Sync Your Relationship, Save Your Marriage - Peter Fraenkel, Ph.D.
2011-03-15

Award-winning couples therapist Peter Fraenkel argues that most relationship problems can be traced to partners being out of sync on the powerful but mostly hidden dimension of time. Differences in daily rhythms, personal pace, punctuality, time perspective, and priorities about how time is allocated can all lead to couple conflict. Yet the fascinating fact is that these polarizing time differences play a potent role in attracting lovers in the first place. In this trailblazing new book, he draws on his original research to show how a clearer understanding of these forces can improve the health of your relationship and even rescue a failing one.

How to Save a Relationship - Laney Hughes 2015-03-08

It's always fun to reflect back on how you and your significant other first got together. What's not to love about remembering the initial attraction and your first dates that were filled with giggles and butterflies? Whether that was a long time ago or fairly recent, it's a large part of the reason you're reading this book right now. Although you or your partner don't feel the same warm loving feelings at the present moment, you want to know if it's possible to get them back, and if so, then how? Things happen in a relationship that causes the positive emotions such as 'attraction' and 'respect' to morph into ugly feelings of anger or dislike. And yet in spite of that, you somehow still want to mend and salvage your relationship to bring back those old lovin' feelings. The time, emotions, and the large piece of ourselves that we invest into a relationship can make the thought of a break up really scary and dreadful. It's enough to cause panic or start to do rash, irrational, and ineffective things to try to save the union. This book is designed to help you do better: I'm going to help you mend your relationship with your significant other, stop a break up before it happens, and rekindle the flame you once had when you first met each other. Whether you only want help in trying to figure out if the relationship is even worth saving, or if you want to know how to stop him from walking out the door, let this book be your guide.

How to Save Your Love Relationship - Amelia Van Zyl 2019-07-16

This workbook is based on the personal experience of the author's own successful marriage of nearly 4 decades. It is further enriched by her 20+ years as a couples' counselor. The book calls for an honest and introspective assessment of your relationship; opens up constructive discussion and helps you to form a strategy on how to save your relationship or to end it peacefully. One partner may study the book to trigger changes in the relationship or both can study it together. This can be done independently or with the help of a counselor. Amelia has witnessed many relationships being restored time and time again. She felt compelled to capture the process in this workbook. A relationship is a deeply emotional matter. You might experience inner conflict whether to end the relationship or not. You might feel stuck. You might struggle to

solve conflict or to communicate with your partner. One partner might have been unfaithful. Obviously matters can no longer continue as they are. You might feel a need to try something different to bring about the change you desire. You might want to assess what needs to change within yourself. This workbook will assist you in designing your own personal strategy to save your love relationship; at exactly that time that you discover that love is not enough. Working through this book can be a last resort. The book addresses the common conflict areas in a relationship including a lack of communication; the power struggle; conflict; the pain, guilt and shame of cheating and a decreasing libido. Throughout their years together a couple changes, grows and develops. This calls for continuous adaptations. It is therefore vital to acknowledge each other's efforts to adapt to these changes. All this is discussed in a systematic manner. Each chapter concludes with a set of questions. Your answers become your customized manual on how to express your love on a daily basis.

How to Save My Marriage - Eleanor Perrault 2014-11-09

If you're not ready to give up on your marriage, and want a game plan for saving it, then this book is for you! Marriage is the union of two souls.

When two individuals get married, they promise to love and hold each other for better and for worse, in sickness and in health, and for the rest of their lives. According to the wedding vows that most couples make on their wedding day, after being married, only death can keep them apart. It's a big promise to each other. However, these days, the rate of divorce is so high that the institution of marriage has become less than the sacred ritual that it is. Nevertheless, there are still some folks that believe in marriage and all that it stands for. They understand that to be completely bound to another person for the rest of their lives isn't going to always be easy. It will require hard work, and that's not a surprise, because that's what real life is. If you believe that your marriage is worth saving, then let this book guide you. You'll find easy and helpful steps to help you and your partner save your marriage and make it the happy marriage that it once was and should (and can!) still be.

How to Save Your Marriage When Trust Is Broken - Kate Homily 2020-04-25

Uncover the hidden secrets to long-lasting love and intimacy... You opened up your heart and gave it your all - raw, exposed, and completely vulnerable. This time it was worth it, this time it was for everything. But then the trust was broken, and now you're wondering if things will ever be the same again. I mean how could they be right, you trusted them! This is a common theme among relationships and although avoidable, it happens. To maintain unwavering and full trust in another over a lifetime of relationship requires effort and commitment. The good news is, even if the trust has been broken this same effort and commitment can restore everything and can even enhance the bonds of love and intimacy. Did you know that over 20% of couples who have experienced broken trust repair

their relationship and move forward into unconditional love? A number that would be even higher if the same study hadn't shown that in 55% of such occurrences one individual immediately gave up on their significant other... Maybe your partner cheated on you with someone else? Maybe they repeatedly fail to listen to your wants and desires, or maybe they did something that directly went against everything the two of you had previously agreed upon? Whatever the case may be, it is possible to move past this moment and into a new paradigm of happiness and love. In *How To Save Your Marriage When Trust Is Broken* you'll discover: The most important 1st step in building any relationship Insight from more than 15 couples who have repaired the trust in their relationship The most common trends among failing relationships and how to avoid them Expert insight on how to love yourself and why it's so important for your relationships A play by play guide to truly understanding your spouse's point of view The 5 most important things to avoid in order to maintain a long-lasting relationship What unconditional love is and how it will change your life forever ... and so much more. Even the most uncertain of times can turn out in favor of something better, something more. It is often true that the darkest moments of our life become our greatest teachers, and love is no different. All relationships come with energy and effort requirements, and as it is true with all aspects of life - things don't always go as planned. It is up to us to embrace the flow of life's river and to choose love and understanding even in the face of adversity. For this to be so, trust must not only be cultivated but actively maintained. Trust requires effort from both parties, but when pursued with the right tools and techniques, maintaining it is easy and will lead to a lifetime of happiness and joy, a marriage filled with love and intimacy. So, if you're ready to save your marriage and move forward into a relationship of trust and loving affection, then scroll up and click the "Add to Cart" button right now.
