The End of Self-Help - 2015-04-16

The self-help genre is replete with books telling people how to be happier and more fulfilled. And books with a spiritual or mindfulness perspective suggest that being present is the solution. But no book provides the precise and constructive guidance needed to discover that happiness is truly possible in any moment. Until now. Using clear language and useful examples, "The End of Self-Help: Discovering Peace and Happiness Right at the Heart of Your Messy, Scary, Brilliant Life" describes how personal suffering is a case of mistaken identity. The book starts with common, entrenched psychological experiences such as unresolved problems from the past, worries about the future, feelings of inadequacy, compulsive behaviors, and confusing emotions. In skillful detail, it illuminates the shift of attention required for true happiness. Explorations in each chapter bring the material alive in the reader's own experience, essential to challenge decades of conditioning. The book walks alongside readers as they become experts in how their thoughts and feelings bring about suffering and realize the simple fact of peaceful, aware presence that is always here and available. It describes that this infinite, spacious presence is the truth of who we are, that we're not limited to our thoughts and feelings. The book illustrates how to live this insight in the moments of everyday life.

A Little Life - Hanya Yanagihara 2016

Moving to New York to pursue creative ambitions, four former classmates share decades marked by love, loss, addiction, and haunting elements from a brutal childhood.

Frankly in Love - David Yoon 2019-09-12

Frank Li is a high school senior living in Southern California. Frank's parents emigrated from Korea, and have pretty much one big rule for Frank - he must only date Korean girls. But he's got strong feelings for a girl in his class, Brit - and she's not Korean. His friend Joy Song is in the same boat and knows her parents will never accept her Chinese American boyfriend, so they make a pact: they'll pretend to date each other in order to gain their freedom. Frank thinks fake-dating is the perfect plan, but it leaves him wondering if he ever really understood love - or himself - at all. David Yoon's debut novel is a quirky, authentic, heartbreaking romantic comedy and a refreshingly different take on race, immigrant communities, friendship and family.

If It Makes You Happy - Claire Kann 2019-06-04

Claire Kann's *If It Makes You Happy* is a coming-of-age novel about a young girl learning to embrace her cultural and sexuality identity. Winnie is living her best fat girl life and is on her way to the best place on earth. No, not Disneyland--her Granny's diner, Goldeen's, in the small town of Misty Haven. While there, she works in her fabulous 50's inspired uniform, twirling around the diner floor and earning an obscene amount of tips. With her family and ungirlfriend at her side, she has everything she needs for one last perfect summer before starting college in the fall. ...until she becomes Misty Haven's Summer Queen in a highly anticipated matchmaking tradition that she wants absolutely nothing to do with. Newly crowned, Winnie is forced to take center stage in photoshoots and a never-ending list of community royal engagements.

Almost immediately, she discovers that she's deathly afraid of it all: the spotlight, the obligations, and the way her Merry Haven Summer King, wears his heart, humor, and honesty on his sleeve. Stripped of Goldeen's protective bubble, to salvage her summer Winnie must conquer her fears, defy expectations, and be the best Winnie she knows she can be—regardless of what anyone else thinks of her.

All the Broken People - Leah Konen 2021-08-03

A woman in search of a fresh start is about to get more than she bargained for in this surprising and addictive domestic thriller for fans of *The Couple Next Door*. "Even the biggest thriller fan will struggle to guess the ending of this twisty, gorgeously written debut." --Rolling Stone It's just a lie among friends...until someone ends up dead. Fleeing Brooklyn with little more than a suitcase and her trusty dog, Lucy King heads to rustic Woodstock, New York, eager to lose herself in a quiet life where her past can never find her. But when she meets Vera and John, the alluring couple next door, their friendship proves impossible to resist. Just as Lucy starts to think the worst is behind her, the couple delivers a staggering bombshell: They, too, need to escape their troubles--and the only way they can begin their new life is if Lucy helps them fake John's death. Afraid to lose her newfound support system, Lucy reluctantly conspires with them to stage an "accidental" death on a hike nearby. It's just one little lie to the police, after all, and she knows a thing or two about the importance of fresh starts. But what begins as an elaborate ruse turns all too real when John turns up dead in the woods the morning after their hike. Now, Lucy must figure out who she can trust and who's pulling the strings of her tenuous new life...before she takes the fall for murder.

Love and Other Train Wrecks - Leah Konen 2018-01-02

A Today.com Best Pick for Valentine's Day! A whirlwind twenty-four-hour romance about two teens who meet—and perhaps change their minds about love—on a train ride in the middle of a snowstorm. Leah Konen's *Love and Other Train Wrecks* is perfect for fans of Emery Lord and Jennifer E. Smith. Noah is a hopeless romantic. He's traveling home for one last chance with his first love, and he needs a miracle to win her back. Ammy doesn't believe in true love—just look at her parents. If there's one thing she's learned about love in the last year, it's that it ends. That is, until one winter night when Noah and Ammy find themselves in the same Amtrak car heading to Upstate New York. After a train-wreck first impression between the two of them, the Amtrak train suddenly breaks down—in the middle of a snowstorm. Desperate to make it to their destinations, Noah and Ammy have no other option but to travel together. What starts off as a minor detour turns into the journey of a lifetime, but come morning their adventure takes an unexpected turn for the worst. Can one night can really change how they feel about love...and the course of their lives forever?

It Sounded Better in My Head - Nina Kenwood 2019-08-06

When her parents announce their impending separation, Natalie can't understand why no one is fighting or at least mildly upset. And now that Zach and Lucy, her two best friends, have fallen in love, she's feeling slightly miffed and decidedly awkward. Where does she fit in now? And

what has happened to the version of her life that played out like a TV show—with just the right amount of banter, pining and meaningful looks? Nothing is going according to plan. But then an unexpected romance comes along and shakes things up even further. *It Sounded Better in My Head* is a tender, funny and joyful novel about longing, confusion, feeling left out and finding out what really matters.

The After Girls - Leah Konen 2013-04-18

Ella, Astrid, and Sydney were planning the perfect summer after high school graduation. But when Astrid commits suicide in a lonely cabin, the other girls' worlds are shattered. How could their best friend have done this—to herself and to them? They knew everything about Astrid. Shouldn't they have seen this coming? Couldn't they have saved her? As Ella hunts for the truth, and Sydney tries to dull the pain, a chilling Facebook message from Astrid leaves them wondering whether their beloved friend is communicating from the after life. The girls embark on a journey to uncover Astrid's dark secrets. The answers to those questions—questions they never dreamed of asking—will change their lives forever.

The Things We Leave Unfinished - Rebecca Yarros 2021-02-23

Told in alternating timelines, *THE THINGS WE LEAVE UNFINISHED* examines the risks we take for love, the scars too deep to heal, and the endings we can't bring ourselves to see coming. Twenty-eight-year-old Georgia Stanton has to start over after she gave up almost everything in a brutal divorce—the New York house, the friends, and her pride. Now back home at her late great-grandmother's estate in Colorado, she finds herself face-to-face with Noah Harrison, the bestselling author of a million books where the cover is always people nearly kissing. He's just as arrogant in person as in interviews, and she'll be damned if the good-looking writer of love stories thinks he's the one to finish her grandmother's final novel...even if the publisher swears he's the perfect fit. Noah is at the pinnacle of his career. With book and movie deals galore, there isn't much the “golden boy” of modern fiction hasn't accomplished. But he can't walk away from what might be the best book of the century—the one his idol, Scarlett Stanton, left unfinished. Coming up with a fitting ending for the legendary author is one thing, but dealing with her beautiful, stubborn, cynical great-granddaughter, Georgia, is quite another. But as they read Scarlett's words in both the manuscript and her box of letters, they start to realize why Scarlett never finished the book—it's based on her real-life romance with a World War II pilot, and the ending isn't a happy one. Georgia knows all too well that love never works out, and while the chemistry and connection between her and Noah is undeniable, she's as determined as ever to learn from her great-grandmother's mistakes—even if it means destroying Noah's career.

The Blood is Love - Karina Halle 2022-08-02

From the fog-shrouded bay of San Francisco to the dark cobblestone streets of Helsinki and all the hidden places in-between, *The Blood is Love* takes the reader on a sensual and twisted journey deep into Lenore and Solon's lush vampire world in this thrilling sequel to *Black Sunshine*. When Lenore Warwick turned twenty-one, she expected lots of bar-hopping, parties with friends, and the occasional hookup. What she got was the realization that she's both a witch and a vampire, and that there are things in this world that want her dead. Thank god she has her enigmatic vampire lover, Absolom Stavig, to help show her the ropes. But while Lenore struggles to fit into her new topsy turvy world, full of blood, sex, and magic, she also has to contend with her messy and complicated love for a vampire who isn't always what he seems. To make matters worse, her real father, Jeremias, a powerful warlock from the dark side, has professed an interest in her, while Solon's father, the depraved vampire king Skarde, is intent on destroying everything she loves. When Solon and Lenore have to travel to Finland to work alongside Solon's charming and vicious brother, Kaleid, in an attempt to defeat Skarde once and for all, the two of them enter a bloody new world that neither of them are prepared for. Even if their love survives the carnage to come, the chances of them getting out of there alive are slim. Good thing they like to take their chances.

Beach Read - Emily Henry 2020-05-18

Two writers. One holiday. A romcom waiting to happen... ----- 'One of my favourite authors' Colleen Hoover, *It Ends With Us* 'A great love story' Jodi Picoult, *Wish You Were Here* 'The perfect escapist romp' Laura Jane Williams, *One Night With You* January is a hopeless romantic who narrates her life like she's the lead in a blockbuster movie. Gus is a serious literary type who thinks true love is a fairy-tale. But January and Gus have more in common than you'd think: They're both broke. They've got crippling writer's block. And they need to write bestsellers before

summer ends. The result? A bet to swap genres and see who gets published first. The risk? In telling each other's stories, their worlds might be changed entirely... Set over one sizzling summer, *Beach Read* is a witty love story that will make you laugh a lot, cry a little and fall head over heels. For fans of *The Flat Share* and *If I Never Met You*. ----- 'My heart ached for January, and Gus is to die for - a steamy, smart and perceptive romance' Josie Silver, *One Night on the Island* 'Full of banter, heat, and sexual tension, I felt the thrill of falling in love right alongside January and Gus. No Place Like Here - Christina June 2019-05-21

After a year spent at a boarding school for her past mistakes, Ashlyn is ready to reconnect with her friends, restart her life, and enter senior year. But when family trouble hits home and she is forced to help out at her estranged cousin's wilderness retreat center, Ashlyn struggles between returning to the girl she was or growing into someone new. Ashlyn Zanotti has big plans for the summer. She's just spent a year at boarding school and can't wait to get home. But when Ashlyn's father is arrested for tax evasion and her mother enters a rehab facility for "exhaustion," a.k.a. depression, her life is turned upside down again. Things go from bad to worse when Ashlyn's father sends her to work with a cousin she doesn't even know at a rustic team-building retreat center in the middle of nowhere. A self-proclaimed "indoor girl," not even Ash's habit of leaving breadcrumb quotes--inspirational sayings she scribbles everywhere--can help her cope. With a dangerously careless camp manager doling out grunt work, an overbearing father trying to control her even from prison, and more than a little boy drama to struggle with, the summer is full of challenges. And Ashlyn must make the toughest decision of her life: keep quiet and follow her dad's marching orders or find the courage to finally stand up to her father to have any hope of finding her way back home. A modern twist on *Hansel and Gretel*, *No Place like Here* features: A strong female lead who doesn't shy away from difficult parent-teen relationships A clean and wholesome love triangle, romcom vibes, and feel-good fuzzy emotions Returning cast of

characters from Christina June's *It Started With Goodbye Perfect* for fans of Elise Bryant, Morgan Matson, and Sarah Dessen

The Romantics - Leah Konen 2016-11-01

Perfect for fans of Lauren Myracle and Rainbow Rowell, *The Romantics* will charm readers of all ages. Gael Brennan is about to have his heart broken when his first big relationship crumbles on the heels of his parents' painful separation. Love intervenes with the intention of setting things right—but she doesn't anticipate the intrusion of her dreaded nemesis: the Rebound. Love's plans for Gael are sidetracked by Cara, Gael's hot-sauce-wielding "dream girl." The more Love meddles, the further Gael drifts from the one girl who can help him mend his heart. Soon Love starts breaking all her own rules—and in order to set Gael's fate back on course, she has to make some tough decisions about what it means to truly care.

What If It's Us - Adam Silvera 2018-10-18

Love Nick and Charlie from *Heartstopper*? Meet Arthur and Ben! From INTERNATIONAL BESTSELLING authors Adam Silvera (*The Both Die At The End*) and Becky Albertalli (*Simon vs. The Homo Sapiens Agenda*) comes a long-awaited collaboration about two very different boys who can't decide if the universe is pushing them together or pulling them apart. Soon to be a feature film, adapted by the creator of *13 Reasons Why*! Meet Arthur and Ben. ARTHUR is only in New York for the summer, but if Broadway has taught him anything, it's that the universe can deliver a showstopping romance when you least expect it. BEN thinks the universe needs to mind its business. If the universe had his back, he wouldn't be carrying a box of his ex-boyfriend's things. But when the boys have a chance meeting at the post office, they leave wondering what exactly the universe does have in store for them. What if - in a city of eight million people - they can't find each other again? What if they do ... and then can't nail a first date even after three do-overs? What if Arthur tries too hard to make it work and Ben doesn't try hard enough? What if life really isn't like a Broadway play? But what if it is? What if it's us? PRAISE FOR WHAT IF IT'S US: 'Romantic, realistic and sweet, this perfectly captures New York, teenage love and life in that gray area when you're not quite an adult and not quite a child either.' Lauren James, author of *The Loneliest Girl in the Universe* PRAISE FOR ADAM SILVERA: 'A phenomenal talent.' Juno Dawson, author of *Clean and Wonderland* PRAISE FOR BECKY ALBERTALLI: 'The love child of John Green and Rainbow Rowell.' Teen Vogue

After I Do - Taylor Jenkins Reid 2023-01-05

From the New York Times bestselling author of *The Seven Husbands of Evelyn Hugo*, comes a breath taking novel about modern marriage, the depth of family ties, and the year that one remarkable heroine spends exploring both. When Lauren and Ryan's marriage reaches the breaking point, they come up with an unconventional plan. They decide to take a year off in the hopes of finding a way to fall in love again. One year apart, and only one rule: they cannot contact each other. Aside from that, anything goes. Lauren embarks on a journey of self-discovery, quickly finding that her friends and family have their own ideas about the meaning of marriage. These influences, as well as her own healing process and the challenges of living apart from Ryan, begin to change Lauren's ideas about monogamy and marriage. She starts to question: When you can have romance without loyalty and commitment without marriage, when love and lust are no longer tied together, what do you value? What are you willing to fight for? This is a love story about what happens when the love fades. It's about staying in love, seizing love, forsaking love, and committing to love with everything you've got. And above all, *After I Do* is the story of a couple caught up in an old game-and searching for a new road to happily ever after.

Life's Messy, Live Happy - Cy Wakeman 2022-03-29

A simple shift in thinking can change everything you believe about your

own happiness. By the time we become adults, most of us have joined the religion of suffering, which preaches that unless circumstances are controlled, life will be a mess. We compare ourselves to others and speculate about an impossible-to-know future, holding out hope for an improved life through getting ahead, fulfilling passion, or finding true love. But the idea that happiness comes from putting effort toward altering one's circumstances is harmful and backward. What if we instead learned to understand that circumstances can rarely be controlled, and that life is, and always will be, messy? From that starting point, we could learn to use our minds to create happiness despite life's ever-changing circumstances and events. *Life's Messy, Live Happy* by Cy Wakeman is about dramatically changing the level of happiness you feel in your daily life, by learning to disconnect happiness from external forces, stop worrying about the future, and realize that most of your negative feelings are about things that never even happened. Wakeman is a credible, relatable teacher—a business owner, mother, and community member who has lived her philosophy and achieved profound happiness and success in a crazy, messy life. Filled with concrete daily practices and true stories that are hilarious, painful, and poignant, this book will change everything: your perspective, your focus, and your energy level for everyday life.

Gallant - V.E. Schwab 2022-03-08

The Number 1 Sunday Times-bestselling novel, from the author of *The Invisible Life of Addie LaRue*, and *A Darker Shade of Magic*. A darkly magical and thrilling tale of a young woman caught between the world and its shadows, who must embrace her legacy to stop the approaching darkness. *The Secret Garden* meets *Crimson Peak*, perfect for fans of Neil Gaiman, Holly Black and Susan Cooper. Fourteen-year-old Olivia Prior is missing three things: a mother, a father, and a voice. Her mother vanished all at once, and her father by degrees, and her voice was a thing she never had to start with. She grew up at Merilance School for Girls. Now, nearing the end of her time there, Olivia receives a letter from an uncle she's never met, her father's older brother, summoning her to his estate, a place called Gallant. But when she arrives, she discovers that the letter she received was several years old. Her uncle is dead. The estate is empty, save for the servants. Olivia is permitted to remain, but must follow two rules: don't go out after dusk, and always stay on the right side of a wall that runs along the estate's western edge. Beyond it is another realm, ancient and magical, which calls to Olivia through her blood...
