Dating Tips from a Woman's Point of View - Elizabeth

If you are looking for how to get laid on the first date, that's easy, take her to a bar, get her drinking, but not to the point of throwing up. After she's pretty intoxicated, giggling at everything you say, try a few advances, touching her arm, or shoulder, and see if she responds. Dance with her, and do a little grinding, and see if she grinds back. If the answers to these are yes, then offer her, since she can't drive, to come back to your place. Once she's at your place, continue with just a little more alcohol for the nerves. Don't mix alcohol. If she was doing shots at the bar, don't give her beer or wine coolers at your place, or she'll be spending the night with your toilet, not you. Give her

just a few more shots, and then do the final move with a kiss. The kiss will tell it all. If she pushes you away, and doesn't take your advances, don't get discouraged, you still have a chance. Offer her to put a movie on, get a pillow and a blanket, if you have a pull out couch, great, or one big enough for you two to snuggle on. If not, let her lay back to watch the movie. Let her put her feet on your lap. I don't know many woman who would turn down a foot massage. Massaging is a great way to lead to sex. After both feet, work your way up to her calves. Hint: use lotion. It makes her feel more like it's a massage, not you just trying to grope her up. If when you get to her calves, and she's still allowing you to massage, continue on, and then get the

[How to Beat A Woman at Her Own Games](#) - Ralph Hemphill
2020-09-01

In today's world, much unlike the world of long ago, before the 1980s--where women probably and seemingly didn't play as many games and didn't scheme as much as the women of today--one can clearly see, witness, and attest to the ever-present and overwhelming amount of game playing and scheming ways of most of the females we know, know of, see, and interact with on a day-to-day basis. Most every man, at one point or some point in his life, has fallen victim to a game or scheme of a female whom he has either tried to get with or hook up with, and many guys get hit with games and schemes even with those that they are married to or in relationships with. Practically no man is exempt. We all at some point will find ourselves faced with a woman whose sole purpose is to either go for what's in our pockets or bank

accounts, or to try to get us to do something for them for free or to get us to buy them stuff without them appreciating it and then turning around and buying us stuff too as well. That's a big part of the world we live in as far as men interacting with women, and the sole purpose of this book is to at least get guys to recognize when they are being played and to not fall for the simple games that women play twenty-four hours a day.

How to Get a Girlfriend - Jeff G Smith 2020-06-12

Sometimes men see women so difficult to get, the only reason for that is because men have not understood them. Believe me, no woman is too hard to get, no matter how brilliant and beautiful she is, all you have to do is to just know how to play your keys well, they will be the ones to go after you. I have observed that so many guys are single today not because they don't need a girl in their life or they don't want to be in any relationship, but because they don't know how to get a girlfriend. They lack

the confidence and words to use in wooing a woman they want. So many things could be the factors depriving some men getting any woman they want. These factors include: Lack of confidence, Lack of words to use, Mode of approach, When to approach her, and lots more. In this book, I have emphasize on those factors. So after reading through, you will then be a professional in getting any woman of your choice.

The Psychology Of Attraction For Women - Craig Beck

2021-01-17

Have you ever wondered what on earth men want? After all, they seem to put sex ahead of everything else and yet complain they can't find a decent woman. Doesn't make a whole heap of sense, does it? Well, not if you are thinking like a woman, that's for sure. To get men, you have to understand how they feel, what they find attractive and what they really desire in a woman. This is the book all single women of value have been waiting for. It is the blueprint for the male mind. The

Psychology Of Attraction will teach you how to separate the men from the boys. Say goodbye to the lost little boys who only want a replacement for their mom. No more 'good-time Charlie's' trying desperately to cover up their low self-esteem with as many one night's stands as possible. You are soon to become both a radar and also a magnet for quality, high-value men of integrity. When it comes to attraction, they say men are a switch, but women are a dial. There are a thousand shades of grey in between on and off. The biggest mistake women make is assuming men feel attraction the same way that they do. This is not a guide on 'how to find a husband' like you need such a thing to feel complete! It's a comprehensive personal development program to show you how to love the woman you are and to project that confidence outward. The Psychology Of Attraction starts from the premise that everything you experience in life is a mirror image of what exists inside you. If you see

Get Inside Her: Dirty Dating Tips & Secrets from a Woman - Marni Kinrys
2013-02-15

Guys, Discover Insider Dating Tips From A Woman: One night, I sat up late reading

email after email from attractive, witty guys who were single and ready to date, and instead of being impressed and enraptured, I began to wonder what on earth was going wrong in the world. You see, these emails were not the typical online dating messages. They weren't asking me out on dates, or vying for desire or attention. They were sent from great guys, who no matter what they tried, always seemed to find that beautiful women ended up dating jerks and never calling them back. Now, you might be wondering what all these guys are doing emailing me their questions, but as a professional Wing Girl, it's my duty to be the girl who gives it to guys straight of the dating community. I'm always brutally honest and have been told I have a gift for seeing things from both sides of the dating lines, but it took me a few glasses of wine and some seriously deep thinking to try to piece the puzzle together. What was going on? I knew all my gorgeous girlfriends were looking for

these types of men. Men who were exciting, fun, good, honest and who had their life together...So as they were they emailing me, detailing their failed attempts, I tried to find the one common factor that was holding these great guys back. I spoke with them at length about their dating history, trying to figure out if they were doing something wrong, and then it struck me. It wasn't them; it was "The Game" they had been told to play. They had the best intentions, but they were going about attracting and dating beautiful women in all the wrong ways. They were dating from the male perspective and in a way that seemed right to other guys; but this wasn't communicated clearly to women! As I started to reply to each email, instead of telling them what I thought they wanted to hear or what I thought male Pick Up Artists might tell them, I started to lay it all out on the line. Later on, when I asked my girlfriends for their opinion, they couldn't believe what I had written. I

was revealing all secrets women would never tell men. I was putting it out there in a way that would give guys what my girlfriends called the upper hand, but I defended my actions. These were genuinely great guys! I was tired of hearing how women could never find what they were looking for. Now, when I was giving the men a road map to go out and find them, they freaked out! That's when I knew I had something worth sharing. Something that would turn the dating world on its head; finally, I thought, "It's time to shake things up!" If you have ever wondered why you aren't on the calendars of beautiful women, why they never seem to call back, or always end up with the jerks of the world, then you have to hear what I have to say. You need to accept that it's not your fault and face the facts. Men and women are different. We act, think, and date differently. If you want to find success, you have to see things from a different perspective. You have to gain the world's first (and best)

awarded female Pick Up Artists perspective! Now when I go out, meet with clients, call, or email these great guys back, I get something in return. I get to see them finally date the women they have always wanted and deserved. They tell me how easy and simple it has become, and how they cannot believe they didn't think of it first. Of course, I always laugh and tell them, "How could you? We think differently!" They send me photographs, updates, and once in a while, I'll be invited to a wedding or two. Now, it's your turn. Come see where the controversy lays. Discover the secrets that will make women want you, chase you, and call you back every time. Become the man you have always wanted to be but didn't know how.

How to Attract Women - Zac Miller 2020-03-08

Can I Ask You a Question? What would life be like if you knew exactly how to attract women? If you could get the girls you've always wanted? If you could be a man women were sexually drawn to... would that change your life? Hi, my name is Zac Miller. In my many years here on earth I've had my

share of experiences with women. And like most men, I wasn't born knowing what attracts women or what they want, but there came a point in my life where I was fed up and did something about it. Many men just say "women are crazy," and they leave it at that, not trying to understand them. I couldn't have that... While women are in fact crazy, I have put together a book which explains what they want, what attracts them to men, and how you can start attracting women. It's taken me many, many years, and many, many sleepless nights, but after all was said and done, I believe I have made the best book available when it comes teaching men everything it takes to successfully attract women. Here's What You'll Learn in This Book Chapter 1: Appearance - While it's been this way for many years, the advent of website profiles and dating apps has made a masculine appearance much more important for men in this day and age. Here I share with you the many ways you can

appear more attractive to women, as well the ideal body type women are looking for in a man (hint: it's not abs).

Chapters 2 & 3: Attractive & Unattractive Qualities - Ever notice how women are attracted to jerks and "bad boys?" It's because they display many attractive qualities women desire. In these chapters, I share with you what exactly these qualities are, while also going over attributes you need to stay away from, which push women away.

Chapter 4 & 5: Talking to Women - Next, we go over how to talk to women and connect with them, in turn attracting them to you. I show you how to approach girls, get their contact information, and how to conversant with them afterwards to secure a date. I go over the number one mistake most guys make during this process, as well as the one quality that will put you above all other men when talking to women (hint: it's not a lifted truck). Chapter 6: The Date - We then go over how to handle the date. I show you exactly

how to ask for the date, where to go, and what to do during the date. This includes conversation topics that release dopamine (feel good) chemicals in a woman's brain, as well as techniques you can employ during the date to keep her attention. I then go over what to do after the date to keep her interested in you for the long run to make her your girlfriend. Chapter 7: The What If's? - What if she flakes on the date? What if she says maybe? What if she starts losing interest? All these questions and more are handled in this chapter, showing you the exact techniques to employ to handle each situation, which will keep a woman interested in you.

Appendix - I provide 70 opening messages, original to this book, to use when texting girls. These are unique, funny messages, which will make you stand out from other men. As a FREE bonus, only to buyers of this book, I provide you with my special report, Subconscious Attraction: 3 Techniques that Will Attract Her Subconsciously. These are
