The Manual to Middle School - Jonathan Catherman 2017-07-04

The transition from elementary school to middle school can be particularly difficult for boys. Too big to be little and too little to be big, they face the perfect storm of changing bodies, rushing hormones, and learning challenges. They may now begin to struggle with grades, behavior, and relationships with family and friends. Boys are often frustrated and embarrassed by trying to figure out on their own what to do and what not to do in this new environment with new expectations. Jonathan Catherman and his two sons--one current and one former middle schooler--offer boys ages ten to twelve the practical help they need to make the move to middle school as painlessly as possible. The "do this, not that" format covers a hundred relevant topics and situations middle school boys will face, including school lockers, bullies, test taking, cell phone use, homework, gossip, leadership, respect, sports, and many

The Mom Test - Rob Fitzpatrick 2013-10-09

The Mom Test is a quick, practical guide that will save you time, money, and heartbreak. They say you shouldn't ask your mom whether your business is a good idea, because she loves you and will lie to you. This is technically true, but it misses the point. You shouldn't ask anyone if your business is a good idea. It's a bad question and everyone will lie to you at least a little. As a matter of fact, it's not their responsibility to tell you the truth. It's your responsibility to find it and it's worth doing right.

Dress Coded - Carrie Firestone 2020-07-07

Liza got dress coded and Molly didn't, even though they were wearing the exact same outfit. Because when Jessica was pulled over by the principal and missed a math quiz, her teacher gave her an F. Because it's impossible to find shorts that are longer than her fingertips. Because girls' bodies are not a distraction. Because middle school is hard enough. And so Molly starts a podcast where girls can tell their stories, and before long, her small rebellion swells into a revolution. Because now the girls are standing up for what's right, and they're not backing down.
