The Pioneer Woman Cooks—Food from My Frontier (Enhanced) - Ree Drummond 2012-03-27

The enhanced e-book edition of *The Pioneer Woman Cooks: Food from My Frontier* gives you behind-the-scenes access to Ree at home on her ranch. In it you'll find videos of Ree cooking a bunch of her favorite recipes, six recipes not found in the book, and Ree's list of her favorite movies and songs to cook to. I'm Pioneer Woman. And I love to cook. Once upon a time, I fell in love with a cowboy. A strapping, rugged, chaps-wearing cowboy. Then I married him, moved to his ranch, had his babies . . . and wound up loving it. Except the manure. Living in the country for more than fifteen years has taught me a handful of eternal truths: every new day is a blessing, every drop of rain is a gift . . . and nothing tastes more delicious than food you cook yourself. *The Pioneer Woman Cooks: Food from My Frontier* is a mouthwatering collection of the simple-but-scrumptious recipes that rotate through my kitchen on a regular basis, including Cowgirl Quiche, Sloppy Joes, Italian Meatball Soup, White Chicken Enchiladas, and a spicy Carnitas Pizza that'll win you over for life. There are also some elegant offerings for more special occasions at your house: Osso Buco, Honey-Plum-Soy Chicken, and Rib-Eye Steak with an irresistible Onion-Blue Cheese Sauce. And the decadent assortment of desserts, including Blackberry Chip Ice Cream, Apple Dumplings, and Coffee Cream Cake, will make your heart go pitter-pat in the most wonderful way. In addition to detailed step-by-step photographs, all the recipes in this book have one other important quality in common: They're guaranteed to make your kids, sweetheart, dinner guests, in-laws, friends, cousins, or resident cowboys smile, sigh, and beg for seconds. (And hug you and kiss you and be devoted to you for life.) I hope you enjoy, devour, and love this book. I sure did love making it for you.

[Black Heels to Tractor Wheels](#) - Ree Drummond 2011

For city - girl, Ree, a small town in Oklahoma was only supposed to be a quick detour on her way to a new life in Chicago. Then a chance encounter with a devastatingly handsome and masculine cowboy changed everything ... A charming, bright and funny memoir for anyone who's ever despaired of finding old - fashioned, lasting love. That's when I

saw him - the cowboy - across the smoky room. She was a city girl with a penchant for sushi bars, good restaurants and fine wines. Her idea of a good time was to go clubbing with friends in her ubiquitous black heels. He was pure country. Strong and sure and raised on a ranch, his cowboy boots bore the hallmarks of hard work. His idea of a good time was a quiet steak and beer with his brother after a satisfying day's yakka. Home from LA for a quick break before moving to Chicago, Ree Drummond was out with friends one night when she spied a tall, handsome cowboy across the room. The attraction between them was immediate and they found themselves talking into the night. Life intervened for a while, but they were destined to meet again. And so began an unlikely romance between two very different people, one who thrived on the excitement and variety of city life, the other with a deep love of the land his family had been farming for generations. Would their growing passion for each other be enough to overcome the obstacles between them? *Black Heels to Tractor Wheels* isn't just a love story; it's a universal tale of passion, romance, and the sort of all-encompassing love that sweeps us off our feet.

[Little Ree](#) - Ree Drummond 2017-03-28

New York Times bestselling author, Food Network star, and *The Pioneer Woman* herself, Ree Drummond, brings us the first book in a brand-new picture book series! In Ree's own words: "I was all grown up when I moved out to the country. When I first arrived, I felt so out of place! But eventually, I looked around and discovered all the wonderful things about country life. So I decided to write a story about my experiences, as seen through the eyes of a little girl named Ree. "Little Ree moves to the country and feels as scared and unsure as I was. But then she finds that if she sets her mind to it, being a country girl is a pretty cool thing. Come along on her adventures!" Little Ree trades in her city days for a country way of life when she moves with her family to her grandparents' ranch. She's excited to ride horses, swim in the pond, and help Grandma cook for everyone. But on her first day, she finds that living on a ranch can be tough. She has to get up at the crack of dawn, learn to herd cows, and make sure her horse, Pepper, doesn't eat everything in sight. And that's

all before breakfast! Will she ever get used to this new place? Luckily, the end of the day brings a big family barbecue...and the happy discovery that being a country girl isn't about the right pair of boots, it's all about the right attitude. With warmth, humor, and stories inspired by life on the ranch, Ree Drummond's picture book introduces us to a spunky new picture book star and treats us to a special pancake recipe at the end! Plus, don't miss *Little Ree: Best Friends Forever!*

The Pioneer Woman Cooks - Ree Drummond 2015

My name is Ree. Some folks know me as *The Pioneer Woman*. After years of living in Los Angeles, I made a pit stop in my hometown in Oklahoma on the way to a new, exciting life in Chicago. It was during my stay at home that I met Marlboro Man, a mysterious cowboy with steely blue eyes and a muscular, work-honed body. A strict vegetarian, I fell hard and fast, and before I knew it we were married and living on his ranch in the middle of nowhere, taking care of animals, and managing a brood of four young children. I had no idea how I'd wound up there, but I knew it was exactly where I belonged. *The Pioneer Woman Cooks* is a homespun collection of photography, rural stories, and scrumptious recipes that have defined my experience in the country. I share many of the delicious cowboy-tested recipes I've learned to make during my years as an accidental ranch wife--including Rib-Eye Steak with Whiskey Cream Sauce, Lasagna, Fried Chicken, Patsy's Blackberry Cobbler, and Cinnamon Rolls--not to mention several "cowgirl-friendly" dishes, such as Sherried Tomato Soup, Olive Cheese Bread, and Cr me Br l e. I show my recipes in full color, step-by-step detail, so it's as easy as pie to follow along. You'll also find colorful images of rural life: cows, horses, country

kids, and plenty of chaps-wearing cowboys. I hope you get a kick out of this book of mine. I hope it makes you smile. I hope the recipes bring you recognition, accolades, and marriage proposals. And I hope it encourages even the most harried urban cook to slow down, relish the joys of family, nature, and great food, and enjoy life.

Frontier Follies - Ree Drummond 2022-04-05

[Frontier Follies](#) - Ree Drummond 2020-11-17

New York Times bestseller A down-to-earth, hilarious collection of stories and musings on marriage, motherhood, and country life from the #1 New York Times bestselling author and star of the Food Network show *The Pioneer Woman*, Ree Drummond. Once upon a time, I lost my marbles and married a sexy, Wrangler-wearing cowboy named Ladd. That single decision would wind up setting the stage for years of rural adventures (and misadventures), and while I can't imagine my life being any different, raising a family in the "idyllic" countryside has not been without a few bumps in the road. (Or were those cow patties? It's hard to tell the difference sometimes.) I'm excited to share this crazy collection of true stories from my full-of-energy, hard-to-tame, wonderfully wild (and very weird) frontier family. From the unique challenges of being married to a rancher to the blood, sweat, mud, and tears of raising country kids, I'll pull back the curtain and let you in on some of the sh*t and shenanigans that have really gone on here on Drummond Ranch over the past two-plus decades. You'll learn about marital spats, run-ins with wildlife, ER visits, my parenting neuroses, triumphs, tribulations, love, loss . . . and how manure has somehow managed to weave its way through all of it. To keep things up to the minute, you'll also hear about more recent family developments that have tested my sanity and pushed me to the brink. (And pleasantly surprised me, too.) This book is both a love letter and a laugh letter, and I hope you get a big kick out of it all: the good, the bad, and the dirty. Mostly, I hope it demonstrates how much I adore this family of mine . . . even if I sometimes have to use rubber snakes to show it.

The Pioneer Woman Cooks—Super Easy! - Ree Drummond 2021-10-19

#1 New York Times bestseller Bring the family together—and take it easy on yourself! Between my family, my website, my cookbooks, and my TV show, I make a lot of food around here! And as much as I've always loved cooking (and of course, eating!), it seems that more and more these days, I'm looking for ways to simplify my life in the kitchen. I find myself gravitating toward recipes that are delicious but don't require a lot of prep or fuss, because they free me up to have more time (and energy) for other areas of my life. This also makes cooking less of a chore and more of a pleasure—exactly what cooking should be! *The Pioneer Woman Cooks—Super Easy!* will free you up and transform your cooking life as well, with 120 recipes that range from effortless breakfasts to breezy skillet meals to speedy soups to ready-in-minutes Tex-Mex delights, so you'll have lots of options for any given meal. Many recipes in this cookbook call for step-saving (and sanity-saving) shortcuts that will revolutionize the time you spend making meals for your family, and all of them are utterly scrumptious! I've absolutely fallen in love with this new generation of recipes, including Butter Pecan French Toast, Buffalo Chicken Totchos, Speedy Dumpling Soup, Broccoli-Cheese Stromboli (so great for kids!), and an entire section of pastas and grains, such as One-Pot Sausage Pasta and colorful and fresh Hawaiian Shrimp Bowls. You'll find yummy meals such as Pepperoni Fried Rice, Chicken-Fried Steak Fingers, and ultra-tasty Chicken Curry in a Hurry . . . as well as assemble-in-the-baking-dish casseroles, throw-together sheet pan suppers, and simply decadent desserts such as Mug Cakes, Coconut Cream Pie, and Brownie S'Mores Bars that you'll dream about. There's something for everyone in this cookbook, and not a single recipe, ingredient, or step is complicated or difficult. Now that's the kind of cooking we can all get behind!

Pioneer Woman - Ree Drummond 2012-01-19

Living the high life in LA - cocktail parties, exotic restaurants and a cosmopolitan boyfriend - Ree Drummond thinks she's got it all figured out. But, try as she might, she can't shake the feeling that something is missing. Returning to her hometown to get her life in order, Ree is struck by a bolt of lightning - a blue-eyed, strong-jawed, enigmatic cowboy. She

calls him Marlboro Man, and though he's a million miles away from anything she's ever known before, their attraction is undeniable. But with her family coming apart at the seams, her ex-boyfriend still on the scene, and a new career waiting for her in the city, their courtship is far from simple. As life on the ranch beckons (complete with cows, horses, prairie fires and lots of manure), is she really ready to trade in her high heels for Wranglers? Heartwarming, funny and passionate, Pioneer Woman is a story of romance against the odds, and of how love can find you in the most unexpected places.
