latest research on human sexuality with an engaging writing style, this text has a strong pedagogy that guides students through the learning process. *Human Sexuality in a World of Diversity* examines the psychology and science of sexuality. The text examines the rich diversity found in sexuality whether it is in gender roles, cultural backgrounds, sexual attitudes, sexual behaviors or customs. Combined with this examination of the diversity in human sexuality, this text helps students develop their own opinions by teaching them critical thinking skills, personal sexual health, and responsible decision-making. This affordable Books a la Carte Edition features the exact same content from our traditional textbook in a convenient, notebook-ready loose-leaf format -- allowing students to take only what they need to class. As a bonus, the Books a la Carte Edition is accompanied by a full-color, laminated Study Card that's a perfect tool to help students prepare for exams.

Human Sexuality in a World of Diversity - Spencer A. Rathus 2005

The perfect balance between science and pedagogy. "*Human Sexuality in a World of Diversity, 7e* examines the rich diversity found in human sexuality and helps students develop their own opinions by promoting

critical thinking skills, personal sexual health awareness, and responsible decision-making. Firmly rooted in science, the text systematically encourages students to apply the research to their own lives.

Aids: Effective Health Communication For The 90s - Scott C. Ratzan 2014-02-25

Despite educational efforts, the majority of Americans are still under the misconception that they are not at risk from HIV/AIDS infection. In addition, the federal government only spends 2% of the total designated federal AIDS funding toward prevention. Thus, information in respect to AIDS and health communication in any comprehensive nature is almost nonexistent.; This book aims to rectify the situation by presenting detailed analysis and actions necessary to confront the AIDS pandemic on every level of the communication realm. Contributors are experienced researchers, educators, government officials, and physicians. They examine the issue from a number of standpoints, including: communication, adolescent medicine, public administration, psychology, journalism, audiology, speech and language pathology, neurological surgery, preventive medicine and public health.

Aids in the World - Jafar Mahmud 2004

Promoting Health and Emotional Well-Being in Your Classroom - Randy Page 2010-10-25

Promoting Health and Emotional Well-Being in Your Classroom, Fifth

Edition provides pre-service and current teachers all the tools and up-to-date information needed for effectively promoting healthy life choices. Framed around the National Health Education Standards and the Centers for Disease Control and Prevention's six risk behaviors, this practical text facilitates instructional planning, allows for easy adaptation into various curricular frameworks, and ensures that the most essential health education content is addressed.

Model Programs for Adolescent Sexual Health - Tabitha Benner,
MPA 2008-05-22

Model Programs for Adolescent Sexual Health is a directory of the most promising and proven effective sexual education and prevention programs in the United States. The programs included in this volume were selected for their demonstrated positive impact on STI, pregnancy, and HIV/AIDS-related risk behaviors by a group of eminent HIV/AIDS expert scientists. The programs also show effective prevention strategies aimed at a variety of ages (children, adolescents, college students); a variety of ethnic and cultural orientations (Latino, African-American, GLBT, and more); and for use in a variety of settings (schools, community settings, medical clinics, and more). The following information is provided for each program listed in the directory: The Program Abstract summarizes the program, including its target clientele, site, approach, components, length, staffing requirements, program materials, and implementation costs The Program Rationale and History explains how the program was designed, and its underlying theoretical framework and assumptions Program Schedule explains the goals and activities of each program session Program Materials explains the necessary materials needed to implement the program (note that not all materials are included in this directory; however all can be ordered from Sociometrics) How to Implement the Program explains the ground rules and other necessary steps prior to implementation Evaluating the Program explains how the program was evaluated for its effectiveness

Human Sexuality - Vern L. Bullough 2014-01-14

First Published in 1994. Routledge is an imprint of Taylor & Francis, an informa company.

Exploring the Dimensions of Human Sexuality - Jerrold S. Greenberg
2010-03-10

Exploring the Dimensions of Human Sexuality, Fourth Edition addresses all aspects of sexuality—biological, spiritual, psychological, and sociocultural—and presents the information both factually and impartially. Throughout the text, students will find an emphasis on health and well-being based on the assumption that we are all sexual beings and that sexuality should be viewed in its totality. Students are encouraged to explore the varied dimensions of human sexuality and see how each

affects their own personal sexuality, sexual health, and sexual

responsibility. Important Notice: The digital edition of this book is missing some of the images or content found in the physical edition.
